

Contact World Announces DTC Eligibility and OTC Pink Listing

Vancouver, BC, January 28, 2022 – Contact World Technologies Corp. (CSE:HELP) (OTC:TLOOF) (FSE:B2I0) (the “Company”, “Contact” or “Contact World”), a SaaS company committed to delivering a diverse suite of subscription based software solutions for healthcare and other industries, is pleased to announce that its CUSIP 20177G108 is now eligible for electronic clearing and settlement through the Depository Trust Company (“DTC”) in the United States. Its common shares have commenced trading on the OTC Pink Market in the USA under the symbol “TLOOF” (the “Listing”). The Company’s common shares will continue to trade on the Canadian Securities Exchange (CSE) under the symbol “HELP.” The Company expects the Listing to provide greater exposure, visibility and trading convenience for U.S. investors, resulting in enhanced liquidity and extended reach.

Forward Looking Statements Disclaimer

This press release contains "forward-looking information" within the meaning of applicable securities laws ("forward-looking statements"). Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the use of words such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "projects", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause actual performance and financial results in future periods to differ materially from any projections of future performance or result expressed or implied by such forward-looking statements, including statements respecting: the Listing providing greater exposure, visibility and trading convenience for U.S. investors, resulting in enhanced liquidity and extended reach. Although forward-looking statements contained in this press release are based upon what management of Contact World believes are reasonable assumptions, there can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. The forward-looking statements may also be affected by risks and uncertainties in the business of Contact World, including those described in the Company's public filings available on www.SEDAR.com. Contact World undertakes no obligation to update forward-looking statements if circumstances or management's estimates or opinions should change except as required by applicable securities laws. The reader is cautioned not to place undue reliance on forward-looking statements.
