

## INFINITY STONE ANNOUNCES GRANT OF MANAGEMENT CEASE TRADE ORDER

**January 2, 2024** – Infinity Stone Ventures Corp. (CSE:GEMS) (OTC:GEMSF) (FSE:B2I) (the “**Company**” or “**Infinity Stone**”) announces that it has been granted a management cease trade order (“**MCTO**”) from the British Columbia, Alberta and Ontario Securities Commissions under National Policy 12-203 *Cease Trade Orders for Continuous Disclosure Defaults* (“**NP 12-203**”), which will prohibit trading securities of the Company by certain individuals until such time as the Required Filings (defined below) and all continuous disclosure requirements have been filed by the Company and the MCTO has been lifted.

While the MCTO is effective, all management, officers and directors of the Company will be prohibited from trading in the Company's securities, but the general public, who are not insiders of the Company, will continue to be able to trade in the Company's listed securities.

The Company was unable to file its audited financial statements for the year ended August 31, 2023, and the related management's discussion and analysis and Chief Executive Officer and Chief Financial Officer certificates for this period (collectively, the “**Required Filings**”) before the December 29, 2023 filing deadline (the “**Filing Deadline**”).

The Company's failure to file its Required Filings by the Filing Deadline is due to recent financial difficulties affecting the Issuer's ability to fund its audit and recent changes to the Company's management, including a change in the Company's Chief Financial Officer. The Company anticipates that it will be in a position to file the Required Filings on or about January 29, 2024. The MCTO will be in effect until the Required Filings are filed.

The Company confirms that there is no other material information relating to its affairs that has not been generally disclosed. The Company will provide updates as further information relating to the Annual Financial Filings becomes available. The Company intends to satisfy the provision of the alternative information guidelines set out in sections 9 and 10 of NP 12-203 as long as the Required Filings are outstanding.

### **About Infinity Stone Ventures**

Infinity Stone's mission is to be a diversified, single source supplier for the critical energy metals being used in the clean energy revolution alongside its established SaaS solution portfolio. Infinity Stone is meeting the demand from battery and wind turbine manufacturers, nuclear and hydrogen energy producers, and energy metals speculators by acquiring 100% interest in critical mineral deposits and occurrences in stable mining-friendly jurisdictions, close to final use destinations in North American manufacturing hubs.

### Forward-Looking Statements

This news release contains certain forward-looking statements within the meaning of applicable securities laws. All statements that are not historical facts, including without limitation, statements regarding future estimates, plans, programs, forecasts, projections, objectives, assumptions, expectations or beliefs of future performance, including statements respecting the MCTO and the anticipated timeline for filing of the Required Filings, are “forward-looking statements.” These forward-looking statements reflect the expectations or beliefs of management of the Company based on information currently available to it. Forward-looking statements are subject to a number of risks and uncertainties, including those detailed from time to time in filings made by the Company with securities regulatory authorities, which may cause actual outcomes to differ materially from those discussed in the forward-looking statements. These factors should be considered carefully, and readers are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements and information contained in this news release are made as of the date hereof and the Company undertakes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.
