HARRY BARR APPOINTED AS A DIRECTOR OF COPPER REEF

Flin Flon, Manitoba, June 3, 2011.....Copper Reef Mining Corporation (CZC.CNSX) (the "Company") is pleased to announce the appointment of Mr. Harry Barr to its Board of Directors. Mr. Masson, President and CEO of the Company, welcomes Mr. Barr to the Board, who has been a long-time supporter and shareholder of the Company. The entire board feels that "Harry's breadth of experience and expertise in many areas of the mining, exploration, and financing sectors is a tremendous asset to Copper Reef, as the Company continues to explore its high level projects and large land holdings in Manitoba and Saskatchewan".

Mr. Barr has over 30 years of experience in the mining industry, founding Freegold Ventures Limited (retired Oct 2007), Canalaska Uranium Ltd. (retired June 2007), Pacific North West Capital Corp. (currently President and CEO), and Fire River Gold Corp. (currently Financial Advisor). Over the last 15 years, Mr. Barr has also acted in various capacities to restructure El Nino Ventures Inc. (currently Chairman and acting CEO), and Next Gen Metals Inc. (currently President and CEO). Mr. Barr is also on the Board of Directors of Pacific North West Capital Corp., El Nino Ventures Inc. and Next Gen Metals Inc. Mr. Barr has created shareholder value by building teams to assist him in corporate finance, project acquisition, and exploration and development of mineral projects in 9 countries and 3 continents. Throughout his career, Mr. Barr has completed over 35 deals with the world's largest mining companies, approximately 15 with mid-tiers, over 300 with junior companies and has raised over \$500 million dollars in equity and option/joint venture deals to further project development.

ABOUT COPPER REEF MINING CORPORATION

The Corporation is a Canadian junior mineral exploration company with a specific focus on mineral properties in Northwest Manitoba and Northeast Saskatchewan, Canada. All of the Company's properties are currently at the exploration stage. The Company does not have any long-term debt, has assembled a portfolio of base metal and precious metal prospects, including strategic locations in the Provinces of Manitoba and Saskatchewan and has the funds to explore them.
