

MANAGEMENT INFORMATION CIRCULAR

This Information Circular is being mailed by the management of **Copper Reef Mining Corporation**. (“Copper Reef” or the “Corporation”) to everyone who was a shareholder of record of Copper Reef on September 6, 2019, which is the date that has been fixed by the directors of Copper Reef as the record date to determine the shareholders who are entitled to receive notice of the meeting.

We are mailing this Information Circular in connection with the solicitation of proxies by and on behalf of our management for use at the annual and special meeting of the shareholders of Copper Reef that is to be held on Friday, October 11, 2019 at 2:00 p.m. (CST) at 12 Mitchell Road, Flin Flon, Manitoba. The solicitation of proxies will be primarily by mail. Certain employees or directors of Copper Reef may also solicit proxies by telephone or in person. The cost of solicitation will be borne by Copper Reef.

Under our By-laws, at least two shareholders who between them hold or represent at least 5% of the shares entitled to vote at the meeting must be present in person or represented by proxy at the meeting before any action may validly be taken. If such a quorum is not present in person or by proxy, we will reschedule the meeting.

PART 1 – VOTING

HOW A VOTE IS PASSED

All of the matters that will come to a vote at the meeting as described in the attached Notice of Meeting are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favour then the resolution is approved.

WHO CAN VOTE?

If you are a registered shareholder of Copper Reef on September 6, 2019, you are entitled to attend at the meeting and cast a vote for each share registered in your name on all resolutions put before the meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer’s authority should be presented at the meeting. If you are a registered shareholder, but do not wish to or cannot attend the meeting in person, you can appoint someone who will attend the meeting and act as your proxyholder to vote in accordance with your instructions (see “Voting by Proxy”). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled “Non-registered Shareholders” set out below.

It is important that your shares be represented at the meeting regardless of the number of shares you hold. If you will not be attending the meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return a completed form of proxy by 2:00 p.m. (CST) on Wednesday, October 9, 2019, to our transfer agent, TMX Trust Company, Proxy Department, 100 Adelaide St., West, Suite 301, Toronto, Ontario M5H 4H1 (facsimile: 416-595-9593).

What is a proxy?

A form of proxy is a document that authorizes someone to attend the meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing a proxyholder

You can choose any person to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person’s name in the blank

space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder. Those persons are Stephen L. Masson, President and Chief Executive Officer and David Kendall, Chief Financial Officer of Copper Reef.

Instructing your proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares at the meeting as follows:

- ✓ **FOR the election of the proposed nominees as directors;**
- ✓ **FOR the appointment of UHY McGovern, Hurley, Cunningham LLP, as the auditor of Copper Reef and to authorize the directors to fix the auditor's remuneration; and**
- ✓ **FOR fixing the number of directors at five (5);**

For more information about these matters, see Part 3 – The Business of the Meeting. **The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified on the Notice of Meeting.** At the time of printing this Information Circular, the management of Copper Reef is not aware of any other matter to be presented for action at the meeting. If, however, other matters do properly come before the meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing your mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the registered office of Copper Reef at Taylor McCaffrey LLP, Suite 900-400 St. Mary Avenue, Winnipeg, MB R3C 4K5, Telephone 204-988-0440, Facsimile 204-953-7205; or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 4:00 p.m. (CST time) on the last business day before the day of the meeting, or any adjournment thereof, or delivered to the person presiding at the meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the meeting in person.

NON-REGISTERED SHAREHOLDERS

If your shares are not registered in your own name, they will be held in the name of a “nominee,” usually a bank, trust company, securities dealer or other financial institution and, as such, your nominee will be the entity legally entitled to vote your common shares and must seek your instructions as to how to vote your shares.

Accordingly, unless you have previously informed your nominee that you do not wish to receive material relating to shareholders' meetings, you will have received this Information Circular from your nominee, together with a form of proxy or a request for voting instruction form. If that is the case, **it is most important that you comply strictly with the instructions that have been given to you by your nominee on the voting instruction form.** If you have voted and wish to change your voting instructions, you should contact your nominee to discuss whether this is possible and what procedures you must follow.

If your shares are not registered in your own name, Copper Reef's transfer agent will not have a record of your name and, as a result, unless your nominee has appointed you as a proxyholder, will have no knowledge of your entitlement to vote. If you wish to vote in person at the meeting, therefore, please insert your own name in the space provided on the form of proxy or voting instruction form that you

have received from your nominee. If you do this, you will be instructing your nominee to appoint you as proxyholder. Please adhere strictly to the signature and return instructions provided by your nominee. It is not necessary to complete the form in any other respect, since you will be voting at the meeting in person. Please register with the Scrutineer, upon arrival at the meeting.

The Notice of Meeting and Information Circular are being sent to both registered and non-registered owners of our common shares. If you are a non-registered owner and we have sent these materials to you directly, your name and address and information about your holdings of common shares of Copper Reef have been obtained in accordance with applicable securities regulatory requirements from the nominee holding the securities on your behalf. By choosing to send these materials to you directly, Copper Reef (and not your nominee) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions form.

Distribution to NOBOs

This section is included as the Company uses a mail house instead of Broadridge to forward management proxy material to non-objecting holders (brokerage accounts).

In accordance with the requirements of the Canadian Securities Administrators and National Instrument 54-101, "Communication with Beneficial Owners of Securities of a Reporting Issuer" ("NI-54-101"), the Corporation will have caused its agent to distribute copies of the Notice and this management information circular (collectively, the "meeting materials") as well as a proxy directly to those Non-Registered Holders who have provided instructions to an Intermediary that such Non-Registered Holder does not object to the Intermediary disclosing ownership information about the beneficial owner ("Non-Objecting Beneficial Owner" or "NOBO").

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for proxy enclosed with mailings to NOBOs.

The meeting materials distributed by the Corporation's agent to NOBOs include a proxy. Please carefully review the instructions on the proxy for completion and deposit.

Distribution to OBOs

In addition, the Corporation will have caused its agent to deliver copies of the meeting materials to the clearing agencies and Intermediaries for onward distribution to those Non-Registered Shareholders who have provided instructions to an Intermediary that the beneficial owner objects to the Intermediary disclosing ownership information about the beneficial owner ("Objecting Beneficial Owner" or "OBO"). Intermediaries are required to forward the meeting materials to OBOs unless an OBO has waived his or her right to receive them. Intermediaries often use service companies such as Broadridge to forward the meeting materials to OBOs. Generally, those OBOs who have not waived the right to receive meeting materials will either:

1. be given a form of proxy which has already been signed by the intermediary (typically by a facsimile stamped signature), which is restricted as to the number of shares beneficially owned by the OBO, but which is otherwise uncompleted. This form of proxy need not be signed by the OBO. In this case, the OBO who wishes to submit a proxy should properly complete the form of proxy and deposit it with TMX Trust Company in the manner set out above in this management information circular, with respect to the Common Shares beneficially owned by such OBO; OR

2. more typically, be given a voting registration form which is not signed by the Intermediary and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute authority and instructions (often called a "Voting Instruction Form") which the Intermediary must follow. Typically, the Voting Instruction Form will consist of a one page pre-printed form. The purpose of this procedure is to permit the OBO to direct the voting of the shares he or she beneficially owns.

Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the persons named in the form and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions, including those regarding when and where the proxy or voting instruction form is to be delivered.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Copper Reef has authorized voting share capital of an unlimited number of common shares without nominal or par value. Each shareholder is entitled to one vote for each common share registered in his or her name at the close of business on September 7, 2018, the date fixed by our directors as the record date for determining who is entitled to receive notice of and to vote at the meeting.

At the close of business on September 6, 2019, 159,366,300 common shares in the capital of Copper Reef were outstanding. CDS & Co. holds 128,378,230 or 80.55% (holders unknown). Directors own 34,570,481 common shares (directly and indirectly) or 21.69% of the issued and outstanding capital. Stephen L. Masson owns (directly and indirectly) 17.85% of the common shares of the Company.

PART 3 - THE BUSINESS OF THE MEETING

FINANCIAL STATEMENTS

The audited consolidated financial statements of Copper Reef for the financial years ended November 30, 2018 and November 30, 2017 will be placed before you at the meeting. The annual financial statements and Management's Discussion and Analysis have been electronically filed with regulators and are available for viewing through the Internet on the Canadian System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com.

ELECTION OF DIRECTORS

Under our Articles, the number of directors shall be a minimum of three and a maximum of fifteen. Directors of Copper Reef are elected for a term of one year. The term of office of each of the five current directors, each a nominee proposed for re-election as a director at the meeting will expire at the meeting, and each of them, if re-elected, will serve until the close of the next annual meeting, unless he resigns or otherwise vacates office before that time.

Nominees for Election

The following are the nominees proposed for election as directors of Copper Reef, together with the number of common shares beneficially owned, directly or indirectly, or over which control or direction is exercised, and the number of stock options held by each nominee as of the record date for the meeting to which this Circular relates. All of the nominees are currently directors and have agreed to stand for re-election and we are not aware of any intention of any of them not to do so. If, however, one or more of them should become unable to stand for election, it is likely that one or more other persons would be nominated at the meeting for election and, in that event, the persons designated in the form of proxy will vote in their discretion for a substitute nominee.

APPOINTMENT OF THE AUDITOR

During the financial year ended November 30, 2018, UHY McGovern, Hurley LLP, served as auditor of Copper Reef See Part 6 – Audit Committee – External Auditor Service Fees.

Copper Reef's management recommends that shareholders vote in favour of the appointment of UHY McGovern, Hurley, LLP, Chartered Accountants, as Copper Reef's auditor for the ensuing year and that shareholders grant the Board of Directors the authority to determine the remuneration to be paid to the auditor. **Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the appointment of UHY McGovern, Hurley LLP, as our auditor until the close of our next annual meeting and also intend to vote FOR the proposed resolution to authorize the Board of Directors to determine the auditor's remuneration.**

STOCK OPTION PLAN

CSE (the "Exchange") policy does not require approval for rolling stock option plans, which set the number of shares issuable under the plan at 10% of the issued and outstanding shares from time to time.

Although approval is not required, as a courtesy to shareholders we are providing details of the stock option plan as follows: the aggregate number of common shares reserved for issuance under the Stock Option Plan and common shares reserved for issuance under any other share compensation arrangement granted or made available by Copper Reef from time to time may will not exceed in

aggregate 10% of Copper Reef's common shares issued and outstanding at the time of grant. The term of any options granted under the Stock Option Plan will be fixed by the Board of Directors and may not exceed five years. The exercise price of options granted under the Stock Option Plan will be determined by the Board of Directors,

Any options granted pursuant to the Stock Option Plan will terminate within 90 days of the option holder ceasing to act as an "Eligible Person" as such term is defined in the Stock Option Plan (other than a consultant providing investor relations services to Copper Reef, in which case the options terminate within 30 days of the option holder ceasing to act in such capacity), unless such cessation is on account of death or disability. If such cessation is on account of disability or death, the options terminate on the first anniversary of such cessation. The Stock Option Plan also provides for adjustments to outstanding options in the event of any consolidation, subdivision, conversion or exchange of Copper Reef's shares. The Stock Option Plan is administered by the Board of Directors of Copper Reef, on recommendations received from the Compensation Committee (see Part 4 – Executive Compensation – Compensation Discussion and Analysis and Part 7 – Corporate Governance – Committees of the Board of Directors).

As of September 6, 2019, there were 12,050,000 options available for exercise under the existing Stock Option Plan. See Part 5 – Securities Authorized for Issuance under Equity Compensation Plans.

The full text of the Stock Option Plan is available for review by shareholders at the office of Copper Reef's legal counsel Taylor McCaffrey LLP, Suite 900-400 St. Mary Avenue, Winnipeg, MB R3C 4K5, during normal business hours at any time up to and including the day prior to the meeting, as well as at the meeting or any adjournment thereof.

PART 4 – EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this Compensation Discussion and Analysis is to provide information about Copper Reef's executive compensation objectives and processes and to discuss compensation decisions relating to its named executive officers ("Named Executive Officers") listed in the Summary Compensation Table that follows. During its fiscal year ended November 30, 2018, the following individuals were Named Executive Officers (as determined by applicable securities legislation) of Copper Reef:

- Robert N. Granger, Chairman (since December 12, 2005);
- Stephen L. Masson, President and Chief Executive Officer (since August 8, 2008); and
- Dave Kendall, Chief Financial Officer (since May 14, 2010)

Copper Reef is a junior resource company with interests in exploration and development properties in Manitoba and Saskatchewan. Copper Reef has no earnings or revenues from operations to date and often operates with limited financial resources to ensure that funds are available to complete scheduled programs. As a result, the Board of Directors has to consider not only the financial situation of Copper Reef at the time of the determination of executive compensation, but also the estimated financial situation of Copper Reef in the mid- and long-term. An important element of executive compensation is that of stock options, which do not require cash disbursement by Copper Reef. Additional information about Copper Reef and its operations is available in its audited consolidated financial statements and Management's Discussion & Analysis for the year ended November 30, 2015, which have been electronically filed with regulators and are available for viewing at the Canadian System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com.

Compensation Objectives and Principles

The primary goal of Copper Reef's executive compensation process is to attract and retain the key executives necessary for Copper Reef's long term success, to encourage executives to further the development of Copper Reef and its operations, and to motivate top quality and experienced executives. The key elements of executive compensation awarded by Copper Reef are: (i) base salary; (ii) potential annual incentive award; and (iii) incentive stock options. The directors are of the view that all elements should be considered, rather than any single element.

Compensation Process

The Compensation Committee of Copper Reef's Board of Directors, through discussion without any formal objectives or criteria, is responsible for reviewing and approving the Chief Executive Officer's

compensation, evaluating the Chief Executive Officer's performance, and determining, or making recommendations to the Board with respect to, the Chief Executive Officer's compensation level. The Committee is also charged with making recommendations to the Board with respect to the compensation of other executive officers and of the directors to ensure such arrangements reflect the responsibilities and risks associated with each position, as well as with respect to incentive compensation plans and equity-based plans, if any, and for reviewing executive compensation disclosure before Copper Reef publicly discloses this information. All employment, consulting or other compensation arrangements between Copper Reef and its directors or executive officers (or between any subsidiary of Copper Reef and any director or executive officer) are considered and approved by the independent directors of the Board.

When determining the compensation of its officers, the Board considers: i) recruiting and retaining executives critical to the success of Copper Reef and the enhancement of shareholder value; ii) providing fair and competitive compensation; iii) balancing the interests of management and Copper Reef's shareholders; iv) rewarding performance, both on an individual basis and with respect to operations in general; and v) available financial resources.

Copper Reef's management and officers have each agreed to suspend payment of director fees, all for an indefinite period (see "Termination and Change of Control Benefits" and "Director Compensation" below).

Option Based Awards

Options to purchase common shares of Copper Reef are intended to align the interests of Copper Reef's directors and its executive officers with those of its shareholders, to provide a long term incentive that rewards these individuals for their contribution to the creation of shareholder value, and to reduce the cash compensation Copper Reef would otherwise have to pay. Copper Reef's Stock Option Plan is administered by the Board of Directors on recommendations, from time to time, of the Compensation Committee. In establishing the number of the incentive stock options to be granted to the Named Executive Officers, reference is made to the number of stock options granted to officers of other publicly traded companies that, similar to Copper Reef, are involved in the mining industry, as well as those of other publicly traded Canadian companies of a comparable size to that of Copper Reef in respect of assets. The Board of Directors also considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding common shares in determining whether to make any new grants of options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in determining the level of incentive stock option compensation. See "Incentive Plan Awards - Outstanding Option-Based Awards" below, as well as Part 3 – The Business of the Meeting – Annual Approval of Stock Option Plan and Part 5 – Securities Authorized for Issuance under Equity Compensation Plans.

Benefits and Perquisites

Copper Reef does not, as of the date of this Circular, offer any benefits or perquisites to its Named Executive Officers that are not generally available to all employees.

MANAGEMENT CONTRACT

Stephen L. Masson, President and Chief Executive Officer of Copper Reef, entered into an exploration services contract with Copper Reef dated December 6, 2006 while he served as the Vice-President of Exploration for the Company.

The Company entered into an exploration management services agreement dated December 31, 2010 with M’Ore and the President and significant shareholder of M’Ore, who is an officer, director and shareholder of the Company. Pursuant to the agreement, M’Ore provides consulting and management services to the Company and incurs various administrative expenses, including administrative salaries and office and vehicle rentals on behalf of the Company. The term of the original agreement was for a period of two years ended December 31, 2012 and renewable thereafter at the end of every 12 months. On February 28, 2018, the Company extended the term of the agreement December 31, 2018.

Management fees and salaries incurred by M’Ore were capped at \$200,000 per annum. Additional charges to the Company in prior years consisted of a lease with M’Ore whereby the Company would pay \$30,000, plus operating expenses, per annum for rental of office and storage space. The lease also specifies rates to be charged for the use of various items of equipment if and when utilized by the Company.

TERMINATION AND CHANGE OF CONTROL BENEFITS

Stephen L. Masson, President and C.E.O. entered into an exploration services contract dated December 6, 2006 with Copper Reef and his company, M’Ore Exploration Services Ltd. in which Mr. Masson served as Senior VP of Exploration for Copper Reef.

On December 2, 2008, after being appointed President and C.E.O., an agreement was entered into by Copper Reef and Mr. Masson whereby Mr. Masson as President and Chief Executive Officer of Copper Reef, receives an annual salary of C\$144,000. The contract will be reviewed by the Board of Directors after the two year term, and then will be renewed annually. The agreement expired on December 1, 2010 and was renewed for successive two-year term unless one months’ written notice of non-renewal is given by either party. In the event either party wishes to terminate the agreement, one months’ notice is required.

In the event of a change of control of Copper Reef (as such term is defined in the contract), the contract can be terminated by the Corporation by giving Mr. Masson six months' notice in writing or, at Copper Reef's option, the equivalent pay in lieu of notice, which, as of the date of this Circular, would be C\$72,000.

DIRECTOR COMPENSATION

Directors who are also officers and receive a salary from Copper Reef do not receive any additional remuneration from Copper Reef for serving as a director. During the fiscal year ended November 30, 2018, all of the directors are entitled to reimbursement of any out-of-pocket expenses incurred in performing duties as a director and are entitled to participate in Copper Reef's Stock Option Plan (see "Outstanding Option-Based Awards" below).

The following table provides a summary of the compensation of Copper Reef's non-executive directors during the fiscal year ended November 30, 2018.

The following disclosure excludes compensation of Stephen L. Masson in his capacity as President and Chief Executive Officer of Copper Reef. Mr. Masson's compensation is disclosed above at Part 4 – Executive Compensation – Summary Compensation Table.

PART 6 – AUDIT COMMITTEE

AUDIT COMMITTEE CHARTER

The charter for the Audit Committee of the Board of Directors of Copper Reef is attached to this Circular as Appendix A.

AUDIT COMMITTEE MEMBERS

As of the date of this Information Circular, Robert N. Granger, William Phillips and William Jackson are members of Copper Reef’s Audit Committee. All are considered “independent” as that term is defined in applicable securities legislation, and all three of the Audit Committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by Copper Reef’s financial statements.

In determining whether a director is independent, the Board considers, for example, whether the director has any interests or relationships – other than those arising from his shareholdings in Copper Reef – which could, or could be perceived to, interfere with the director's ability to objectively assess the performance of management, or to exercise independent judgement in the best interests of Copper Reef.

RELEVANT EDUCATION AND EXPERIENCE

All of the Audit Committee members are businessmen with experience in financial matters; each has an understanding of accounting principles used to prepare financial statements and varied experience as to general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavor. In

addition, each of the members of the Audit Committee have knowledge of the role of an audit committee in the realm of reporting companies from their respective years of experience as directors of public companies other than Copper Reef.

Robert N. Granger

Robert Norman Granger Q.C., practiced law in Toronto for over thirty years mainly in the corporate and securities law areas. In the past Mr. Granger has been an officer and director of a number of resource companies including Fancamp Explorations Ltd, Anvil Range Mining Corporation and United Keno Hill Mines Ltd., Prospectors Alliance Corporation.

William Phillips

Mr. Phillips is a businessman and manufacturer and has been the President, CEO and owner of Woodlore International Inc., a manufacturer of customized furniture since January, 1993.

William Jackson

Mr. Jackson is a Graduate Chemical Engineer (BaSc - University of Toronto, 1964) who has been active in the mining industry since 1995, having been a director or officer of a number of listed companies, such as Copper Reef Mining Corp, Davidson Tisdale Ltd, Laurion Gold Inc, Laurion Mineral Exploration Inc, Northcott Gold Inc and Royal Standard Minerals Inc, as well as a number of private corporations.

EXTERNAL AUDITOR SERVICE FEES

Aggregate audit and tax related fees billed by Copper Reef’s external auditors, McGovern Hurley Cunningham, LLP, Chartered Accountants, in each of the last two completed financial years were as follows:

	Fiscal year ended November 30, 2018	Fiscal year ended November 30, 2017
Audit fees	\$22,440	\$24,235
Tax fees ⁽¹⁾	Nil	Nil
Other fees	Nil	Nil

(1) Professional services rendered for preparation of corporate tax returns for Copper Reef and its subsidiaries.

RELIANCE ON EXEMPTION

Even though Copper Reef is not a “Venture Issuer” pursuant to relevant securities legislation, Copper Reef is relying on the exemption in Section 6.1 of National Instrument 52-110 - *Audit Committees* (“NI 52-110”) from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

RELIANCE ON CERTAIN OTHER EXEMPTIONS

At no time since the commencement of Copper Reef’s most recently completed financial year ended November 30, 2018 has Copper Reef relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis* Non-audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

PRE-APPROVED POLICIES AND PROCEDURES FOR NON-AUDIT SERVICES

Copper Reef’s Audit Committee Charter provides that the Audit Committee shall review and pre-approve any engagements for non-audit services to be provided to Copper Reef, by Copper Reef’s external auditor, prior to engaging the external auditor to perform such non-audit services, in light of the estimated fees and impact on the external auditor’s independence. Copper Reef has not adopted any specific policies and procedures for the engagement of non-audit services.

PART 7 – CORPORATE GOVERNANCE

Follows is a summary of Copper Reef’s approach to corporate governance.

Board of Directors

The Board of Directors of Copper Reef facilitates its exercise of independent supervision over management by ensuring that the Board is comprised of a majority of directors who are independent of management. The Board, at present, is composed of five directors, three of whom, (Messrs., William Phillips, William Jackson and Warren Bates) are considered to be independent. In determining whether a director is independent, the Board considers, for example, whether the director has a relationship, which could, or could be perceived to, interfere with the director's ability to objectively assess the performance of management. On this basis, Stephen Masson, by reason of his office as President and Chief Executive Officer, is not considered to be an independent director.

The Board is mandated to set the strategic direction for Copper Reef and to oversee its implementation by management. To assist it in fulfilling this responsibility, the Board will have responsibility for several areas, including:

- reviewing and approving Copper Reef's strategic and operating plans;
- reviewing and approving material proposed expenditures;
- reviewing and approving significant operational and financial matters; and
- providing direction to management on operational and financial matters.

While decisions regarding the ongoing day-to-day management are made by Copper Reef's management, the Board meets regularly to review the business operation and financial statements of Copper Reef and also to discharge, in part, its responsibility through the Audit Committee and the Compensation Committee as established by the Board. The frequency of the meetings of the Board, as well as the nature of agenda items, will depend on the state of Copper Reef's affairs and the types of opportunities that arise or risks that it faces. Copper Reef directors endeavour to hold a minimum of four meetings of the Board in each fiscal year. When business requires that a Board meeting cannot be called within a reasonable time, Board decisions are made by written resolution signed by all directors.

The Board is expected to participate fully in assessing and approving strategic plans and prospective decisions proposed by management. In order to ensure that the principal business risks borne by Copper Reef are appropriate, the directors are to receive and are expected to comment on periodic oral or written reports from management as to management's assessment and management of such risks. The Board regularly monitors the financial performance of Copper Reef, including reviewing detailed financial information and budgets contained in management reports. The Board of Directors, directly and through its Audit Committee, assesses the integrity of Copper Reef's internal control and management information systems.

The Board is responsible for reviewing the performance of senior management, with the independent directors of the Board, who serve on the Compensation Committee, being responsible for recommendation of executive compensation to the Board for subsequent approval. The Board is also responsible for addressing matters of succession planning. See also Part 4 – Executive Compensation – Compensation Discussion and Analysis.

Directorships

The current directors and nominees for election as directors of Copper Reef are not directors of any other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction.

Orientation and Continuing Education

While Copper Reef has not established a formal orientation and education program for new Board members, it is committed to providing such information so as to ensure that the new directors are familiarized with Copper Reef's business and the procedures of the Board. Information may include Copper Reef's corporate and organizational structure, recent filings and financial information, governance documents and important policies and procedures. The Board endeavours to ensure that every director possesses the capabilities, expertise, availability and knowledge required to fill the position adequately. From time to time, Copper Reef will arrange on-site tours of its operations.

The Board endeavours to ensure that all new directors receive a comprehensive orientation. All new directors should fully understand the role of the Board and its Committees, as well as the contribution

individual directors are expected to make (including, in particular, the commitment of time and resources that Copper Reef expects from its directors). All new directors should also understand the nature and operation of the business.

The Board provides continuing education opportunities when appropriate for all directors and other officers, so that individuals may maintain or enhance their skills and abilities as directors, and officers, as well as to ensure their knowledge and understanding of Copper Reef's business remains current.

Ethical Business Conduct

The Board monitors the ethical conduct of Copper Reef and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by Copper Reef's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of Copper Reef.

Nomination of Directors

The Board of Directors considers its size each year when it considers the number of directors to recommend to its shareholders for election at annual meetings, taking into account the number required to carry out the Board's duties effectively, to maintain a majority of independent directors, and to maintain diversity of view and experience. The Board has not yet appointed a nominating committee and these functions are currently performed by the Board as a whole.

Compensation

See Part 4 – Executive Compensation – Compensation Discussion and Analysis and “Committees of the Board of Directors” below.

Committees of the Board of Directors

The Board of Directors of Copper Reef has appointed an Audit Committee and a Corporate Governance, Compensation, and Nominating Committee. The Audit Committee is comprised of Chairman, Robert Granger, William Phillips and William Jackson. The Corporate Governance, Compensation and Nominating Committee is comprised of Chairman, William Jackson, and Robert Granger. The Audit Committee is ultimately responsible for the policies and practices relating to the integrity of the financial and regulatory reporting of Copper Reef, as well as internal controls to achieve the objectives of safeguarding Copper Reef's assets; reliability of information; and compliance with policies and laws. For further information regarding the mandate of the Audit Committee, its specific authority, duties and responsibilities, see Part 6 – Audit Committee.

The primary function of the Compensation Committee is to assist the Board in establishing, administering and evaluating the compensation principles, criteria, policies and plans for Copper Reef's executive officers, to interface with senior management regarding the compensation of employees and to provide recommendations regarding compensation to the Board for approval. The Charter for the Compensation Committee of the Board of Directors of Copper Reef is attached to this Circular as Appendix B. See also Part 4 – Executive Compensation – Compensation Discussion & Analysis.

Assessments

The Board of Directors does not, at present, have a formal process in place for assessing the effectiveness of the Board of Directors as a whole, its committees or individual directors; however, it believes that its current size facilitates informal discussion and evaluation of members' contributions within that framework.
