## **COPPER REEF CHANGES NAME TO VOYAGEUR MINERAL EXPLORERS CORP.**

**TORONTO, ON – August 17, 2020** – Copper Reef Mining Corporation (CSE:CZC) is pleased to announce that it has changed its name to Voyageur Mineral Explorers Corp. (“**Voyageur**” or the “**Company**”). The Company’s common shares are expected to commence trading on the Canadian Securities Exchange under a new symbol (VOY) at the opening of trading on August 19, 2020.

Brian Howlett, the President and CEO of the Company commented, “Management of the Company is very excited to begin the next phase of the Company’s evolution. We are focusing the Company to highlight the different minerals contained in our land package. In particular, the Company’s gold projects will be advanced in the months and years to come. The Company is also developing a new website and image that will be showcased in the coming weeks.”

### **About Voyageur Mineral Explorers Corp.**

Voyageur is a Canadian junior mineral exploration company with a specific focus on mineral properties in Northwest Manitoba and Northeast Saskatchewan. All of the Company’s properties are currently at the exploration stage. The Company has assembled a portfolio of base metal and precious metal prospects, all of which are 100 percent owned, with no option payments or work commitments to third parties.

### **FORWARD-LOOKING STATEMENTS**

*This news release contains “forward-looking information” within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, information with respect to the Offering, the use of proceeds of the Offering and the name change. Generally, forward-looking information can be identified by the use of forward-looking terminology such as “plans”, “expects”, or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates”, or “does not anticipate”, or “believes” or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might”, or “will be taken”, “occur”, or “be achieved”. Forward-looking information is based on the opinions and estimates of management at the date the information is made, and is based on a number of assumptions and is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Copper Reef to be materially different from those expressed or implied by such forward-looking information, including risks associated with the exploration, development and mining such as economic factors as they effect exploration, future commodity prices, changes in foreign exchange and interest rates, actual results of current production, development and*

*exploration activities, government regulation, political or economic developments, environmental risks, permitting timelines, capital expenditures, operating or technical difficulties in connection with development activities, employee relations, the speculative nature of mineral exploration and development, including the risks of diminishing quantities of grades of resources, contests over title to properties, and changes in project parameters as plans continue to be refined as well as those risk factors discussed in Copper Reef's public disclosure documents which are available on SEDAR at [www.sedar.com](http://www.sedar.com). Although Copper Reef has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.*
