

Voyageur Mineral Explorers Corp. Options North Star - Gold Rock Project

Toronto, Ontario--(Newsfile Corp. - June 16, 2022) - Voyageur Mineral Explorers Corp. (CSE: VOY) ("**Voyageur**" or the "**Company**") is pleased to announce that it has entered into an option agreement (the "**Option**") with Laser Gold Resources Inc. ("**Laser**"), whereby Laser may acquire a 100% interest in the Company's North Star - Gold Rock project, located 25 km west of Snow Lake, Manitoba. Pursuant to the Option, Laser may acquire the 100% interest by fulfilling the following conditions over a period of four years:

- Annual cash payments totaling \$65,000 over the four years, including \$10,000 received on signing the Option;
- Issuing such number of common shares equal to 9.9% of the issued and outstanding common shares of Laser on a fully-diluted basis after the completion of a minimum capital raise of \$950,000;
- Issuing a total of an additional \$75,000 in common shares over the third and fourth anniversaries of the Option;
- Completing exploration expenditures aggregating \$1,350,000; and
- Granting Voyageur a 2% net smelter return ("**NSR**") royalty upon the exercise of the Option.

"We are pleased to enter into this option with Laser Gold Resources and look forward to following the progress they make with the North Star - Gold Rock project," commented Fraser Laschinger, President and CEO of the Company. "It is our plan to continue to vend out our exploration projects and organically grow our royalty portfolio while McIlvenna Bay, Bigstone and Pine Bay are advanced by their respective operators."

ABOUT VOYAGEUR MINERAL EXPLORERS CORP.

Voyageur is a Canadian junior mineral exploration company with a specific focus on mineral properties in Northwest Manitoba and Northeast Saskatchewan, Canada. The Company owns a valuable package of royalties in the prolific Flin Flon greenstone belt, and has assembled a portfolio of base metal and precious metal prospects in Manitoba and Saskatchewan.

FORWARD-LOOKING INFORMATION

This news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, information with respect to the Option. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects", or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "does not anticipate", or "believes" or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might", or "will be taken", "occur", or "be achieved". Forward-looking information is based on the opinions and estimates of management at the date the information is made, and is based on a number of assumptions and is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Voyageur to be materially different

from those expressed or implied by such forward-looking information, including risks associated with the exploration, development and mining such as economic factors as they effect exploration, future commodity prices, changes in foreign exchange and interest rates, actual results of current production, development and exploration activities, government regulation, political or economic developments, environmental risks, permitting timelines, capital expenditures, operating or technical difficulties in connection with development activities, employee relations, the speculative nature of mineral exploration and development, including the risks of diminishing quantities of grades of resources, contests over title to properties, and changes in project parameters as plans continue to be refined as well as those risk factors discussed in Voyageur's public disclosure documents which are available on SEDAR at www.sedar.com. Although Voyageur has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
