On December 19, 2019, KS surrendered indirect ownership of an aggregate of 30,000,000 (the “**KS Shares**”) common shares (“**Common Shares**”) of Wolfpack pursuant to a rectification agreement with the Company. The KS Shares had been issued to 25010812 Ontario Inc. (“**KS Holdco**”). KS Holdco is a company controlled by KS, a former director and former Chief Executive Officer of Wolfpack. KS is filing this early warning report due to his indirect holdings of Common Shares decreasing below 10%.

Item 3 – Interest in Securities of the Reporting Issuer

3.1 State the designation and number or principal amount of securities acquired or disposed of that triggered the requirement to file this report and the change in the acquiror’s securityholding percentage in the class of securities.

The 30,000,000 KS Shares were surrendered, and prior to the cancellation of the KS Shares, represented approximately 14.16% of the issued and outstanding Common Shares on a non-diluted basis. The surrender of the KS Shares resulted in Mr. Smutylo directly and indirectly controlling less than 10% of the issued and outstanding Common Shares.

KS ceased to have any entitlement to the KS Shares. See item 2.2.

3.4 State the designation and number or principal amount of securities and the acquiror's securityholding percentage in the class of securities, immediately before and after the transaction or other occurrence that triggered the requirement to file this report.

Immediately prior to the transactions, KS or his affiliates were the registered holders of 32,000,000 Common Shares, representing approximately 15.11% of the outstanding Common Shares on a non-diluted basis.

KS now directly and indirectly owns and controls 2,000,000 Common Shares representing approximately 1.10% of the outstanding Common Shares on a non-diluted basis.

(a) the acquiror, either alone or together with any joint actors, has ownership and control,

Not applicable.

3.7 If the acquiror or any of its joint actors is a party to a securities lending arrangement involving a security of the class of securities in respect of which disclosure is required under this item, describe the material terms of the arrangement including the duration of the arrangement, the number or principal amount of securities involved and any right to recall the securities or identical securities that have been transferred or lent under the arrangement.

- 3.8 If the acquiror or any of its joint actors is a party to an agreement, arrangement or understanding that has the effect of altering, directly or indirectly, the acquiror's economic exposure to the security of the class of securities to which this report relates, describe the material terms of the agreement, arrangement or understanding.**

Not applicable.

Item 4 – Consideration Paid

- 4.1 State the value, in Canadian dollars, of any consideration paid or received per security and in total.**

The KS Shares were surrendered to the Company for no consideration pursuant to a rectification agreement.

- 4.2 In the case of a transaction or other occurrence that did not take place on a stock exchange or other market that represents a published market for the securities, including an issuance from treasury, disclose the nature and value, in Canadian dollars, of the consideration paid or received by the acquiror.**

See item 4.1.

- 4.3 If the securities were acquired or disposed of other than by purchase or sale, describe the method of acquisition or disposition.**

Not applicable.

Item 5 – Purpose of the Transaction

State the purpose or purposes of the acquiror and any joint actors for the acquisition or disposition of securities of the reporting issuer. Describe any plans or future intentions which the acquiror and any joint actors may have which relate to or would result in any of the following:

- (e) a material change in the present capitalization or dividend policy of the reporting issuer;**

- (f) a material change in the reporting issuer's business or corporate structure;
- (g) a change in the reporting issuer's charter, bylaws or similar instruments or another action which might impede the acquisition of control of the reporting issuer by any person or company;
- (h) a class of securities of the reporting issuer being delisted from, or ceasing to be authorized to be quoted on, a marketplace;
- (i) the issuer ceasing to be a reporting issuer in any jurisdiction of Canada;
- (j) a solicitation of proxies from securityholders;
- (k) an action similar to any of those enumerated above.

The transactions described herein were made as part of a rectification agreement to unwind transactions that had occurred in error among KS and Wolfpack. KS has no current plans or intentions that relate to or would result in the items listed in (a) through (k) above. Depending on various factors including, without limitation, the Company's financial position, the price levels of the Common Shares of the Company, conditions in the securities markets and general economic and industry conditions, the Company's business or financial condition, and other factors and conditions KS may acquire or dispose of additional securities in the future, but has no current plans or future intentions to do so.

Item 6 – Agreements, Arrangements, Commitments or Understandings With Respect to Securities of the Reporting Issuer

Describe the material terms of any agreements, arrangements, commitments or understandings between the acquiror and a joint actor and among those persons and any person with respect to securities of the class of securities to which this report relates, including but not limited to the transfer or the voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, guarantees of profits, division of profits or loss, or the giving or withholding of proxies. Include such information for any of the securities that are pledged or otherwise subject to a contingency, the occurrence of which would give another person voting power or investment power over such securities, except that disclosure of standard default and similar provisions contained in loan agreements need not be included.

Not applicable.

Item 7 – Change in Material Fact

If applicable, describe any change in a material fact set out in a previous report filed by the acquiror under the early warning requirements or Part 4 in respect of the reporting issuer's securities.

Not applicable.

Item 8 – Exemption

If the acquiror relies on an exemption from requirements in securities legislation applicable to formal bids for the transaction, state the exemption being relied on and describe the facts supporting that reliance.

The surrender to the Company of the KS Shares is exempt from formal bid requirements under section 4.7 of National Instrument 62-104 – *Take-Over Bids and Issuer Bids* as KS is a former

executive officer and director of Wolfpack and KS Holdco is a former consultant of Wolfpack and there is no published market for the Common Shares.

Item 9 – Certification

I, as the acquiror, certify, or I, as the agent filing this report on behalf of an acquiror, certify to the best of my knowledge, information and belief, that the statements made in this report are true and complete in every respect.
