About Danavation

Danavation Technologies Corp. is a Canadian-based, Internet of Things (IoT) technology company, providing micro e-paper displays to organizations across North America. The Company's Digital Smart Labels™, powered by IoT automation technology and software Platform-as-a-Service (PaaS), enables companies across various sectors to automate labelling, price, product, and promotions in real-time, enhancing data accuracy and improving performance by removing high labour costs and low productivity associated with traditional labour-intensive workflows. By empowering the adoption of smart retail, smart cities and industry 4.0, our goal is to create a sustainable and profitable business for shareholders while advancing sound environmental, social and governance practices, including by significantly reducing paper usage. Danavation has introduced its solution to retailers across North America, including big box and boutique grocers, while also targeting new markets including healthcare providers, manufacturing, and logistics companies.
