Re : Amended Management’s Discussion & Analysis
SEDAR project # 02815864 dated August 29, 2018

Dear Sirs and Mesdames,

The company has re-files amended Management’s Discussion & Analysis (‘MD&A’) for the Q3 interim period ended June 30, 2018 pursuant to technical problems in converting the original document to PDF.

The direction confirm that there is no change in the information as previously files on August 29, 2018 except for the PDF formatting of the MD&A. The original MD&A filed on SEDAR on August 29, 2018 contains 2 pages only and is incomplete. The Amended MD&A contains all 15 pages.

If you have any questions or comments, please contact the director.
