**Tanzania Minerals Announces
Proposed Reverse Takeover By Jushi Inc.**

Vancouver, British Columbia – November 5, 2018 – Tanzania Minerals Corp. [NEX: **TZM.H**] (“**Tanzania**” or the “**Company**”) is pleased to announce that it has entered into a letter agreement dated as of November 2, 2018 (the “**Letter Agreement**”) with Jushi Inc. (“**Jushi**”). The Letter Agreement outlines the proposed terms and conditions pursuant to which Tanzania and Jushi will effect a business combination that will result in a reverse takeover of Tanzania by the securityholders of Jushi (the “**Proposed Transaction**”). The Letter Agreement was negotiated at arm’s length.

Jushi and its industry leading management team is building an integrated multi-state owner and operator of cannabis licenses across the United States. Jushi is focused on continuing to build a diverse multi-state portfolio of branded cannabis assets through opportunistic investments and by internally pursuing licenses in attractive jurisdictions. Jushi strives to maximize shareholder value while delivering high quality products across all levels of the cannabis ecosystem.

Terms of the Transaction

The Proposed Transaction will be structured as an amalgamation, arrangement, takeover bid, share purchase or other similar form of transaction or a series of transactions that have a similar effect with Tanzania acquiring all voting securities of Jushi. The final structure for the Proposed Transaction is subject to satisfactory tax, corporate and securities law advice as determined by Jushi.

Completion of the Proposed Transaction is subject to a number of conditions, including receipt of all necessary shareholder and regulatory approvals, the execution of related transaction documents, approval of the NEX board of the TSX Venture Exchange (the “**NEX**”) for the delisting of the common shares of Tanzania (the “**Tanzania Shares**”) from the NEX and conditional approval of the Canadian Securities Exchange (the “**CSE**”) for the listing of the Tanzania Shares following completion of the Proposed Transaction.

In connection with the Proposed Transaction, the Company will be required to, among other things: (i) change its name to a name requested by Jushi and acceptable to applicable regulatory authorities; (ii) consolidate its outstanding Tanzania Shares on a basis to be determined; (iii) replace all directors and officers of the Company on closing of the Proposed Transaction with nominees of Jushi; and (iv) create a new class of non-participating super voting shares.

Under the Proposed Transaction, existing shareholders of the Company as of immediately prior to the completion of the Proposed Transaction would hold post-Consolidated Tanzania Shares (whose voting rights will be subordinated) with a value of \$2,660,000. Further details of the Proposed Transaction will be included in subsequent news releases and disclosure documents (which will include business and financial information in respect of Jushi) to be filed by the

Company in connection with the Proposed Transaction. It is anticipated that a special shareholder meeting of the Company to approve all required matters in connection with the Proposed Transaction and closing of the Proposed Transaction will take place in the first quarter of 2019.

The Common Shares of the Company will remain halted until all necessary filings have been accepted by applicable regulatory authorities.
