

Jushi Holdings Inc. Announces the Expiration of HSR Act Waiting Period for the Proposed Acquisition of Nature's Remedy of Massachusetts, Inc.

BOCA RATON, Fla., July 20, 2021 (GLOBE NEWSWIRE) -- [Jushi Holdings Inc.](#) ("Jushi" or the "Company") (CSE: [JUSH](#)) (OTCMKTS: [JUSHF](#)), a vertically integrated, multi-state cannabis operator announced the expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 ("the HSR Act") in respect to its proposed acquisition of Nature's Remedy of Massachusetts, Inc. and certain of its affiliates (collectively, "Nature's Remedy"), a vertically integrated single state operator in Massachusetts. The waiting period expired without a second request for information. The transaction is expected to close in late Q3 or early Q4 of 2021, subject to certain closing conditions, including final approval from the Commonwealth of Massachusetts Cannabis Control Commission.

As announced in April 2021, Jushi plans to acquire Nature's Remedy, one of 146 retail operating licenses, one of the 50 operating cultivation licenses, and one of 46 processing licenses in the Commonwealth of Massachusetts. Nature's Remedy has two operating adult-use dispensaries, strategically located near popular shopping centers and heavily trafficked highway locations in Millbury and Tyngsborough, as well as a 50,000 sq. ft. cultivation and production facility in Lakeville, MA with approximately 19,500 sq. ft. of high-quality indoor flower canopy and state-of-the-art extraction and manufacturing capabilities.

Total up front consideration of US\$100 million is comprised of US\$40.0 million in cash, US\$55.0 million in subordinate voting shares of the Company (the "Company Shares")¹ and a US\$5.0 million unsecured promissory note.² The Company has also agreed to issue up to an additional US\$10.0 million in Company Shares upon the occurrence or non-occurrence of certain conditions after the closing date (the "Additional Consideration"), bringing the total potential consideration for the Acquisition paid by the Company to US\$110 million. The purchase price (inclusive of the full US\$10.0 million of Additional Consideration) is expected to represent a multiple of approximately 4.5 to 5.0x Nature's Remedy's full year 2021 EBITDA³ and approximately 2.9 to 3.2x Nature's Remedy's full year 2022 EBITDA.³

In November 2016, Massachusetts voters passed Question 4, officially legalizing recreational cannabis for individuals 21 years of age or older. In November 2018 recreational cannabis operation sales commenced. As of May 2020, approximately two thirds of municipalities in the state have a ban or a moratorium in place that prohibits cannabis businesses according to Canaccord Genuity Equity Growth Research. Arcview: The State of Legal Cannabis Markets 8E projects the market to reach US\$1.1 billion in annual revenue by 2022. Massachusetts is the 15th most populous state in the U.S. with 7 million residents.

¹ Price per share calculation is equal to the average of the daily volume weighted average price for Company Share (in United States Dollars) on the fifteen (15) trading days immediately preceding the closing date, and which shall not be less than eighty-five percent (85%) of the closing price for a Company Share (in United States Dollars) on the trading day immediately preceding the closing date.

² The promissory note provides for cash interest payments to be made quarterly, a five-year maturity and all principal and accrued and unpaid interest due at maturity.

RECONCILIATION OF NON-IFRS FINANCIAL MEASURES**

EBITDA is a financial measure that is not defined under IFRS, does not have a standardized meaning and therefore may not be comparable to similar measures presented by other issuers. We define EBITDA as net income (loss), or "earnings", before interest, income taxes, depreciation, and amortization.

EBITDA is included as a supplemental disclosure because we believe that such measurement provides a better assessment of Nature Remedy's operations on a continuing basis by eliminating certain material non-cash items and certain other adjustments we believe are not reflective of Nature Remedy's ongoing operations and performance. EBITDA has limitations as an analytical tool as it excludes from net income as reported interest, tax, depreciation and amortization. Because of these limitations, EBITDA should not be considered as the sole measure of Nature Remedy's performance or value. The most directly comparable measure to EBITDA calculated in accordance with IFRS is operating income (loss).
