Homeland Uranium Announces Re-Filing of September, 2010 Interim Financial Statements

TORONTO, April 14, 2011 - **Homeland Uranium Inc.**, (“Homeland” or the “Company”) announces the re-filing of its unaudited interim consolidated financial statements for the three and nine month period ended September 30, 2010. The only change in the re-filed financial statements from those previously published is the inclusion of required disclosure that the company’s auditors did not perform a review of the interim financial statements. Such disclosure has been made both on the cover page of the re-filed interim financial statements and in expanded discussion under the sub-title “Interim Financial Statements” included in Note 1. In all other respects, the financial position, results of operations and cash flows and related note disclosures in the re-filed unaudited interim consolidated financial statements for the three and nine months ended September 30, 2010 are unchanged from the interim financial statements as originally published.

Homeland Uranium Inc. is a Canadian-based mineral resource company focused on uranium with its flagship property in Niger. For more information about Homeland, please visit the Company’s website: www.homelanduranium.com.

This news release may contain forward-looking statements that are based on the Company’s expectations, estimates and projections regarding its business and the economic environment in which it operates. These statements are not guarantees of future performance and involve risks and uncertainties that are difficult to control or predict. Therefore, actual outcomes and results may differ materially from those expressed in these forward-looking statements and readers should not place undue reliance on such statements. Statements speak only as of the date on which they are made, and the Company undertakes no obligation to update them publicly to reflect new information or the occurrence of future events or circumstances, unless otherwise required to do so by law.
