

This is the form required under section 6.1 of National Instrument 45-106 for a report of exempt distribution by non-investment fund issuers (the Form).

## Instructions

### 1. Working with the Form:

- a. Click on the "Save" button, located at the upper right corner of the Form, to save a copy of the Form at any time. When you first save the Form, a link to the saved Form will be emailed to you. The link to the saved Form will remain active for ten days. You can print a copy of the Form or email the link to others for review.
- b. Item 4 of the Form requires information to be provided in Schedule I about each purchaser. We have included provided Schedule I in a separate Excel template. You must complete the Schedule I template separately and then attach it to the Form when you file the Form electronically. Providing this information in a spreadsheet will allow you to save it and work on it at your convenience. Once you have completed the template you must attach it and submit it with the Form. We suggest that you download the Schedule I template to your computer before you begin working on the Form. Click on the link to the Schedule I template on the next page to open a copy and save a copy to your computer.
- c. Item 8 of the Form requires information on commissions and finder's fees to be included in a table. If you have a large amount of information to disclose under this item, you may choose to include it in the attached Excel template. Providing this information in a spreadsheet will enable you to save it and work on it at your convenience. Once you have completed the template you must attach it and submit it with the Form. Click on the commissions and finder's fee template on the next page to download and save a copy to your computer.
- d. For both schedules, you should save the spreadsheets to your computer and work on them at your convenience before uploading them to the Form. We have included these spreadsheets at the beginning of the Form so that you can complete them first, since they may be time consuming to prepare.
- e. Please use the arrow keys at the top and bottom of each page in order to move backwards or forwards through the Form. Do not use the 'Back' and 'Forward' buttons on your Internet browser or you will be redirected out of the Form and have to start filling out the Form all over again.
- f. If you want to print a copy of the saved Form from the link that has been sent to you, please use the print button provided, rather than choosing "file, print" from your browser menu.
- g. Items noted with a red asterisk are mandatory fields.
- h. In items 6, 7 and 8 you may add (or remove) information by clicking on the "add" or "del" buttons as appropriate.
- i. Other jurisdictions may be willing to accept a print out of the Form if you are required to file the Form under local securities legislation. This is a reminder that if an exempt distribution is made in British Columbia, filers may have to file a Form 45-106F6 - *British Columbia Report of Exempt Distribution*.
