

Atlas Global Brands Provides Update of CCAA Proceedings

CHATHAM, ONTARIO and TEL-AVIV, ISRAEL / Executive Business Services / June 28, 2024 – Atlas Global Brands Inc. (“**Atlas Global**” or the “**Company**”) (CSE: ATL), today announces that on June 27, 2024, the stay imposed as of June 21, 2024 was extended until June 28, 2024, to allow for further negotiation between the Company and certain of its secured creditors. The remaining terms of the order, described below and granted on June 21, 2024 remain in place.

As previously announced, on June 21, 2024, the Company and its subsidiaries: GreenSeal Cannabis Company, Ltd. (“**GreenSeal**”), GreenSeal Nursery, Ltd., AgMedica BioScience Inc., Wellworth Health Corp., 5047346 Ontario Inc., 8050678 Canada Inc. Tavivat Naturals Inc. (together with the Company, collectively, the “**Atlas Group**”) have been granted an initial order under the *Companies’ Creditors Arrangement Act* (the “**CCAA**”), giving it an opportunity to restructure its business and financial affairs (the “**Order**”).

The comeback hearing, at which the Atlas Group intends to seek, among other relief, an Amended and Restated Initial Order, an extension of the stay of proceedings, and interim financing that would allow the Atlas Group to stabilize its operations, consider possible transactions, and emerge from the CCAA Proceedings as a going concern, will occur today, on June 28, 2024 (the “**Comeback Hearing**”).

One of the Company’s creditors, Stoke Canada Finance Corp., has not withdrawn its application to have a receiver appointed over GreenSeal’s receivables and related assets. In addition, another secured creditor, Your Neighborhood Credit Union, has also made application to have a receiver appointed over all the assets of GreenSeal. Unless withdrawn, those applications will be heard at the Comeback Hearing.

The Company however continues to believe that the protection afforded by the CCAA will allow the Atlas Group to stabilize operations in order to consider potential restructuring transactions that would benefit all stakeholders, including the sale of all or substantially all of the business or assets of the Atlas Group through a court-supervised sales process.
