

Cuoro Resources to exhibit at the PDAC 2012

VANCOUVER, BRITISH COLUMBIA – March 1, 2012. CuOro Resources Corporation (TSX-V: CUA; FSE: 6BC) (“CuOro” or the “Company”) is pleased to announce that it will be exhibiting at the 2012 Prospectors & Developers Association of Canada (PDAC) International Convention, Trade Show & Investors Exchange.

CuOro invites all interested parties to visit us at booth # 2947 in the Investors Exchange for the opportunity to meet with management and receive an update on the company's activities.

PDAC 2012 takes place from March 4 to March 7 at the Metro Toronto Convention Centre, South Building. For more information, visit www.pdac.ca.

About CuOro Resources

CuOro Resources (TSX-V: CUA) is a Canadian publicly-listed exploration company currently developing two projects in Colombia. The company flagship Santa Elena Copper project, located in Antioquia hosts potential high-grade near surface VMS deposits. The current 25,000m drill program is well underway with 42 drill holes totaling 8,000m of drilling completed, with recent results returning assays of 102.9 m at 1.44% Cu including 14 m at 2.9% copper. The Company is managed by an experienced and technical management team residing in Medellin, Colombia and is well capitalized with \$17M in the treasury. The long-term growth strategy is to continue identifying and acquiring new assets in South America with a focus on copper and gold, and the commitment to upholding the highest environmental and social standards.

On Behalf of the Board of Directors of CuOro,

Robert Sedgemore , President & CEO
