**SHAREHOLDER NEWS RELEASE**

Vancouver, British Columbia – June 13, 2014 **Planet Mining Exploration Inc.** (the “**Company**”) (**TSX.V: PXI**) is issuing this news release with respect to the filing of an Early Warning Report pursuant to National Instrument 62-103. *The Early Warning System and Related Take-Over Bid and Insider Reporting Issues* and Multilateral Instrument 62-104 *Take-Over Bids and Issuer Bids*.

Through a series of purchases, the Company has acquired a total of 5,502,500 common shares of reporting issuer, Rockshield Capital Corp. (“**Rockshield**”). The common shares were acquired by way of open market purchases.

As a result of the common shares purchased, the Company holds a total of 5,502,500 common shares of Rockshield, or approximately 18.02% of such common shares outstanding in the share capital of Rockshield.

The purchase of the common shares was made for investment purposes. The Company may, depending on market and other conditions, increase or decrease its beneficial ownership of Rockshield’s securities, subject to general market conditions.

This news release is issued pursuant to the early warning report requirements of applicable securities laws in Canada, which also require a report to be filed on SEDAR, containing additional information with respect to the foregoing matters. An Early Warning Report respecting this acquisition has been filed on the System for Electronic Document Analysis and Review (“**SEDAR**”) under Rockshield’s profile and can be viewed at [www.sedar.com](http://www.sedar.com).
