MANAGEMENT INFORMATION CIRCULAR

(Containing information as at October 3, 2017, unless otherwise stated)

SOLICITATION OF PROXIES

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

In this Management Information Circular, references to the “**Company**”, “**Rockshield**” “**we**” and “**our**” refer to Rockshield Capital Corp. “**Common Shares**” means common shares without par value in the capital of the Company. “**Beneficial Shareholders**” means shareholders who do not hold shares in their own name and “**intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

APPOINTMENT OF PROXYHOLDERS

The individuals named in the accompanying form of proxy (the “**Proxy**”) are directors and/or officers of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

VOTING BY PROXYHOLDER

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders may choose one of the following options to submit their proxy and returning it to the Company’s transfer agent, **Computershare Investor Services Inc. (the “Transfer Agent”), Proxy Department, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1**, ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

BENEFICIAL SHAREHOLDERS

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "intermediary"). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners – those who object to their name being made known to the issuers of securities which they own (called "OBOs" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for Non-Objecting Beneficial Owners).

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form ("**VIF**") in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting, and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted at the Meeting and to vote your Common Shares at the Meeting.**

REVOCATION OF PROXIES

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to delivered to the head office of the Company located at Suite 1305, 1090 West Georgia Street, Vancouver, British Columbia V6E 3V7 (Attention: Corporate Secretary), at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the appointment of auditors. Directors and senior officers may, however, be interested in the general authorization granted to the directors with respect to stock options to insiders as detailed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of the Company consists of an unlimited number of Common Shares without par value. As at October 3, 2017 (the "**Record Date**"), the Company had 45,912,855 Common Shares issued and outstanding.

Only shareholders of record at the close of business on the Record Date who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their shares voted at the Meeting.

On a show of hands, every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each Common Share registered in that shareholder's name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at the Transfer Agent and will be available at the Meeting. **Shareholders represented by proxy holders are not entitled to vote on a show of hands.**

To the knowledge of the directors and senior officers of the Company, no persons or companies beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company as of the close of business on October 3, 2017.

ELECTION OF DIRECTORS

The term of office of each of the present directors expires at the Meeting. The persons named below will be presented for election at the Meeting as management's nominees and the persons named by management as proxyholders in the accompanying form of proxy intend to vote for the election of these nominees. Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual general meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated in

accordance with the Articles of the Company or the provisions of the *Business Corporations Act* (British Columbia) (the "BCBCA").

Stock Option Plan and Other Incentive Plans

The Company has in place a Directors' and Officers' Deferred Share Unit Plan (the "**DSU Plan**") and a Fixed Share Option Plan ("the **Option Plan**") (collectively the "**Incentive Plans**"). The Incentive Plans, as described below, were adopted by the Board on October 24, 2016 and approved by the shareholders on November 23, 2016.

Deferred Share Unit Plan

The DSU Plan was put in place to assist the Company in the recruitment and retention of qualified persons to serve on the Board or as senior management of the Company and, through the issuance by the Company of Common Shares under the DSU Plan, to better align the interests of directors and officers with the long-term interests of Shareholders.

The Board, or a committee of the Board appointed for the express purpose of administering remuneration of the directors and senior officers of the Company, intends to use deferred share units ("**DSUs**") issued under the DSU Plan, as well as stock options issued under the Company's Option Plan (see "*Fixed Share Option Plan*" below), as part of the

Company's overall director compensation. Since the value of DSUs increase or decrease with the price of the Company's Common Shares, DSUs reflect a philosophy of aligning the interests of directors with those of the Shareholders by tying compensation to share price performance.

The Board designates which of the Company's directors and officers are eligible to participate in the DSU Plan ("**Participants**"), and the Board, or a committee of the Board, shall administer the DSU Plan.

Payment of DSUs

The DSU Plan provides that the annual compensation amount (the "**Annual Base Compensation**") payable to Participants under the DSU Plan, as determined from time to time by the Board, will be reported annually in the Company's management information circular. The Annual Base Compensation is payable quarterly, such payments to be pro-rated if Board service commences or terminates during the fiscal quarter.

Participants may elect to receive DSUs up to 100% of his or her Annual Base Compensation. All DSUs granted with respect to Annual Base Compensation will be credited to the individual Director's or Officer's DSU Account when such Annual Base Compensation is payable (the "**Grant Date**"). The Director's or Officer's DSU Account will be credited with the number of DSUs calculated to the nearest thousandth of a DSU, determined by dividing the dollar amount of compensation payable in DSUs on the Grant Date by the Share Price. The Share Price is the average of the five (5) closing trade prices of the Common Shares on the CSE over the five (5) consecutive trading days immediately preceding (a) in the case of a Grant, the date when all DSUs granted with respect to Annual Base Compensation to be credited to the Director's or Officer's Account when such Annual Base Compensation is payable, or (b) in the case of a redemption, the Redemption Date, as applicable, or in the event such Common Shares are not traded on the CSE, the fair market value of such Common Shares as determined by the Board acting in good faith. Fractional Common Shares will not be issued and any fractional entitlements will be rounded down to the nearest whole number.

In addition, the Board may award such additional number of DSUs to a Participant as the Board deems advisable to provide the Participant with appropriate equity-based compensation for the services he or she renders to the Company, and the date of granting of such additional DSUs and of crediting same to an account for the Participant (the "**Participant's Account**") shall be determined by the Board.

Redemption

Each Participant shall be entitled to redeem his or her DSUs during the period commencing on the business day immediately following the Termination Date, being the date upon which the Participant ceases to hold any position as a director of the Company and its subsidiaries, including in the event of death, or retirement, or loss of office of the Participant; and ending on the 90th day following the Termination Date by providing a written notice of redemption to the Company. In the case of a U.S. Eligible Participant the redemption will be deemed to be made on the earlier of: (i) "separation from service" within the meaning of Section 409A of U.S. Internal Revenue Codes, or (ii) within 90 days of the U.S. Eligible Participant's death.

All redemptions under the DSU Plan shall require the Company to provide to the Participant: (i) subject to shareholder approval of the DSU Plan and the maximum Common Share limits of the DSU Plan, a number of Common Shares issued from treasury equal to the number of DSUs in the Participant's Account, net of any applicable deductions and withholdings; (ii) subject to and in accordance with any applicable governing statutes and regulatory requirements, a number of Common Shares purchased by an independent administrator of the DSU Plan in the open market for the purposes of providing Common Shares to Participants equal in number to the DSUs in the Participant's Account, net of any applicable deductions and withholdings; (iii) payment of a cash amount to a Participant equal to the number of DSUs multiplied by the Share Price, net of any applicable deductions and withholdings; and (iv) any combination of the above, as determined by the Company, in its sole discretion. All amounts payable to, or in respect of a Participant under the DSU Plan shall be paid on or before October 31 of the calendar year commencing immediately after the Participant's Termination Date.

Maximum Number of Common Shares Issued

The maximum number of DSUs that may be granted and outstanding pursuant to the DSU Plan is 4,552,785 DSUs being 10% of the issued and outstanding Common Shares of the Company as of the effective date of the DSU Plan, such that the maximum number of Common Shares issuable pursuant to all security based compensation arrangements,

including to Insiders, shall not exceed 20% of the total number of Common Shares issued and outstanding from time to time. The maximum number of Common Shares issued to Insiders pursuant to the DSU Plan, together with any Common Shares issued pursuant to any other security based compensation arrangement, within any one year period, shall not exceed 4,552,785 Common Shares.

Alterations to the Number of Shares Subject to the DSU Plan

In the case of any substitution, change or adjustments contemplated under the DSU Plan, such as a subdivision, a consolidation, or a distribution of Common Shares or changes to the number of Common Shares resulting from a reorganization of the Company, the variation shall generally require that the number of DSUs then recorded in the Participant's Account prior to such substitution, change or adjustment will be proportionately and appropriately varied.

Amendments to the DSU Plan

Until shareholder approval of the DSU Plan, and any issuances from treasury as contemplated under the DSU Plan is obtained, the DSU Plan may be amended, suspended or terminated at any time by the Board in whole or in part. No amendment of the DSU Plan shall, without the consent of the Participants affected by the amendment, or unless required by Applicable Law, adversely affect the rights accrued to such Participants with respect to DSUs granted prior to the date of the amendment.

Following disinterested shareholder approval of the DSU Plan, and of any issuances from treasury as contemplated in the DSU Plan, the Board may at any time, and from time to time, and without shareholder approval, amend any provision of the DSU Plan, subject to any regulatory or stock exchange requirement at the time of such amendment, including, without limitation:

- (a) for the purposes of making formal minor or technical modifications to any of the provisions of the DSU Plan including amendments of a "clerical" or "housekeeping" nature;
- (b) to correct any ambiguity, defective provision, error or omission in the provisions of the DSU Plan including amendments of a "clerical" or "housekeeping" nature;
- (c) amendments to the termination provisions of the DSU Plan;
- (d) amendments necessary or advisable because of any change in Application Laws;
- (e) amendments to the transferability of DSUs provided for in the DSU Plan;
- (f) amendments relating to the administration of the DSU Plan;
- (g) any other amendment, fundamental or otherwise, not requiring shareholder approval under Applicable Laws;

provided, however, that:

- (h) no such amendment of the DSU Plan may be made without the consent of each affected Participant in the DSU Plan if such amendment would adversely affect the rights of such affected Participant(s) under the DSU Plan; and
- (i) shareholder approval shall be obtained in accordance with the requirements of the CSE for any amendment:
 - (i) in order to increase the maximum number of DSUs which may be issued under the DSU Plan (other than pursuant to the adjustment provisions of the DSU Plan);
 - (ii) to the amendment provisions set out in the DSU Plan; or
 - (iii) to the definition of "Participant".

 - (iii) if the Company becomes listed or quoted on a stock exchange or stock market senior to the CSE, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
 - (iv) it may make such amendments as reduce, and do not increase, the benefits of this Option Plan to Service Providers
- (m) Amendments Requiring Disinterested Shareholder Approval - The Company will be required to obtain disinterested shareholder approval prior to any of the following actions becoming effective:

The Option Plan, together with all of the Company's other previous Share Compensation Arrangements, could result at any time in:

Notwithstanding provisions in the Option Plan, the tenth Business Day period referred to in this Option Plan may not be extended by the Board.

Oversight and Description of Director and NEO Compensation

Compensation, Philosophy and Objectives

The Board of Directors of the Company (the “**Board**”) meets to discuss and determine management compensation, without reference to formal objectives, criteria or analysis. The general objectives of the Company’s compensation strategy are to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management’s interests with the long-term interests of shareholders; and (c) ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is an investment company without a history of earnings.

The Board, as a whole, ensures that total compensation paid to all Named Executive Officers (or NEOs), as hereinafter defined, is fair and reasonable. The Board as a whole recommends levels of executive compensation that are competitive, motivating and commensurate with the time spent by executive officers in meeting their obligations. While the Board does not have direct experience related to executive compensation, the Board relies on their experience as officers and directors with other public companies in assessing compensation levels.

Analysis of Elements

Base salary is used to provide the Named Executive Officers a set amount of money during the year with the expectation that each Named Executive Officer will perform his responsibilities to the best of his ability and in the best interests of the Company.

The Company considers the granting of DSUs and Options to be a significant component of executive compensation as it allows the Company to reward each NEO’s efforts to increase value for shareholders without requiring the Company to use cash from its treasury. DSUs and Options can be awarded to executive officers at the commencement of employment and periodically thereafter. The terms and conditions of the Company’s DSU and Option grants, including vesting provisions and exercise prices, are governed by the terms of the Company’s DSU Plan and Option Plan. Descriptions of the significant terms of the DSU Plan and Option Plan are found under the heading “*Stock Option Plan and Other Incentive Plans*”.

The Company does not determine executive compensation based on the share price performance. Overall the salaries or consulting fees payable to the NEOs, in particular to the Company’s CEO, have been determined in order to provide competitive levels of compensation necessary to attract and maintain executive talent.

The Board has considered the implications of the risks associated with the Company's compensation practices. Salary compensation to the Named Executive Officers is provided for under verbal understandings or written consulting agreements with the Named Executive Officers or management companies under their control.

Risks Associated with the Company's Compensation Practices

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors have purchased such financial instruments.

Base Salary or Consulting Fees

The Company commenced operations in a new industry in 2014 and, at this time, given the Company's current status, has established low base level compensation. There are no agreements in place at this time. The Company has determined to review compensation arrangements over the coming year.

Benefits and Perquisites

The Company does not, as of the date of this Information Circular, offer any benefits or perquisites to its NEOs other than potential grants of DSUs and incentive stock options as otherwise disclosed and discussed herein.

Hedging by Named Executive Officers or Directors

The Company has not, to date, adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by executive officers or directors. As of the date of this Information Circular, entitlement to grants of DSUs and Options are the only equity security element awarded by the Company to its executive officers and directors (see "*Stock Option Plan and Other Incentive Plans*").

Termination and Change of Control Benefits

The Company does not have in place any compensatory plan, severance pay provisions or other arrangement with any NEO as of the financial year ended November 30, 2016 that would be triggered by the resignation, retirement or other termination of employment of such officer, resulting from a change of control of the Company or change in the executive's responsibilities following any such change in control.

Pension Plan Benefits

The Company does not have any form of pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement. The Company does not have any form of deferred compensation plan.

Exemption

The Company is currently a "Venture Issuer", as defined in Section 1.1 of NI 52-110. Accordingly, in providing the disclosure contained herein, the Company is relying upon the exemption in Section 6.1 of NI 52-110 (which is available to all Venture Issuers).

CORPORATE GOVERNANCE PRACTICE

National Instrument 58-101, *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose their governance practices in accordance with that instrument. The Company is a “venture issuer” within the meaning of NI 58-101.

The Board has adopted certain corporate governance policies to reflect the Company’s commitment to good corporate governance, and to comply with NI 58-101, Form 58-101F2 - *Corporate Governance Disclosure (Venture Issuers)* and National Policy 58-201 - *Corporate Governance Guidelines*. The Board periodically reviews these policies and proposes modifications to the Board for consideration as appropriate. The Company considers good corporate governance to be central to the effective and efficient management and operation of the Company, and the Board is directly responsible for developing the Company’s approach to corporate governance issues. A discussion of the Company’s governance practices within the context of NI 58-101 is set out below:

Statement of Corporate Governance Practices

Corporate governance relates to the activities of the board of directors of the Company (the “**Board**”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices which are both in the interest of its shareholders and contribute to effective and efficient decision making. National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.

Board of Directors

The Board is of the view that maintaining effective corporate governance practices is an important factor which contributes to the general success of the Company. The Board is responsible for the supervision of the Company’s business and affairs.

As of the date hereof, the Board is composed of six (6) directors, Messrs. Dave Doherty, Nick DeMare, Marc Cernovitch, Luke Norman, Frank Taggart and Ms. Zula Kropivnitski. The independent members of the Board are Messrs. Cernovitch, Norman, Taggart and Ms. Kropivnitski, within the meaning of National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) adopted by the Canadian Securities Administrators. The non-independent members of the Board are Mr. Doherty (CEO and President) and Mr. DeMare (CFO). Messrs. Doherty and DeMare have been determined to be non-independent within the meaning of NI 58-101 by virtue of their positions with the Company.

The Board is of the opinion that its proposed size is adequate, given the purpose of the Company, and will further the efficiency of its deliberations, while ensuring a diversity of opinion and experience. The Company believes that each and every current and proposed director is eager to fulfil his obligations and assume his responsibilities in the best interests of the Company and of all the shareholders and not in the best interests of himself or a particular group of shareholders.

The Board facilitates its independent supervision over management by conducting a quarterly review of the Company’s financial statements and management discussion and analysis as well as requiring material transactions to be approved by the Board prior to the transaction taking place.

The independent directors did not hold any regularly scheduled meetings during the year ended November 30, 2016, at which non-independent directors and members of management were not in attendance. To facilitate open and candid discussion among its independent directors, at Board meetings, as applicable, non-independent directors have been asked to leave the meeting. In addition, any item which could involve a potential conflict of interest among one or more directors is voted on by those directors that are not related to the conflict in question. It is anticipated that independent directors’ meetings will be held as deemed appropriate during the current financial year.

Ethical Business Conduct

The Board has adopted a written Code of Business Ethics and Conduct (the "**Code**") intended to document the principles of conduct and ethics to be followed by the employees, officers, directors and consultants of the Company and its subsidiaries. The Code provides guidance to employees, officers, directors and consultants of the Company and its subsidiaries on how to conduct the Company's business and to identify critical issues requiring ethical and legal consideration. The Code is designed to help prevent and detect unethical behaviour and/or potential conflicts of interest. Specifically, it deals with fostering a non-discriminatory work environment, dealing with third party relationships, legal compliance, confidential information and records, use of the Company's property and assets, reporting violations of the Code and the review process for the Code.

The Company also has adopted a written Whistleblower Policy (the "**Whistleblower Policy**") which establishes procedures for dealing with submissions related to complaints and violations of, among other things, the Code. The Code has been filed under the Company's profile on SEDAR at www.sedar.com.

Nomination of Directors

The Corporate Governance and Nominating Committee has the responsibility for identifying potential Board candidates. It monitors and assesses the mix of skills and competencies required in order for the Board to fulfil its role effectively. Representatives of the mining industry are also consulted for possible candidates. In addition, the Corporate Governance and Nominating Committee discusses with each individual Board member his intention to continue to serve as a Board member in order to plan and prepare for succession at the Board level in a seamless manner.

Compensation

While the Company does not have a compensation committee, the independent directors of the Board will review the compensation that may be payable to the executive officers and other key employees from time to time. Currently, no compensation, other than the grant of options, is paid to the directors of the Company in their capacity as directors. The allocation of options is made by the Board as a whole. The Board approves levels of executive compensation that are competitive and motivating in order to attract, hold and inspire the executive officers and other key employees. The Board reviews all compensation arrangements for the executive officers of the Company including salaries and equity based compensation plans. The Board ensures that the compensation paid to the Company's directors, executive officers and other key employees is comparable to compensation paid by other reporting issuers having operations of a similar nature and size, to ensure that such compensation is fair and reasonable from an objective standpoint.

Other Board Committees

The Board has no standing committees other than the audit committee. The Board is satisfied that in view of the size and composition of the Board, it is more efficient and cost effective for the full board to perform the duties that would be required by standing committees, other than the audit committee.

Assessments

The Corporate Governance and Nominating Committee is responsible for assessing the effectiveness and contributions of the Board as a whole, its committees and individual directors.

ANY OTHER MATTERS

Management of the Company knows of no matters to come before the Meeting other than those referred to in the Notice of Annual and Special Meeting accompanying this Information Circular. However, if any other matters properly come before the Meeting, it is the intention of the persons named in the form of proxy accompanying this Information Circular to vote the same in accordance with their best judgment of such matters.
