TORONTO, August 24, 2012 -- Canadian Orebodies Inc. (TSXV: CO) ("Canadian Orebodies" or the "Company") is pleased to announce that it has closed on its final tranche of a non-brokered private placement (the "Financing") for gross proceeds of \$1,000,000 through the sale of 5,000,000 "flow-through" units of the Company (each, a "Flow-Through Unit") at a price of \$0.20 per Flow-Through Unit.

Each Flow-Through Unit is comprised of one Common Share issued on a "flow-through" basis pursuant to the Income Tax Act (Canada) and one-half of one Common Share purchase warrant of the Company (each such whole Common Share purchase warrant, a "Warrant"). The expiry date of the Warrants may be accelerated, at the option of the Company, if the closing price of the Common Shares on the TSX Venture Exchange exceeds \$0.40 for a period of 20 consecutive trading days commencing on the date that is four months and one day after the Closing Date by giving notice to the holders thereof, in which case the Warrants will expire on the twentieth business day after the date on which such notice is given by the Company.

The Company paid no cash finders' fees and no finders options were granted in accordance with this closing.

The securities issued by the Company in connection with this offering are subject to a statutory hold period which expires on December 25, 2012.
