**MANAGEMENT INFORMATION CIRCULAR**  
**SOLICITATION OF PROXIES**

**THIS INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF CANADIAN OREBODIES INC.** (the “**Corporation**”) of proxies to be used at the annual and special meeting of shareholders (the “**Meeting**”) of the Corporation to be held at the time and place and for the purposes set forth in the enclosed notice of Meeting (the “**Notice of Meeting**”). While it is expected that the solicitation will be primarily by mail, proxies may also be solicited personally by regular employees of the Corporation at nominal cost. The cost of solicitation by management will be borne directly by the Corporation. The information contained herein is given as at June 9, 2011, unless indicated otherwise.

The Corporation may pay the reasonable costs incurred by persons who are the registered but not beneficial owners of common shares of the Corporation (the “**Common Shares**”) (such as brokers, dealers, other registrants under applicable securities laws, nominees and/or custodians) in sending or delivering copies of the Notice of Meeting, this information circular (the “**Information Circular**”) and the form of proxy (collectively, the “**Meeting Materials**”) to the beneficial owners of such Common Shares. The Corporation will provide, without cost to such persons, upon request to the Secretary of the Corporation, additional copies of the Meeting Materials required for this purpose.

**NON-REGISTERED HOLDERS**

Only registered holders of Common Shares at the close of business on June 8, 2011 (the “**Shareholders**”) or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either: (i) in the name of a nominee such as an intermediary (an “**Intermediary**”) with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 - *Communication With Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Corporation will have distributed copies of the Meeting Materials to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders. Non-Registered Holders will be given, in substitution for the proxy otherwise contained in Meeting Materials, a request for voting instructions (the “**voting instructions form**”) which,

when properly completed and signed by the Non-Registered Holder and returned to the Intermediary, will constitute voting instructions which the Intermediary must follow.

The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives the voting instructions form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should so indicate in the place provided for that purpose in the voting instructions form and a form of legal proxy will be sent to the Non-Registered Holder by the applicable Intermediary. **In any event, Non-Registered Holders should carefully follow the instructions of their Intermediary set out in the voting instructions form.**

### **APPOINTMENT AND REVOCATION OF PROXIES**

The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER, TO REPRESENT HIM, HER OR IT AT THE MEETING MAY DO SO** either by crossing out the names of the management nominees and inserting the name of the shareholder's appointee in the blank space provided in the form of proxy or by completing another proper form of proxy and, in either case, depositing the completed proxy at the office of the Corporation's transfer agent and registrar, Equity Financial Trust Company, by mail to **Suite 400, 200 University Avenue, Toronto, Ontario, M5H 4H1** or by fax to **(416) 595-9593**, not later than 48 hours (excluding Saturdays, Sundays and holidays in the Province of Ontario) before the time of the Meeting or any adjournment thereof at which the proxy is to be used.

A Shareholder who has given a proxy has the power to revoke it as to any matter on which a vote has not already been cast pursuant to the authority conferred by such proxy and may do so either:

1. by delivering another properly executed form of proxy bearing a later date and depositing it as described above;
2. by depositing an instrument in writing revoking the proxy executed by such Shareholder or by the Shareholder's attorney authorized in writing:
  - (a) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or
  - (b) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
3. in any other manner permitted by law.

Only a registered shareholder of the Corporation has the right to revoke a proxy. A Non-Registered Holder who wishes to change his, her or its vote must arrange for the Intermediary to

revoke the proxy on his, her or its behalf in accordance with the instructions of such Intermediary set out in the voting instructions form.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

### **EXERCISE OF DISCRETION BY PROXIES**

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Common Shares represented by the proxy shall be voted accordingly. **WHERE NO CHOICE IS SPECIFIED, THE PROXY WILL CONFER DISCRETIONARY AUTHORITY AND WILL BE VOTED FOR THE ELECTION OF DIRECTORS, THE APPOINTMENT OF AUDITORS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, AND FOR EACH ITEM OF SPECIAL BUSINESS AS STATED ELSEWHERE IN THIS INFORMATION CIRCULAR. THE ENCLOSED FORM OF PROXY ALSO CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE WITH RESPECT TO ANY AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING IN SUCH MANNER AS SUCH NOMINEE IN HIS JUDGMENT MAY DETERMINE.** As at the date of this Information Circular the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

### **VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

The Corporation shall make a list of all Shareholders at the close of business on June 8, 2011 (the “**Record Date**”) and the number of Common Shares registered in the name of each such person on that date. Each Shareholder is entitled to one vote for each Common Share registered in his, her or its name as it appears on the list.

The authorized capital of the Corporation consists of an unlimited number of Common Shares. As at the Record Date, 81,983,876 Common Shares were issued and outstanding.

The by-law of the Corporation provides that a quorum for the transaction of business at any meeting of shareholders shall be at least two persons present at the Meeting in person or represented by proxy, entitled to vote at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as of the Record Date, the following company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to any class of outstanding voting securities of the Corporation.

Name	Type of Ownership	Number of Common shares held	Percentage of common shares held
Pinetree Capital Ltd	Of record	10,000,000	12.20%

## EXECUTIVE COMPENSATION

The purpose of this Compensation Discussion and Analysis (“**CD&A**”) is to provide information about the Corporation’s executive compensation philosophy, objectives, and processes and to discuss compensation decisions relating to the Corporation’s senior leaders, being the two identified named executive officers (the “**NEOs**”) during the financial year ended January 31, 2011. The NEOs who are the focus of the CD&A and who appear in the compensation tables of this Information Circular are Gordon S. McKinnon, President and Chief Executive Officer of the Corporation (the “**CEO**”), Joseph Heng, the Chief Financial Officer and Secretary of the Corporation (the “**CFO**”) and Stephen Gledhill, the former Chief Financial Officer and Secretary of the Corporation.

### **Board Oversight of Compensation**

Among its other duties, the Board is responsible for (i) overseeing the Corporation’s human resources policies, executive compensation, management succession and development, and equity compensation plans, and (ii) ensuring that the Corporation’s executive compensation policies and programs are competitive and reflect the long term interest of the Corporation and its shareholders. Given the size of the Corporation and the number of directors on the Board, the Board has not delegated any of the above responsibilities to a committee of the Board and performs such functions itself. In performing its duties, the Board has the authority to engage such advisors, including executive compensation consultants, as it considers necessary.

In order to ensure that the process for determining executive compensation remains objective, the Board requires that executive directors remove themselves from any deliberations or determinations relating to their own compensation. The Board considers the experience and insight of the executive directors to be an asset in the Board’s discussions and decisions relating to human resources and general compensation matters and relies on their input in matters that are not directly related to their own compensation.

### **Compensation Program**

The primary goal of the Corporation’s executive compensation program is to retain and motivate top quality individuals at the executive level. The program is designed to ensure that the compensation provided to the Corporation’s senior officers is determined with regard to the Corporation’s business strategy and objectives and financial condition, such that the financial interests of the senior officers are matched with the financial interests of the Corporation’s shareholders. The Corporation strives to ensure that the Corporation’s senior officers are compensated fairly and commensurately with their contributions to furthering the Corporation’s strategic direction and objectives.

Neither the Corporation nor the Board currently has any contractual arrangement with any executive compensation consultant who has a role in determining or recommending the amount or form of senior officer or director compensation. The Board relies on the knowledge and experience of the members of the Board and the recommendations of the CEO to set appropriate levels of compensation for senior officers.

### **Compensation Program Design**

The total compensation mix was designed on the basis of the Corporation's compensation objectives. Standard compensation arrangements for the Corporation's senior officers are composed of the following elements, which are linked to the Corporation's compensation and corporate objectives.

#### ***Base Salary***

Base salary is determined for each of the Corporation's executive officers on an individual basis, taking into consideration the individual's experience, performance and contributions to the Corporation's success and competitive industry pay practices for comparable positions with the primary goal of retaining highly qualified executives in a competitive market environment.

#### ***Stock Options***

The Board believes that stock options encourage the Corporation's executive officers to own and hold shares in the Corporation which aligns their long-term interests directly to those of the shareholders and helps to achieve the Corporation's objective of retaining highly qualified executives. Under the terms of the Corporation's stock option plan (the "**Stock Option Plan**"), the Board may propose and designate employees, including executive officers, eligible to receive options to acquire such numbers of Common Shares as the Board determines at an exercise price not less than the discounted market price determined in accordance with the terms of the Stock Option Plan.

When granting options pursuant to the Stock Option Plan, consideration is given to the exercise price of the aggregate options that would be held by an individual after the award. In determining the individual grants, the Board considers the following factors: the executive officer's relative position and performance as well as past equity grants.

The incentive stock options granted to executive officers increase in value as the market price of the Common Shares increase, thereby linking equity-based executive compensation to shareholder returns.

The Board regularly assesses the individual performance of the Corporation's executive officers. Based on these assessments, the Board makes decisions concerning the nature and scope of the equity-based compensation to be paid to the Corporation's executive officers. The criteria upon which these assessments are based reflect the Board's views as to the nature and value of the contributions made by the executive officers to the achievement of the Corporation's corporate plans and objectives. The Board generally considers option grants following the annual shareholders meeting, except in exceptional circumstances.

## **Compensation Process**

The Board has ultimate responsibility for the Corporation's compensation program and compensation decisions. The Board seeks the advice of the President and CEO and confers with the Corporation's legal counsel and CFO on matters that fall within their respective realms of responsibility in considering compensation decisions. The compensation of the President and CEO is reviewed and determined by the Board without the President and CEO. The Board reviews the performance of other senior officers with the President and CEO.

The Corporation is an exploratory stage mining company and will not be generating revenues from operations for a significant period of time, if at all. As a result, the use of traditional performance standards, such as corporate profitability, is considered by the Board to be inappropriate in the evaluation of corporate or NEO performance. The compensation of the Corporation's senior officers is based, in substantial part, on industry compensation practices, trends in the mining industry as well as achievement of the Corporation's business objectives. In determining executive compensation the Board generally relies on Board discussions without any formal objectives, criteria and analysis.

The Board uses all the data available to it to ensure that the Corporation is maintaining a level of compensation that is both commensurate with the size of the Corporation and sufficient to retain personnel it considers essential to its success. In reviewing comparative data, the Board does not engage in benchmarking for the purpose of establishing compensation levels relative to any predetermined level. Independent surveys and informal surveys prepared by the Corporation regarding compensation paid to persons occupying similar positions with mining exploration companies of comparable size and stage of development provides the Board with insight into what is considered fair compensation.

### ***Option Granting***

Typically, the Board considers option grants following the annual shareholders meeting, except in exceptional circumstances. The Board determines individual grants including the particulars with respect to all options granted to senior officers in accordance with the terms of the Stock Option Plan. In determining the nature and scope of such grants the Board considers the recommendations of the Board and the senior officer's relative position, performance and past equity grants. See "Securities Authorized for Issuance Under Equity Compensation Plans - Stock Option Plan" above for more information regarding the Stock Option Plan.

The initial term of the Red Pine Consulting Agreement will expire on July 31, 2012 and will automatically be renewed under the same terms and conditions for successive one-year periods unless re-negotiated by the parties involved. The Red Pine Consulting Agreement can be cancelled by either party at any time upon giving 60 days notice. Mr. Heng is not entitled to termination or change of control payments under the Red Pine Consulting Agreement.

## DIRECTOR COMPENSATION

The director compensation program is designed to achieve the following goals: (i) compensation should attract and retain the most qualified people to serve on the Board; (ii) compensation should align directors’ interests with the long-term interests of shareholders; (iii) compensation should fairly pay directors for risks and responsibilities related to being a director of an entity of the Corporation’s size and scope; and (iv) the structure of the compensation should be simple, transparent and easy for shareholders to understand.

Directors may receive options as compensation for their services as recommended and determined by the Board. The exercise price of such options is determined by the Board, but shall in no event be less than the discounted market price of the Common Shares at the time of the grant of the options. During the financial year ended January 31, 2011, other than as described herein, there were no standard or other arrangements pursuant to which the Corporation compensated the directors for their services in their capacity as directors, and there were no amounts paid for special assignments.

**4. Special Business – Re-Approval of the Stock Option Plan**

Shareholders will be asked to consider and, if thought appropriate, to pass an ordinary resolution, with or without variation, re-approving the Stock Option Plan.

**Purpose of the Stock Option Plan**

The Stock Option Plan is intended to benefit the Corporation as it aligns the optionees' interests with those of the shareholders of the Corporation. It enables the Corporation to attract, retain and reward personnel of appropriate experience and qualifications on a cost-effective basis by offering an opportunity for them to participate with shareholders in any increase in value of the Common Shares resulting from their efforts and thereby share in the Corporation's success. The Stock Option Plan was first approved by shareholders of the Corporation at the Corporation's annual and special meeting of shareholders on March 4, 2008. The aggregate number of Common Shares reserved for issuance under the Stock Option Plan shall not exceed 10% of the issued and outstanding Common Shares (calculated on a non-diluted basis) from time to time. The TSXV requires that "rolling" stock option plans be approved by shareholders on an annual basis. Therefore, at the Meeting, the Shareholders entitled to vote on the matter will be asked to consider, and if thought advisable, to pass an ordinary resolution re-approving the Stock Option Plan (the "**Stock Option Plan Resolution**"), the full text of which is set out below. In the event that the Stock Option Plan Resolution is not passed by the requisite number of votes cast at the Meeting, the Corporation will not have an operative stock option plan and therefore the Board will not be able to issue additional options until such time as another stock option plan is created and approved, and may consequently have difficulty attracting and retaining highly experienced and qualified personnel.

## **Resolution to Re-Approve the Stock Option Plan**

To be effective, the Stock Option Plan Resolution must receive the affirmative vote of a majority of the votes cast at the Meeting, other than votes attaching to Common Shares beneficially owned by directors and officers of the Corporation or their associates. To the best of the Corporation's knowledge, as at the date hereof, such persons and their associates own **9,494,732** Common Shares representing approximately **11.58%** of the issued and outstanding Common Shares. Accordingly, such persons and their associates will abstain from voting, and the remaining Shareholders will be asked to pass the Stock Option Plan Resolution set out below:

**“BE IT HEREBY RESOLVED as an ordinary resolution that:**

- (1) the stock option plan of Canadian Orebodies Inc. be re-approved; and
- (2) any one director or officer of Canadian Orebodies Inc. be and is hereby authorized to execute and deliver, under corporate seal or otherwise, all such deeds, documents, instruments and assurances and to do all such acts and things as such person may deem necessary or desirable to give effect to the foregoing”.

**Unless otherwise directed, it is the intention of the Corporation's management nominees to vote for the approval of the Stock Option Plan Resolution.**

## **MANAGEMENT CONTRACTS**

Other than as set out in this Information Circular, management functions of the Corporation are not to any substantial degree performed by any person other than the directors or executive officers of the Corporation.

## **INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS OF THE CORPORATION**

No executive officer, director, employee, or former executive officer, director or employee of the Corporation or any of its subsidiaries is or was indebted in respect of any purchase of securities or otherwise to the Corporation, to any subsidiary of the Corporation or to any other entity for which the indebtedness was the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or any of its subsidiaries at any time during the last completed financial year.

No person who is, or was at any time during the most recently completed financial year, a director or executive officer of the Corporation, no Nominee and no associate of any such director, executive officer or Nominee is, or at any time since the beginning of the most recently completed financial year has been, indebted to the Corporation or any subsidiary of the Corporation, or indebted to another entity, which indebtedness is, or at any time since the beginning of the most recently completed financial year has been, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the

Corporation or any of its subsidiaries, in respect of any security purchase program or any other program.

### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

No person who has been a director or executive officer of the Corporation at any time since the beginning of its last completed financial year, no Nominee and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, except as disclosed in this Information Circular.

### **INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS**

Other than as disclosed in this Information Circular, no informed person (as such term is defined in National Instrument 51-102 - *Continuous Disclosure Obligations*) of the Corporation, no Nominee and no associate or affiliate of any informed person or Nominee has or had any material interest, direct or indirect, in any transaction since the commencement of the Corporation's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries.

### **AUDIT COMMITTEE**

National Instrument 52-110 - *Audit Committees* ("NI 52-110") requires the Corporation to disclose certain information concerning the constitution of the audit committee of the Board (the "Audit Committee") and its relationship with its independent auditor, as set forth below.

#### ***Charter***

The Audit Committee is governed by its charter. A copy of the text of the Audit Committee's charter, established in accordance with NI 52-110, is included in Schedule "A" attached hereto.

#### ***Composition of the Audit Committee***

The current members of the Audit Committee are Donald D. McKinnon, Chris Hodgson and Gordon J. Cyr. Mr. Hodgson is the Chairman of the Audit Committee. Mr. McKinnon is the only member of the Audit Committee who is not "independent" within the meaning of NI 52-110. All members of the Audit Committee are "financially literate" within the meaning of NI 52-110.

The Corporation is relying upon the exemption in Section 6.1 of NI 52-110 which provides that the Corporation, as a "venture issuer", is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

### ***Education and Experience***

Each member of the Audit Committee has acted as a director or audit committee member of a number of public issuers in the past and, as such, has obtained experience that is relevant to the performance of his responsibilities as a member of the Audit Committee. As well, each member of the Audit Committee owns his own business and in such capacity has experience in the preparation, analysis and/or evaluation of financial statements generally and an understanding of internal controls and procedures for financial reporting. Given the scope and nature of the Corporation's business, its financial statements and the accounting issues arising therefrom are relatively uncomplicated. Based on the foregoing, it is the Board's conclusion that each of the members of the Audit Committee has an understanding of the accounting principles used by the Corporation to prepare its financial statements, the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves and experience in evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Corporation's financial statements.

### ***Pre-Approval Policies and Procedures***

In the event that the Corporation wishes to retain the services of the Corporation's external auditors for tax compliance, tax advice, tax planning or other non-audit services, such services must be pre-approved by the Audit Committee.

### ***Auditor Services Fees***

The following chart summarizes the aggregate fees billed by the external auditors of the Corporation for professional services rendered to the Corporation during the financial years ended January 31, 2011 ended January 31, 2010.

- (3) Aggregate fees billed for tax compliance, advice, planning and assistance with tax for specific transactions.
- (4) Aggregate fees billed in respect of administration fees of the Canadian Public Accountability Board.

### ***Audit Committee Oversight***

Since February 1, 2010, the commencement of the Company's financial year to the year ended January 1, 2011, all recommendations of the audit committee to nominate or compensate an external auditor were adopted by the Board.

### ***Reliance on Certain Exemptions***

Since February 1, 2010, the commencement of the Company's financial year ended January 31, 2011, the Company has not relied on an exemption provided under NI 52-110 whereby approval for a *de minimis* amount of non-audit services is not required, nor has the Company obtained or relied upon any exemption granted by a securities regulatory or regulator from the requirements of NI 52-110.

## **CORPORATE GOVERNANCE**

The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Corporation's shareholders but that it also promotes effective decision making at the Board level.

### ***Mandate of the Board***

The Board has responsibility for the stewardship of the Corporation. In carrying out this mandate, the Board meets regularly and a broad range of matters are discussed and reviewed for approval. These matters include overall corporate plans and strategies, budgets, internal controls and management information systems, risk management as well as interim and annual financial and operating results. The Board is also responsible for the approval of all major transactions, including equity issuances, acquisitions and dispositions, as well as the Corporation's debt and borrowing policies. The Board strives to ensure that actions taken by management correspond closely with the objectives of the Board and the Corporation's shareholders.

The Board believes that it functions independently of management. To enhance its ability to act independently of management, the Board reviews its procedures on an ongoing basis to ensure that it can function independently of management. The Board meets, as required, without management present. When conflicts do arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in National Instrument 58-101, the Board intends to convene meetings of the independent directors, at which non-independent directors and members of management are not in attendance as may be deemed necessary.

### ***Composition of the Board***

The Board consists of five directors who provide a diversity of business experience. Of these directors, Gordon S. McKinnon and Donald D. McKinnon are non-independent directors due to their current or former positions as members of management of the Corporation. Christopher D. Hodgson, John D. Harvey and Gordon J. Cyr are independent directors.

Details of directorships held by the directors in other public issuers, if any, are set out in Schedule “B” attached hereto.

In light of the suggestions contained in National Policy 58-201 - *Corporate Governance Guidelines*, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance.

#### ***Orientation and Continuing Education***

The Corporation does not have a formal process of orientation for new directors. However, at all regular Board meetings there is a discussion of the business of the Corporation which provides new and existing directors with an overview of the Corporation’s operations. From time to time, corporate officers and legal, financial and other experts are invited to attend Board meetings to describe matters in their areas of expertise.

#### ***Ethical Business Conduct***

The Corporation does not have a written code of ethics for directors and officers. All new employees are provided with an employee manual setting out their duties and responsibilities. A director with a material interest in a transaction or agreement considered by the Corporation is required to declare his interest and abstain from voting on the resolutions respecting such matters.

#### ***Other***

The Company confirms that it is not a party to any derivative actions or oppression remedy actions for the year ended January 31, 2011 and for the subsequent periods to date.

### ***Nomination of Directors***

The Board has not appointed a formal nominating committee. However any member of the Board is free to recommend additional members, as required, and the Board will consider such recommendations as a whole. Until a committee is formed, the Board as a whole will be responsible for assessing the effectiveness of the Board, the committees of the Board and the contribution of individual directors, taking into account the competencies and skills that the Board as a whole should possess as well as the competencies and skills that each director should possess.

### ***Compensation***

The Board sets the level of compensation for directors. The Board reviews directors' compensation as needed, taking into account time commitment, comparative fees, risks and responsibilities, to ensure that the amount of compensation adequately reflects the responsibilities and risks of being a director and makes adjustments as deemed necessary. See "Board Oversight of Compensation", "Compensation Program" and "Compensation Program Design" under the heading "Executive Compensation" in this Information Circular.

### ***Other Board Committees***

The Board does not have any standing committees other than the Audit Committee.

### ***Assessments***

Based upon the Corporation's size, its current state of development and the number of individuals on the Board, the Board considers a formal process for assessing regularly the effectiveness and contribution of the Board, as a whole, its committee or individual directors to be unnecessary at this time. In light of the fact that the Board and the Audit Committee meet on numerous occasions during each year, each director has significant opportunity to assess other directors. The Board plans to continue evaluating its own effectiveness on an ad hoc basis.

## SCHEDULE “A”

### CANADIAN OREBODIES INC. (the “Corporation”)

#### CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

##### I. PURPOSE

The Audit Committee is a committee of the Corporation’s board of directors (the “**Board of Directors**”). The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to the financial accounting and reporting process and internal controls for the Corporation by:

- reviewing the financial reports and other financial information before such reports and other financial information is provided by the Corporation to any governmental body or the public;
- recommending the appointment and reviewing and appraising the audit efforts of the Corporation’s external auditors and providing an open avenue of communication among the external auditors, financial and senior management and the Board of Directors;
- serving as an independent and objective party to monitor the Corporation’s financial reporting process and internal controls, the Corporation’s processes to manage business and financial risk, and its compliance with legal, ethical and regulatory requirements; and
- encouraging continuous improvement of, and fostering adherence to, the Corporation’s policies, procedures and practices at all levels.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Part III of this Charter. The Audit Committee’s primary function is to assist the Board of Directors in fulfilling its responsibilities. It is, however, the Corporation’s management which is responsible for preparing the Corporation’s financial statements and it is the Corporation’s external auditors which are responsible for auditing those financial statements.

##### II. COMPOSITION AND MEETINGS

The Audit Committee is to be comprised of such number of directors (but at least three) as determined by the Board of Directors, a majority of whom must not be employees or “officers” of the Corporation or any of its “affiliates” (as such terms are defined in the *Business Corporations Act* (Alberta)).

The members of the Audit Committee shall be appointed by the Board of Directors and serve until the next annual meeting of shareholders of the Corporation or until their successors

are duly appointed. Unless a Chairman is appointed by the full Board of Directors, the members of the Audit Committee may designate a Chairman by majority vote of the full Audit Committee membership.

The Audit Committee is to meet at least four times annually (and more frequently if circumstances require). The Audit Committee is to meet prior to the filing of quarterly financial statements to review and discuss the unaudited financial results for the preceding quarter and the related management discussion & analysis (“**MD&A**”) and is to meet prior to filing the annual audited financial statements and MD&A in order to review and discuss the audited financial results for the year and related MD&A.

As part of its role in fostering open communication, the Audit Committee should meet at least annually with management and the external auditors in separate executive sessions to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately.

The Audit Committee may ask members of management or others to attend meetings and provide pertinent information as necessary. For purposes of performing their oversight related duties, members of the Audit Committee are to be provided with full access to all corporate information and are to be permitted to discuss such information and any other matters relating to the financial position of the Corporation with senior employees, officers and external auditors of the Corporation.

A quorum for the transaction of business at any meeting of the Audit Committee is (the presence in person or by telephone or other communication equipment of) a majority of the members of the Audit Committee or such greater number as the Audit Committee may by resolution determine. If within one hour of the time appointed for a meeting of the Audit Committee, a quorum is not present, the meeting shall stand adjourned to the same hour on the second business day following the date of such meeting at the same place. If at the adjourned meeting a quorum as hereinbefore specified is not present within one hour of the time appointed for such adjourned meeting, the quorum for the adjourned meeting will consist of the members then present.

Should a vacancy arise among the members of the Audit Committee, the remaining members of the Audit Committee may exercise all of its powers and responsibilities so long as a quorum remains in office.

Meetings of the Audit Committee are to be held from time to time at such place as the Audit Committee or the Chairman of the Audit Committee may determine upon at least seven days’ prior notice to each of the members, in the regular course of the Audit Committee’s affairs, or 48 hours notice in cases where necessity requires. The notice period may be waived by a quorum of the Audit Committee. The Chairman of the Audit Committee, any member of the Audit Committee, the Chairman of the Board of Directors, the Corporation’s external auditors, or the Chief Executive Officer, Chief Financial Officer or Secretary of the Corporation is entitled to request that the Chairman of the Audit Committee call a meeting. A notice of the Audit Committee may be given verbally, in writing or by telephone, fax or other means of communication, and need not specify the purpose of the meeting.

### **III. RESPONSIBILITIES AND DUTIES**

To fulfill its responsibilities and duties, the Audit Committee shall:

10. 12. Provide insight to related party transactions entered into by the Corporation.

### **External Auditors**

Instruct the external auditors that the Board of Directors, as the shareholders' representative, is the external auditors' client.
14. Monitor the relationship between management and the external auditors, including reviewing any management letters or other reports of the external auditors and discussing and resolving any material differences of opinion between management and the external auditors.
15. Review and discuss, on an annual basis, with the external auditors all significant relationships they have with the Corporation to determine their independence.
16. Pre-approve all audit and non-audit services to be provided to the Corporation or its subsidiaries by the external auditors.
17. Oversee the work and review the performance of the external auditors and approve any proposed discharge of the external auditors when circumstances warrant. Consider with management and the external auditors the rationale for employing accounting/auditing firms other than the principal external auditors.
18. Periodically consult with the external auditors out of the presence of management about significant risks or exposures, internal controls and other steps that management has taken to control such risks, and the completeness and accuracy of the Corporation's financial statements. Particular emphasis should be given to the adequacy of internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.
19. Ensure that the external auditors report directly to the Audit Committee, ensure that significant findings and recommendations made by the external auditors are received and discussed with the Audit Committee on a timely basis and arrange for the external auditors to be available to the Audit Committee and the full Board of Directors as needed.
20. Review and approve the Corporation's hiring policies regarding partners, employees and former partners and employees of the Corporation's external auditors.

### **Financial Reporting Processes**

21. In consultation with the external auditors, review the integrity of the Corporation's financial reporting processes, both internal and external.

22. Consider the external auditors' judgments about the quality and appropriateness, not just the acceptability, of the Corporation's accounting principles and financial disclosure practices, as applied in its financial reporting, particularly about the degree of aggressiveness or conservatism of its accounting principles and underlying estimates and whether those principles are common practices.
23. Consider and approve, if appropriate, major changes to the Corporation's accounting principles and practices as suggested by management with the concurrence of the external auditors and ensure that management's reasoning is described in determining the appropriateness of changes in accounting principles and disclosure.

### **Process Improvement**

24. Establish regular and separate systems of reporting to the Audit Committee by each of management and the external auditors regarding any significant judgments made in management's preparation of the financial statements and the view of each as to appropriateness of such judgments.
25. Review the scope and plans of the external auditors' audit and reviews prior to the audit and reviews being conducted. The Audit Committee may authorize the external auditors to perform supplemental reviews or audits as the Audit Committee may deem desirable.
26. Following completion of the annual audit and quarterly reviews, review separately with management and the external auditors any significant changes to planned procedures, any difficulties encountered during the course of the audit and reviews, including any restrictions on the scope of work or access to required information and the cooperation that the external auditors received during the course of the audit and reviews.
27. Review and resolve any significant disagreements between management and the external auditors in connection with the preparation of the financial statements.
28. Where there are significant unsettled issues, the Audit Committee is to assist in arriving at an agreed course of action for the resolution of such matters.
29. Review with the external auditors and management significant findings during the year and the extent to which changes or improvements in financial or accounting practices, as approved by the Audit Committee, have been implemented. This review should be conducted at an appropriate time subsequent to implementation of changes or improvements, as decided by the Audit Committee.
30. Review activities, organizational structure, and qualifications of the Corporation's Chief Financial Officer and staff in the financial reporting area and see to it that matters related to succession planning within the Corporation are raised for consideration to the full Board of Directors.

## **Ethical and Legal Compliance**

31. Establish procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
32. Review and update periodically a code of ethical conduct (the “**Code of Conduct**”) and ensure that management has established a system to enforce the Code of Conduct. Review appropriateness of actions taken to ensure compliance with the Code of Conduct and to review the results of confirmations and violations thereof.
33. Review management’s monitoring of the Corporation’s systems in place to ensure that the Corporation’s financial statements, reports and other financial information disseminated to governmental organizations and the public satisfy legal requirements.
34. Review, with the Corporation’s counsel, legal and regulatory compliance matters, including corporate securities trading policies, and matters that could have a significant impact on the Corporation’s financial statements.

## **Risk Management**

35. Review management’s program of risk assessment and steps taken to address significant risks or exposures, including insurance coverage, and obtain the external auditors’ opinion of management’s assessment of significant financial risks facing the Corporation and how effectively such risks are being managed or controlled.
