- (a) ***Incorporation and Corporate Power of Hemlo.*** Hemlo is a corporation incorporated, organized and subsisting under the Laws of the jurisdiction of its incorporation. Hemlo has the corporate power, authority and capacity to execute and deliver this Agreement and all other agreements and instruments to be executed by it as contemplated herein and to perform its other obligations hereunder and under all such other agreements and instruments. - (c) **No Violation.** The execution and delivery of this Agreement by Hemlo, and the observance by Hemlo of each covenant, condition and obligation hereunder does not and will not: (a) result in a violation of or a breach or default under (with or without the giving of notice or lapse of time, or both), or in the acceleration of any obligation under (i) the articles, by-laws or directors' or shareholders' resolutions of Hemlo or (ii) the provisions of any material agreement to which Hemlo is a party or by which Hemlo or the Property are bound or affected; (b) except as otherwise specified herein, result in the creation or imposition of any Encumbrance on the Property; or (c) result in a violation or breach of, or cause a default under, any Applicable Law.

Hemlo has all necessary corporate power, authority and capacity to carry on its business and to own or lease and operate its property and assets as now carried on and owned or leased and operated.
- (f) **Residence of Hemlo.** Hemlo is not a non-resident of Canada for purposes of section 116 of the Tax Act.
- (g) **Ownership of Mining Claims.** Hemlo is the sole legal, registered and beneficial owner of a 100% undivided interest in the Mining Claims free and clear of all Encumbrances other than Permitted Encumbrances. - (i) **No Abandonment, etc.** There has been no act or omission by Hemlo to the Mining Claims which could by notice, or lapse of time, or by both notice and lapse of time, result in a breach, termination, abandonment, forfeiture, relinquishment or other premature termination of Hemlo's right, title or interest in or to the Mining Claims.
- (j) **Land Rights.** The Property is located on public land. Subject to the provisions of the *Mining Act* (Ontario), Hemlo has full and free legal access to the Property and all the land rights, real or personal, necessary to access and conduct mineral exploration on the Property. Hemlo is not aware of any surface rights held or purported to be held by any Person (other than Hemlo) to occupy or otherwise use the parcel of land comprising the Property, or of any fact or condition which would result in the interference with or termination of Hemlo's access to the parcel of land comprising the Property or of its surface rights necessary to access and conduct Mining Operations on the Property.
- (k) **First Nation Matters.** Other than as disclosed to Barrick, Hemlo (i) is not a party to any arrangement or understanding with any First Nation in relation to the Property; (ii) is not and has not been engaged or involved in any disputes, discussions or negotiations with any First Nation; and (iii) is not aware of or has received notice of any Claim, either from an First Nation or any Governmental Authority, indicating that Hemlo, the Property, the Mining Claims or any part thereof or any predecessors in title to the Property or the Mining Claims has in any way infringed upon or has an adverse effect on any First Nation rights or interests.
- (l) **Royalty Rights.** Except as disclosed on Schedule 2.1(l), to Hemlo's knowledge, no Person has any royalty or other interest whatsoever in production from any part of the Property or the Mining Claims.
- (m) **No Agreements.** Hemlo is not a party to any agreement, arrangement, commitment or understanding, oral or written, other than this Agreement and the royalty agreements disclosed on Schedule 2.1(l) in relation to the sale of any minerals that may be extracted from the Mining Claims.

- (n) ***Compliance with Laws.*** Hemlo is in material compliance with all Applicable Law, including all Environmental Laws, relating to the Property and the Mining Claims, and has obtained all material licences, permits and approvals necessary for its operation of the Mining Claims under all Applicable Law, including all applicable Environmental Laws.
- (o) ***Environmental Matters.*** All activities of Hemlo have been carried on and are currently carried on and the Mining Claims have been used and are currently being used in material compliance with all Environmental Laws. There are no existing or contingent liabilities associated with the Property or the Mining Claims relating to Environmental Laws or any Damages arising from breach of Environmental Laws nor, to Hemlo's knowledge, are there any circumstance that could give rise to any such liabilities, except as set forth on Schedule 2.1(o). Hemlo has provided Barrick with copies of all environmental audits, evaluations, assessments or studies relating to the Property or the Mining Claims within Hemlo's possession or of which Hemlo has knowledge.
- (p) ***No Legal Proceedings.*** There are no Legal Proceedings against Hemlo relating to the Mining Claims or any part thereof, including pursuant to Environmental Law or in respect of any allegations of or actual environmental contamination. To the best of Hemlo's knowledge, there are no facts or circumstances upon which any such Legal Proceedings could be based. There is no Order outstanding against or affecting Hemlo or the Mining Claims or, to Hemlo's knowledge, the other elements comprising the Property which affects adversely or might affect adversely the ability of Hemlo to enter into this Agreement or to perform its obligations hereunder.
- (q) ***Accuracy.*** The representations and warranties given by Hemlo in this Agreement are true as of the Effective Date.

Subject to Section 4.2, the representations and warranties in this Section 2.1 shall survive the execution of this Agreement and shall continue in full force and effect for a period of two years from the Effective Date, subject to Applicable Law.

2.2 **Representations and Warranties of Barrick.** As a material inducement to Hemlo's entering into this Agreement and completing the transactions contemplated by this Agreement, and acknowledging that Hemlo is entering into this Agreement in reliance upon the representations and warranties of Barrick set out in this Section 2.2, Barrick represents and warrants to Hemlo as follows:

- (a) ***Incorporation and Corporate Power of Barrick.*** Barrick is a corporation incorporated, organized and subsisting under the Laws of the jurisdiction of its incorporation. Barrick has the corporate power, authority and capacity to execute and deliver this Agreement and all other agreements and instruments to be executed by it as contemplated herein and to perform its other obligations hereunder and under all such other agreements and instruments. No act or proceeding has been taken or authorized by or against Barrick by any other Person in connection with

the dissolution, liquidation, winding up, bankruptcy or insolvency of Barrick or with respect to any amalgamation, merger, consolidation, arrangement or reorganization of, or relating to, Barrick and, to the knowledge of Barrick, no such proceedings have been threatened by any other Person.

- (b) **Authorization by Barrick.** The execution and delivery of this Agreement and all other agreements and instruments to be executed by Barrick as contemplated herein and the completion of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action on the part of Barrick.
- (c) **No Violation.** The execution and delivery of this Agreement by Barrick, and the observance by Barrick of each covenant, condition and obligation hereunder does not and will not: (a) result in a violation of or a breach or default under (with or without the giving of notice or lapse of time, or both), or in the acceleration of any obligation under (i) the articles, by-laws or directors' or shareholders' resolutions of Barrick or (ii) the provisions of any material agreement to which Barrick is a party; or (b) result in a violation or breach of, or cause a default under, any Applicable Law.
- (d) **Enforceability of Barrick's Obligations.** This Agreement constitutes the valid and binding obligation of Barrick enforceable against Barrick in accordance with its terms, subject to limitations on enforcement imposed by bankruptcy, insolvency, reorganization or other Laws affecting the enforcement of the rights of creditors and others and to the extent that equitable remedies such as specific performance and injunctions are only available in the discretion of the court from which they are sought.
- (e) **Qualification to do Business.** Barrick is registered, licensed or otherwise qualified to do business under the Laws of the jurisdictions necessary to carry on its business, and neither the character nor the location of the properties and assets owned by Hemlo, nor the nature of its business requires registration, licensing or other qualification under the Laws of any other jurisdiction. Barrick has all necessary corporate power, authority and capacity to carry on its business and to own or lease and operate its property and assets as now carried on and owned or leased and operated.
- (f) **Accuracy.** The representations and warranties given by Barrick in this Agreement are true as of the Effective Date.
- (g) **Legal Proceedings.** There are no Legal Proceedings against Barrick that, if determined adversely to Barrick, would prevent Barrick from performing its obligations hereunder nor, to Barrick's knowledge, are there any facts or circumstances upon which any such Legal Proceedings could reasonably be based.

Subject to Section 4.2, the representations and warranties in this Section 2.2 shall survive the execution of this Agreement and shall continue in full force and effect for a period of two years from the Effective Date, subject to Applicable Law.

2.3 **Indemnity and Risks.**

- (a) Hemlo hereby agrees to protect, defend, indemnify and hold Barrick, its Affiliates and their respective directors, officers and employees free and harmless from and against any and all Legal Proceedings and Damages of every kind and character, including court costs and reasonable legal fees incurred by Barrick in defence of same, arising out of or in any way connected with, directly or indirectly, (i) any breach of a representation or warranty given by Hemlo under this Agreement or any breach by Hemlo of its covenant in Section 4.2, (ii) any non-compliance by Hemlo with its obligations under this Agreement provided that notice of any such non-compliance has been given to Hemlo and Hemlo has been afforded a reasonable opportunity to remedy such non-compliance; or (iii) the gross negligence or wilful misconduct of Hemlo or any of its directors, officers or employees provided that notice of any such gross negligence or wilful misconduct has been given to Hemlo and Hemlo has been afforded a reasonable opportunity to remedy the consequences of such gross negligence or wilful misconduct; provided further, however, that such indemnity shall not apply to Damages arising directly as a result of the gross negligence or wilful misconduct of Barrick. This Section 2.3(a) shall survive the termination of the Earn-In Right and this Agreement.
- (b) Barrick hereby agrees to protect, defend, indemnify and hold Hemlo, its Affiliates and their respective directors, officers and employees free and harmless from and against any and all Legal Proceedings and Damages of every kind and character, including court costs and reasonable legal fees incurred by Hemlo in defence of same, arising out of or in any way connected with, directly or indirectly, (i) any breach of a representation or warranty given by Barrick under this Agreement or any breach by Barrick of its covenants in Section 4.2 and Section 8.4, (ii) any non-compliance by Barrick with its obligations under this Agreement provided that notice of any such non-compliance has been given to Barrick and Barrick has been afforded a reasonable opportunity to remedy such non-compliance; or (iii) the gross negligence or wilful misconduct of Barrick (including in its capacity as Operator) or any of its directors, officers and employees provided that notice of any such gross negligence or wilful misconduct has been given to Barrick and Barrick has been afforded a reasonable opportunity to remedy the consequences of such gross negligence or wilful misconduct; provided further, however, that such indemnity shall not apply to Damages arising directly as a result of the gross negligence or wilful misconduct of Hemlo. This Section 2.3(b) shall survive the termination of the Earn-In Right and this Agreement.

SECTION 3 EARN-IN

3.1 **Grant of Earn-In.** Hemlo hereby grants to Barrick the sole, exclusive and irrevocable right during the period commencing on the Effective Date and ending on the sixth anniversary of the Effective Date, unless extended in accordance with the terms of this Agreement, to acquire and become the owner of an 80% undivided interest in and to the Property (the “**Earn-**

In Right”), free and clear of all Encumbrances other than Permitted Encumbrances, all in accordance with and subject to the terms and conditions of this Agreement.

3.2 **Payments and Expenditures.** In order to maintain the Earn-In Right in good standing until Barrick earns the 80% undivided interest in and to the Property in accordance with Section 3.1:

- (a) on or before the PFS Date, Barrick must deliver a positive pre-feasibility study (the “**PFS**”) related to the Property prepared in accordance with National Instrument 43-101 – *Standards of Disclosure for Mineral Projects*; and
- (b) on or before the PFS Date, Barrick must fund Expenditures as follows:
 - (i) in the aggregate amount of at least \$800,000 (the “**Guaranteed Amount**”) on or before the first anniversary of the Effective Date. For the avoidance of doubt, [provision relating to termination in certain circumstances omitted], any shortfall in the Expenditure comprising the Guaranteed Amount shall be made up as a cash payment to Hemlo on or before the first anniversary of the Effective Date and shall additionally be made regardless of whether this Agreement has terminated; and
 - (ii) after the first anniversary of the Effective Date and until the date on which the PFS is delivered pursuant to Section 3.2(a), in the aggregate amount of \$1,000,000 per year (together with the Guaranteed Amount, the “**Aggregate Expenditure Amount**”), such that Barrick must fund Expenditures in the amount of at least \$1,800,000 by the second anniversary of the Effective Date, \$2,800,000 by the third anniversary of the Effective Date, \$3,800,000 by the fourth anniversary of the Effective Date, \$4,800,000 by the fifth anniversary of the Effective Date, \$5,800,000 by the sixth anniversary of the Effective Date, \$6,800,000 by the seventh anniversary of the Effective Date (if the PFS Date has been extended and Barrick has paid to Hemlo the requisite \$500,000 for such extension) and \$8,800,000 by the eighth anniversary of the Effective Date (if the PFS Date has been further extended and Barrick has paid to Hemlo the requisite \$500,000 for such second extension), provided in each case that Barrick has neither delivered the PFS pursuant to Section 3.2(a) nor withdrawn from the Earn-In in accordance with Section 3.3(b) prior to each such anniversary.

failing any of which the Earn-In Right shall be deemed to be immediately terminated and of no further force or effect.

3.3 **Earn-In Right and Withdrawal Right.**

- (a) Barrick hereby agrees and acknowledges that it is obligated to fund Expenditures in respect thereof to satisfy the Guaranteed Amount on or before the first anniversary of the Effective Date. Unless this Agreement is terminated [provision related to termination in certain circumstances omitted], if the amount of

Expenditures incurred by Barrick prior to the first anniversary of the Effective Date is not greater than or equal to the Guaranteed Amount, Barrick shall so notify Hemlo and shall make a cash payment to Hemlo of such Estimated Shortfall on or before the first anniversary of the Effective Date, in accordance with and subject to Sections 3.4(b) and 3.5.

- (b) For greater certainty, to maintain the Earn-In Right in good standing Barrick must fund all Expenditures contemplated in Section 3.2, within the time periods prescribed in Section 3.2. After Barrick fulfills its obligation under Section 3.2(b)(i) in respect of the Guaranteed Amount, no funding by Barrick of any Expenditure will obligate it to perform any action or fund any further or other Expenditure or amount. Barrick may, at any time after fulfilling its obligations under Section 3.2(b)(i), on 30 days' written notice to Hemlo withdraw from the earn-in, terminate the Earn-In Right and this Agreement and cease funding further Expenditures and, upon the giving of such notice to Hemlo, Barrick will forfeit all rights and interests in the Mining Claims and this Agreement with no further liability, except as otherwise provided for in this Agreement.

3.4 **Reporting and Right to Cure.**

- (a) Until such time as Barrick has delivered the PFS, Barrick shall, within thirty (30) days after each of the first, second, third, fourth, fifth, sixth, seventh and eighth anniversary of the Effective Date (as applicable), send to Hemlo a written notice confirming and providing the details with respect to the aggregate Expenditures made by Barrick from the Effective Date to such anniversary and also provide Hemlo with such other documentation, evidence or otherwise as reasonably requested by Hemlo to show payment of the requisite Expenditures in accordance with the terms of this Agreement, as applicable; provided, however, that the failure to send such notice and other documentation shall not prevent Barrick from maintaining the Earn-In Right and acquiring an 80% interest in the Property, provided Barrick is then current on the required aggregate Expenditures and such notice and, if applicable, other documentation are provided promptly following receipt by Barrick of a request from Hemlo for the same.
- (b) In the event that the Earn-In Right has not been terminated and the amount of Expenditures incurred by Barrick does not satisfy the obligations for the Guaranteed Amount or the amounts set out in Section 3.2(b)(ii), the written notice from Barrick shall clearly so indicate by specifying (i) the amount of Expenditures actually spent on Mining Operations on or before the first anniversary of the Effective Date and the second, third, fourth, fifth, sixth seventh and eighth anniversaries of the Effective Date (as applicable), (ii) the Estimated Shortfall (as defined in Section 3.5), if any, paid to Hemlo on or before the first, second, third, fourth, fifth, sixth, seventh and eighth anniversary of the Effective Date (as applicable) in accordance with Section 3.5, and (iii) the difference, if any, between the applicable Aggregate Expenditure Amount and the sum of the amount of Expenditures actually spent on Mining Operations on or before the first, second, third, fourth, fifth, sixth, seventh and eighth anniversary of the Effective Date (as

applicable) (for clarity, excluding the Estimated Shortfall) plus the Estimated Shortfall (the “**Difference**”) and Barrick shall have the right to make an alternative payment to Hemlo in accordance with Section 3.5 in the amount of the Difference if such Difference is negative. Hemlo shall refund to Barrick in accordance with Section 3.5 in the amount of the Difference if such Difference is positive, provided that if such Difference is determined to be positive subsequent to the Aggregate Expenditure Amount being satisfied and the Joint Venture Corporation being formed, Hemlo shall refund the Difference by paying the amount of the Difference, on behalf of Barrick, towards programs and budgets of the Joint Venture Corporation.

3.5 **Alternative Payment.** In the event that Barrick wishes to maintain the Earn-In Right in good standing but is for any reason unable to fund sufficient Expenditures to meet the Guaranteed Amount prior to the first anniversary of the Effective Date or any other portion of the Aggregate Expenditure Amount prior to the second, third, fourth, fifth, sixth, seventh and eighth anniversary of the Effective Date (as applicable), Barrick may pay a good faith estimate of the unfunded balance of such unfunded Expenditures (the “**Estimated Shortfall**”) to Hemlo in cash on or before the applicable anniversary of the Effective Date (and prior to the delivery of the relevant notice pursuant to Section 3.4(a)) (which Estimated Shortfall shall be deemed to be Expenditures for purposes of satisfying the requirements set out above). Within sixty (60) days after the second, third, fourth, fifth, sixth, seventh and eighth anniversary of the Effective Date (as applicable), Barrick and Hemlo shall, in accordance with Section 3.4, adjust any Difference between the Estimated Shortfall paid by Barrick to Hemlo and the amount of the difference between the Aggregate Expenditure Amount and the Expenditures actually funded by Barrick (excluding the Estimated Shortfall), by Hemlo refunding to Barrick any overpayment made by Barrick to Hemlo pursuant to this Section 3.5 or, alternatively, Barrick paying to Hemlo any deficiency in the amount paid by Barrick to Hemlo pursuant to this Section 3.5, provided that if any refund is required for an overpayment by Barrick to Hemlo, subsequent to the Aggregate Expenditure Amount being satisfied and the Joint Venture Corporation being formed, Hemlo shall refund the overpayment by paying the amount of the overpayment, on behalf of Barrick, towards programs and budgets of the Joint Venture Corporation.

3.6 **Earning of Interest in the Property.** If (a) Barrick has (i) funded the Expenditures referred to in Section 3.2(b)(i) in the Guaranteed Amount of at least \$800,000 on or before the first anniversary of the Effective Date; and (ii) funded the Expenditures referred to in Section 3.2(b)(ii); (b) Barrick has made the alternative payment of the Estimated Shortfall referred to in Section 3.5, on or before the first, second, third, fourth, fifth, sixth, seventh and eighth anniversary of the Effective Date (if and as applicable), and (c) Barrick has delivered the PFS referred to in Section 3.2(a), then the Earn-In Right shall be deemed to have been exercised, Barrick shall be deemed to have acquired and become the vested owner of an 80% undivided interest in the Property, and, subject to Section 3.9, the Joint Venture Corporation shall be formed in accordance with Section 3.9 (the date on which the Joint Venture Corporation is created is herein referred to as the “**Joint Venture Date**”).

3.7 **Transfer of Title.** If during the Term of this Agreement Hemlo publishes or releases financial statements that contain a going-concern qualification with a material uncertainty relating to going concern, Barrick may, at any time when Barrick has funded Expenditures in an

amount equal to or greater than \$2,800,000, require that Hemlo transfer the Mining Claims to and register and/or record at the applicable registers in the name of Barrick (100%) by delivering written instructions to Hemlo to effect such transfers and registrations and/or recordings. Within thirty (30) days of receipt of such instructions, Hemlo shall, or shall assist Barrick to, take all necessary actions to give effect to such transfer and registration and/or recording, at the sole cost of Barrick. In the event that such transfer and registration and/or recording is effected, Barrick shall hold the Mining Claims in trust for the Parties in accordance with and subject to the terms of this Agreement during the Term of this Agreement.

3.8 [Provision relating to termination in certain circumstances omitted.]

3.9 **Joint Venture Corporation.** In the event that Barrick acquires an 80% undivided interest in and to the Mining Claims as provided in Section 3.6, Barrick will incorporate and organize the Joint Venture Corporation as soon as practicable and the articles of incorporation and by-laws of the Joint Venture Corporation will be in a form customary for corporations of such type. Immediately upon formation of the Joint Venture Corporation, (a) Barrick will transfer its 80% undivided interest in the Property to the Joint Venture Corporation, and (b) Hemlo will transfer its 20% undivided interest in the Property to the Joint Venture Corporation. Hemlo or Barrick, as applicable, will cause the Mining Claims to be registered and/or recorded at all necessary or desirable registers maintained by Governmental Authorities in the name of the Joint Venture Corporation, and will transfer to the Joint Venture Corporation any and all right, title and interest in any assets, intellectual property, data, agreements, and other information held by it solely in respect of or regarding the Mining Claims or the Property, as soon as practicable (and in any event within sixty (60) days) after the Joint Venture Date. Hemlo or Barrick, as applicable, will also transfer to the Joint Venture Corporation all of its interest, title and rights in any land rights, real or personal, comprising the Property, if any, and, as soon as practicable after the Joint Venture Date, will cause such land rights, real or personal, if any, to be registered and/recorded at the applicable registers maintained by Governmental Authorities in the name of the Joint Venture Corporation. In addition, Barrick and Hemlo will (and each will cause the Joint Venture Corporation to) enter into the Joint Venture Shareholders Agreement in the form attached as Schedule C to this Agreement with such further clarifications and changes as the Parties may agree.

SECTION 4 COVENANTS

4.1 **General Restriction on Transfer.** Throughout the Term of this Agreement, each Party shall not, directly or indirectly, Transfer, pledge or encumber any interest now or hereafter held by each Party in the Mining Claims, in the Property (except as required by Applicable Law or as required or permitted under this Agreement) without the prior express written consent of other Party, which consent may be withheld in the other Party's sole discretion. A Transfer of any interest in violation of this Agreement shall not be valid or effective. However, nothing in this Agreement shall prevent the acquisition of control of Hemlo by any Person by way of a take-over bid or other comparable transaction, or the acquisition, amalgamation, arrangement, merger or combination of Hemlo by, with or into any other Person, in each case. In such circumstances, no consent of Barrick will be required and such transaction shall not result in a violation of this Section 4.1.

4.2 **Representations and Warranties.** Hemlo shall ensure that its representations and warranties set out in the first two sentences of Section 2.1(a) and Sections 2.1(c), 2.1(d), 2.1(e), 2.1(f), 2.1(l) and 2.1(m) and, except to the extent such matters are the responsibility of the Operator, Section 2.1(n) continue to remain true at all times during the Earn-In Period, and Barrick shall ensure that its representations and warranties set out in Sections 2.2(a), 2.2(c), 2.2(d) and 2.2(e) remain true at all times during the Earn-In Period.

4.3 **No Encumbrances.** Neither Party will create or permit to remain any Encumbrances other than Permitted Encumbrances upon the Mining Claims or the Property (other than Taxes not yet due and other inchoate Encumbrances or as required by Applicable Law and Encumbrances being contested in good faith).

4.4 **Cooperation.** The Parties agree that each shall from time to time promptly execute and deliver all such further documents and take all such further action as may be reasonably necessary or desirable to ensure that the Mining Claims remain in good standing, including by filing and supporting applications for the extension or exclusion of time and by applying available credits to the Mining Claims.

4.5 **Tax Credits.** Hemlo and Barrick will use reasonable commercial efforts to structure the Mining Operations during the Earn-In Period in such a way that either Hemlo or Barrick will receive the maximum available tax credits relating to resources and refundable duties and credit for losses in connection with the Expenditures referred to in Section 3.2. To the extent that such tax credits applicable to the Earn-In Period result in a payment, the Parties acknowledge and agree that such payment will be for the benefit of Barrick (and any such payment made to Hemlo will be promptly paid to Barrick).

4.6 **Becoming Non-Resident.** Barrick shall notify Hemlo immediately in the event that Barrick becomes a non-resident for the purposes of section 116 of the Tax Act. Similarly, Hemlo shall notify Barrick immediately in the event that Hemlo becomes a non-resident for the purposes of section 116 of the Tax Act.

SECTION 5 APPOINTMENT OF OPERATOR

5.1 **Appointment of the Operator.** The Parties acknowledge and agree and hereby appoint, effective as of the Effective Date, Barrick as the Operator during the Earn-In Period, and Barrick hereby accepts such appointment as Operator.

5.2 **Powers and Obligations of the Operator.** The powers and obligations of the Operator shall be as follows:

- (a) to manage, direct and control all Mining Operations and other exploration operations on and under the Property all in accordance with the terms of this Agreement;
- (b) to employ and engage such employees, agents and independent contractors as the Operator may consider necessary or advisable to carry out all exploration

operations (including the appointment of a project manager with familiarity and experience with the Property);

- (c) to provide, purchase, lease or rent all plant, buildings, machinery, equipment, tools, appliances, materials, supplies and services required to carry out all exploration, operations on the Property, and to dispose of the same when no longer required;
- (d) to obtain and maintain, or cause any contractor or consultant engaged hereunder to obtain and maintain, adequate insurance coverage with respect to activities on or with respect to the Property, and to provide proof of such insurance coverage to the Parties on request;
- (e) to advise Hemlo promptly of any accident or occurrence in connection with Mining Operations resulting in any material damage to or destruction of any property or material harm or injury to any individual;
- (f) to keep adequate data, information and records of the Mining Operations and to keep suitable accounts which reflect all financial aspects of the Mining Operations in accordance with International Financial Reporting Standards as adopted by the International Accounting Standards Board;
- (g) to perform its duties and obligations in a proper manner in accordance with all Applicable Law, including Environmental Laws, and currently accepted standards and practices in the mining industry in Canada and with the objective of minimizing, so far as practicable, both short- and long-term damage to the environment;
- (h) to be solely responsible for the ongoing progressive and final reclamation, remediation and restoration of all disturbances to the natural environment caused by its activities or operations on, in, under or about, or with respect to, the Property; and
- (i) to have all powers necessary to carry out, or cause to be carried out, all of the Operator's obligations set out in this Agreement and to otherwise carry out, or cause to be carried out, all exploration operations on the Property.

5.3 **Maintenance of Property.** During the Earn-In Period, the Operator shall pay all applicable Taxes, rates, assessments, advanced royalty payments and other similar governmental charges lawfully levied or assessed against the Property in order to maintain the Property and every portion thereof in good standing. For greater certainty, such expenditures shall be funded by Barrick and shall apply as Expenditures under Section 3.2. The Operator shall, on a timely basis, record and file with the appropriate governmental office or any Person any required reports, affidavits, notices and other documents in proper form attesting to the payment of such fees and the performance of such work, in each case, in sufficient detail to reflect compliance with Applicable Law. In addition, the Operator shall keep the Property free and clear of all Encumbrances other than the Permitted Encumbrances or such Encumbrances to which the Parties

may agree in writing in advance, including without limitation all construction, mechanic's or materialmen's liens.

5.4 **Reports.** During the Earn-In Period, the Operator will prepare and deliver to Hemlo within forty-five (45) days after the end of each quarter, a written report that sets forth generally (i) the results of the Mining Operations and any other work performed on or in respect of the Property and the Mining Claims, (ii) the Expenditures incurred during such quarter, (iii) material communications with any First Nation or other community related to the Mining Operations and (iv) such other information as may be requested by Hemlo, acting reasonably.

The Operator, however, makes no representation or warranty whatsoever concerning the location or presence of ores or other valuable materials on or near the Property or the feasibility of any Mining Operations. The Operator shall have no liability to any Party with respect to the above, provided that the contents of the quarterly reports delivered pursuant to this Section 5.4 are factually accurate in all material respects.

5.5 **Audit of Expenditures.** Hemlo will have the right, no more than once per year, to audit Expenditures shown in the annual report of Barrick delivered pursuant to Section 3.4(a). Should an audit reveal that the Operator has not incurred all of the Expenditures indicated in the applicable statement of Expenditures, then the Operator shall, within thirty (30) days of such audit, make a payment to Hemlo equal to the difference between the Expenditures found to have been incurred pursuant to the audit and the Expenditures indicated in the quarterly report, and such amount will be paid to Hemlo and shall be deemed to have been spent by Barrick on Expenditures pursuant to Section 3.3 in the quarter in respect of which the applicable quarterly report was prepared. The costs of such audit shall be borne solely by the Operator in the event that the Operator is required to make any such payment hereunder in excess of 5% of the Expenditures indicated in the statement of Expenditures; otherwise, the costs of such audit shall be borne solely by Hemlo.

5.6 **Inspection Rights.** Each of Hemlo and Barrick (in the event that Barrick is not the Operator) and their authorized Representatives may, two times during each calendar year during the Earn-In Period, at their sole risk and expense, at reasonable times upon reasonable advance notice (which shall be no less than 15 Business Days' notice) to the Operator and without material interference to the Mining Operations being carried out on the Property, inspect the work being carried out by the Operator on the Property and shall indemnify the Operator and save it harmless in respect of any claim for injury to Person or property arising out of the exercise by it and its Representatives of this right of inspection, except to the extent that such Claim or Damage is attributable to the gross negligence or wilful misconduct of the Operator.

5.7 **Emergencies.** In an emergency, the Operator, without the consent of Hemlo, may take such immediate actions and make such immediate Expenditures as the Operator deems necessary, acting reasonably, to keep the Property in good standing or for the protection of individuals and/or property. The Operator shall promptly report such emergency actions and Expenditures to Hemlo initially by phone and then by written notice.

5.8 **Standard of Care.** The Operator shall discharge its duties under this Section 5 and conduct all Mining Operations in a good, workmanlike and efficient manner, in a proper manner

in accordance with all Applicable Law and currently accepted standards and practices in the mining industry in Canada and with the objective of minimizing, so far as practicable, both short-term and long-term damage to the environment, and in material compliance with the terms and provisions of concessions, leases, licenses, permits, contracts and other agreements pertaining to the Property. The Operator, in its capacity as operator, shall not be in default of its duties under this Agreement if its inability to perform results from the failure of Hemlo to perform acts or to contribute amounts required of it by this Agreement. Furthermore, the Operator shall notify any relevant Governmental Authority in the event of any spills, discharges, releases or deposits which occur in connection with the Operator's activities on, in, under or about or in respect of the Property as required by Applicable Law and shall provide a copy of all such notifications to the Parties in a timely manner.

5.9 **Liability of Operator.** The Operator shall not be liable to Hemlo for any Claims or Damages (including a payment made, or an action taken, by the Operator as a result of an action of a Governmental Authority), except to the extent that such Claim or Damage is attributable to the gross negligence or wilful misconduct of the Operator. In no event (including fundamental breach) shall the Operator be liable to Hemlo for any indirect, special or consequential damages (including for loss of actual or anticipated profits or other economic loss), even if the Operator has been advised of the potential for such damages.

SECTION 6 CONFIDENTIALITY

6.1 **Information to Be Confidential.** Without limiting the obligations of the Parties provided for in the Confidentiality Agreement, each Party shall treat confidentially and not disclose, and shall cause each of its Representatives to treat confidentially and not disclose, other than as expressly contemplated by this Agreement, any Confidential Information of the other Party.

6.2 **Use of Confidential Information.** Either Party may disclose Confidential Information only to those of its Representatives who need to know such Confidential Information for the purpose of implementing (and, in the case of Barrick and its Representatives, evaluating and assessing) the transactions contemplated by this Agreement. Neither Party shall use, nor permit its Representatives to use, Confidential Information for any other purpose nor in any way that is, directly or indirectly, detrimental to the other Party.

6.3 **Compelled Disclosure.** If the Recipient or any of its Representatives receives a request or is, in the opinion of counsel to the Recipient, legally required to disclose all or any part of the Confidential Information (including pursuant to a rule, regulation or requirement of a stock exchange or securities regulatory authority with jurisdiction over the Recipient), the Recipient shall to the extent not prohibited by Applicable Law (a) immediately notify the Discloser of the request or requirement, (b) consult with the Discloser on the advisability of taking legally available steps to resist or narrow the request or lawfully avoid the requirement, and (c) if requested by the Discloser cooperate with the Discloser to seek a protective order or other appropriate remedy. If a protective order or other remedy is not available and the Recipient has given the Discloser reasonable opportunity to review and comment on the proposed disclosure if permitted by Applicable Law and has given reasonable consideration to the Discloser's comments thereon, or if the Discloser waives compliance with the provisions of this Section, (x) the Recipient and the

Recipient's Representatives, as the case may be, may disclose to the Person requiring disclosure only that portion of the Confidential Information which the Recipient is advised by counsel is legally required to be disclosed, and (y) the Recipient shall not be liable for such disclosure unless such disclosure was caused by or resulted from a previous disclosure by the Recipient or any of the Recipient's Representatives not permitted by this Agreement.

6.4 **Return or Destruction.** Following the termination of this Agreement in accordance with the provisions hereof or thereof, Barrick shall (and shall cause each of its Representatives to) (a) return promptly to Hemlo all Confidential Information then in Barrick's possession or in the possession of its Representatives, including, (i) physical and electronic copies of the Confidential Information, and (ii) Notes (including physical and electronic copies thereof) prepared by Barrick or any of its Representatives, provided, however, that Barrick or any of its Representatives shall be permitted to retain certain Confidential Information if it has been retained (A) as a result of an automated back-up or archival system used in the ordinary course of business, (B) to comply with internal record-retention or compliance policies or procedures or Applicable Law or (C) for the purpose of monitoring its obligations under this Agreement or in defence of any claims or allegations arising in relation to this Agreement and provided further that any Confidential Information that is not returned to the Discloser by the Recipient will be held by the Recipient and will remain subject to the use, disclosure and other restrictions set forth herein, which restrictions shall, for so long as such Confidential Information is retained, survive the termination of this Agreement, and (b) deliver to Hemlo a certificate executed by one of Barrick's duly authorized senior officers indicating that the requirements of this sentence have been satisfied in full. Following such return of the Confidential Information, Hemlo shall be free to use such Confidential Information, in its sole discretion.

SECTION 7 FURTHER PROVISIONS GOVERNING RELATIONSHIP

7.1 **Effect of Force Majeure.** Notwithstanding any term in this Agreement, if a Party is at any time delayed from carrying out any action under this Agreement due to circumstances of Force Majeure (which for greater certainty excludes circumstances arising from the financial difficulty of such Party), the period of any such delay shall be excluded in computing, and shall extend, the time within which such Party may exercise its rights and/or perform its obligations under this Agreement, provided that the Party is acting diligently in furtherance of a resolution thereof. The Party asserting Force Majeure will provide regular, and not less than monthly, updates in writing to the other Party of the status of the Force Majeure and the efforts to remove or remedy, as applicable, the cause of such prevention or delay.

7.2 **Nature of the Relationship.** The Parties are and will remain separate and independent entities. The Parties may form a joint venture corporation in respect of the Mining Claims in accordance with the terms of this Agreement. However, nothing contained in this Agreement shall be deemed to constitute or create the relationship of partners, principal or agent, employee, employer, franchisee, legal representative or other legal relationship. No Party shall bind another Party or assume or create any obligation or responsibility whatsoever, express or implied, on behalf of or in the name of another Party. All transactions, contracts, employments, purchases, operations, negotiations with third parties and any other matter or act undertaken on behalf of the Parties in connection with the Property or the Mining Claims will be done, transacted,

undertaken or performed in the name of the transacting Party only and no Party will do, transact, perform or undertake anything in the name of any other Party or in the joint names of the Parties. For greater certainty, each Party's employees and other personnel shall at all times be under such Party's direction and control.

7.3 **Non-Exclusive.** This Agreement is non-exclusive. Except as expressly provided in this Agreement:

- (a) each Party will be at liberty to engage, for its own account and without duty to disclose or account to the other Party, in any other business or activity outside the Property and the Mining Claims, including the ownership and operation of any other mining permits, licenses, claims and leases wherever located;
- (b) no Party will be under any fiduciary or other duty or obligation to the other Party that will prevent or impede such Party from participating in, or enjoying the benefits of, competing endeavours of a nature similar to the business or activity undertaken by the Parties hereunder; and
- (c) the legal doctrines of "corporate opportunity" or "business opportunity" sometimes applied to Persons occupying a relationship similar to that of the Parties will not apply with respect to participation by any Party in any business activity or endeavour outside the Property and the Mining Claims, and, without implied limitation, a Party will not be accountable to the other Party for participation in any such business activity or endeavour outside the Property and the Mining Claims that is in direct competition with the business or activity contemplated hereby.

Except as otherwise expressly provided for herein, a Party shall not be prevented at any time and without notice to or the consent of the other Party from entering into or continuing, either by itself or with other parties, any business, including, without limitation, the acquisition or financing of mining titles, the purchase, sale or trading of mineral concessions or mineral properties, the acquisition, financing or construction of mines, concentrators, smelters and other facilities for the conversion of metals or mineral ores or intermediate products or any other minerals or metal facilities or business.

7.4 **Compliance with Laws.** In carrying out any actions under this Agreement and in connection with the Property and the Mining Claims, Barrick and Hemlo shall each (and they shall each ensure that their personnel) do so in a proper manner in accordance with all Applicable Law and currently accepted standards and practices in the mining industry in Canada and with the objective of minimizing, so far as practicable, both short- and long-term damage to the environment.

7.5 **Paramourcy.** Save and except as expressly set out in the Joint Venture Shareholders Agreement, from and after the Joint Venture Date, the Joint Venture Shareholders Agreement will supersede and be paramount to this Agreement to the extent that there is any inconsistency between this Agreement and the Joint Venture Shareholders Agreement, provided that all rights and liabilities of each Party in existence on the Joint Venture Date pursuant to this Agreement shall continue thereafter in accordance with their respective terms until fulfilled.

7.6 **GST.** At the request of the Operator, the Parties shall promptly execute all documents and take all other actions required to make (and file, if necessary) the election referred to in section 273 of the *Excise Tax Act* (Canada) or any similar provision in any provincial or territorial tax act, with a view to authorizing the Operator to pay, from time to time, on behalf of both Parties, all Taxes that relate to the Mining Claims and which may become due and payable under Part IX of the *Excise Tax Act* (Canada) and under any similar provision in any provincial or territorial tax act.

7.7 **Dispute Resolution.** Any dispute or difference, other than decisions properly and duly made by the Operator in accordance with Section 5 of this Agreement, arising between the Parties under this Agreement will, unless otherwise specifically provided for in this Agreement, first be dealt with as follows:

- (a) the Party claiming that a dispute exists will give to the other Party written notice of such dispute together with details of that dispute;
- (b) unless such dispute has been settled by the Parties within twenty (20) days after delivery of the foregoing notice, such dispute will be referred to a panel comprised of the exploration team lead for the project of each of the Parties (or his or her designate), who shall then attempt to resolve the matter in an agreeable and amicable manner as expeditiously as possible;
- (c) if the matter is not resolved by such panel of exploration team leads, or if any exploration team lead refuses to participate, in either case within ten (10) days after being asked to do so by the Party claiming that a dispute exists, such dispute will be referred for arbitration on the following basis:
 - (i) *Number.* The number of arbitrators shall be one.
 - (ii) *Location and Language.* The arbitration shall be held in Toronto, Ontario in the English language in accordance with the rules and procedures of the ADR Institute of Canada, Inc.
 - (iii) *Selection of Arbitrator.* The Party commencing the arbitration shall include in its written notice the names of three individuals who are acceptable to it to serve as a sole arbitrator, each of whom shall be a geologist, accountant, engineer or lawyer with not less than ten (10) years of experience relevant to the subject matter of the dispute. Within 10 days after the receipt of the notice, the other Party shall give written notice that it accepts the appointment of one of the three individuals or shall name three other individuals who are acceptable to it to serve as sole arbitrator, each of whom shall be a geologist, accountant, engineer or lawyer with not less than ten (10) years of experience relevant to the subject matter of the dispute. If the Parties are unable to agree upon a sole arbitrator within a further 10 days, the appointment of a sole arbitrator shall be made by the ADR Institute of Canada, Inc. in accordance with that institution's rules and procedures.

- (iv) *Finality of Award.* Any award or determination of the sole arbitrator shall be final and binding on the Parties and there shall be no appeal on any ground, including for greater certainty, any appeal on a question of law, a question of fact, or a question of mixed fact and law.
- (v) *Costs of Arbitration.* The sole arbitrator may apportion costs of the arbitration, including the reasonable fees and disbursements of the Parties, between or among the Parties in such manner as the sole arbitrator considers reasonable.
- (vi) *Interest.* Any award for the payment of money may include pre-award and post-award interest.
- (vii) *Confidentiality of Proceedings.* The Parties undertake as a general principle to keep confidential all information concerning the existence of the arbitration, all awards in the arbitration, all materials in the proceedings created or used for the purpose of the arbitration, and all materials and information produced during the arbitration (“**Confidential Arbitration Information**”) and not in the public domain, save and to the extent that disclosure may be required of a Party by legal duty or to enforce an award in bona fide Legal Proceedings before a competent court. Each Party shall obtain and deposit with the arbitrator a signed confidentiality undertaking from the legal counsel, independent experts and consultants regarding the Confidential Arbitration Information in form and substance and satisfactory to the arbitrator in order to give effect to this provision.
- (viii) Each Party shall submit its argument in writing to the arbitrator within thirty (30) days of his or her appointment. Such submissions shall be copied to the other Party and any documents relied upon shall be attached. The other Party has a further twenty (20) days from receipt of the submission in which to submit any reply to the arbitrator (and shall also provide a copy to the other Party). The Parties shall provide promptly any further information requested by the arbitrator (with a copy to the other Party) and the arbitrator may carry out any inspections that he or she considers necessary. The arbitrator shall inform the Parties of his or her decision in writing within thirty (30) days of the closing of submissions made to the arbitrator by the Parties and, in any event, within sixty (60) days of the date of his or her appointment.

SECTION 8 TERM AND TERMINATION

8.1 **Term.** This Agreement shall commence on the Effective Date and shall remain in force until terminated in accordance with this Section 8 (the “**Term**”).

8.2 **Termination.** Other than provisions of this Agreement that are explicitly stated to survive the termination of this Agreement (including the making of Expenditures at least equal to

the Guaranteed Amount and the indemnification obligations contained herein), this Agreement will terminate upon the occurrence of the earliest of:

- (a) the written agreement by the Parties to terminate this Agreement;
- (b) [provision relating to termination in certain circumstances omitted];
- (c) Barrick electing to withdraw from the earn-in after completing the Guaranteed Amount of Expenditures and providing notice to Hemlo in accordance with Section 3.3;
- (d) Barrick failing to fund Expenditures in the amounts and by the dates required by Section 3.2(b)(ii), subject to the application of any cure periods under Section 3.4;
- (e) on written notice from Hemlo to Barrick if Barrick materially breaches this Agreement, and (i) such breach is incapable of being cured or (ii) such breach, being capable of cure, remains uncured 30 days after Hemlo provided Barrick with written notice of such breach; or
- (f) the Parties entering into the Joint Venture Shareholders Agreement (provided that any provision from this Agreement incorporated by reference into the Joint Venture Shareholders Agreement will survive and will form part of the Joint Venture Shareholders Agreement).

8.3 **No Further Obligations on Termination.** Upon termination of this Agreement, pursuant to Section 8.2(a), (b), (d) or (e), subject to the provisions of Section 8.4, Barrick shall (a) have no further obligation to make any payment or expend any additional amounts on the Property or the Mining Claims and (b) forfeit any and all rights and interests Barrick may have in the Mining Claims.

8.4 **Consequences of Termination.** Upon termination of the Earn-In Right and/or this Agreement for any reason other than Barrick's exercise of the Earn-In Right, Barrick and the Operator shall, at their sole cost and expense:

- (a) ensure the cell claims are in good standing for a period of not less than six (6) months following the termination of this Agreement;
- (b) reclaim and restore in compliance with Applicable Law (including Environmental Laws) any disturbance of the Property or the natural environment caused by the Operator's activities during the Earn-In Period;
- (c) execute and deliver to Hemlo all documents or instruments reasonably requested by Hemlo (in form satisfactory to Hemlo) necessary to release, quit claim and relinquish to Hemlo all right, title or interests of the Operator in or to the Property;
- (d) within sixty (60) days of the date of such termination enter on, in or under the Property at its sole risk in order to remove therefrom all such equipment, tools, materials, structures, apparatus or supplies brought thereon or thereunder by

Barrick or otherwise on its behalf and, to the extent Barrick does not remove such items within such sixty (60) days, they shall, at the sole option of Hemlo, become the property of Hemlo;

- (e) post security sufficient to permit any registered lien (or any lien that may be subsequently registered or attach) against the title to the Property to be discharged and forthwith take all such measures as are necessary in order to discharge such lien including making any required payments and initiating and prosecuting any required proceedings;
- (f) settle all outstanding commitments, expenditures and contractual obligations to third parties which it or its agents approved and for which it or its agents are liable in accordance with the respective terms and conditions of such commitments and obligations;
- (g) in the event any Mining Claims are registered and/recorded in the name of Barrick pursuant to Section 3.7, transfer and register and/or record any Mining Claims at the applicable registers in the name of Hemlo (100%); and
- (h) deliver to Hemlo all Business Information related to the Property in the possession of Barrick and all such Business Information related to the Property generated by or in the possession or control of Barrick or its agents, without any copy retained by Barrick or their agents except as would be permitted pursuant to Section 6.4 if all Business Information were Confidential Information (as certified by a senior officer of Barrick), and all such information shall be and remain the property of Hemlo and Hemlo shall be free to use such Business Information in its sole discretion.

For the purposes of this Section 8.4, “**Business Information**” includes all data and materials derived from the data relating to the Property, including Confidential Information.

This Section 8.4 and Barrick and the Operator’s obligations herein shall survive the termination of the Earn-In Right and this Agreement.

SECTION 9 RIGHT OF FIRST REFUSAL

9.1 **Barrick’s Right of First Refusal.** If, during the ROFR Period, Hemlo receives a bona fide definitive written offer (a “**Third Party Offer**”) to purchase a royalty, enter into a streaming or off-take arrangement, form a joint venture, or purchase, option or otherwise acquire all or any part of the ROFR Property (as applicable, the “**Offered Interest**”) that the board of directors of Hemlo determines in good faith is reasonably capable of being completed, taking in account all financial, legal or other aspects of the Third Party Offer and the Person making it, from any Person dealing at arm’s length with Hemlo and Hemlo is willing to accept such Third Party Offer, Hemlo shall promptly give notice of the Third Party Offer and offer to sell such Offered Interest to Barrick (the “**Notice of Offer**”) at the same price and otherwise on substantially the same terms and conditions are contained in the Third Party Offer, shall provide Barrick with the

best information available to Hemlo regarding the Offered Interest (including any information provided to the third party) and shall comply with this Section 9.

9.2 **Non-Cash Consideration.** If the Third Party Offer provides for consideration in a currency other than Canadian Dollars or non-cash consideration, then the Notice of Offer must contain a conversion of such consideration into Canadian Dollars as follows:

- (a) if all or part of the consideration is priced in a currency other than Canadian Dollars, such cash portion of the consideration shall be converted into Canadian Dollars at the average bilateral exchange rate from the currency at issue to Canadian Dollars for thirty (30) days ending on the date of the Notice of Offer as reported by the Bank of Canada on the website, <https://www.bankofcanada.ca/rates/exchange/>;
- (b) if all or part of the consideration is comprised of marketable securities, the value of such consideration shall be equal to the volume weighted average trading price of such securities on such stock exchange for the twenty (20) trading days preceding the date of the Notice of Offer; and
- (c) if all or part of the consideration is non-monetary or other than expressed in Canadian Dollars or marketable securities, or a combination thereof, a description of such consideration and a good faith estimate of the cash value of such non-monetary consideration in Canadian Dollars as of the date of the Notice of Offer.

9.3 **Notice of Offer.** The Notice of Offer must contain a copy of the Third Party Offer, disclose the identity and address of the Person making the Third Party Offer (the “**Third Party Offeror**”).

9.4 **Exercise of Right of First Refusal.** Barrick may, for a period of forty-five (45) days following the date of delivery of the Notice of Offer, accept the Notice of Offer by written notice delivered to Hemlo, and the Parties shall promptly execute definitive written agreements providing for the purchase of the Offered Interest by Barrick at the price and otherwise on the terms and conditions contained in the Notice of Offer.

9.5 **Acceptance by Hemlo of Third Party Offer.** If Barrick does not accept the Notice of Offer within the 45-day period specified in Section 9.4, Hemlo shall be free to dispose of all (but not less than all) of the Offered Interest pursuant to the Third Party Offer. Promptly upon execution and delivery of a definitive agreement(s) relating to the Third Party Offer, Hemlo shall, unless prohibited by a confidentiality agreement, deliver to Barrick an executed copy of such definitive agreement(s). If Hemlo and the Third Party Offeror have not entered into a binding written agreement (which may provide that closing is as of a subsequent date) pertaining to all (but not less than all) of the Offered Interest within 60 days of the expiry of the 45-day period set out in Section 9.4, then Hemlo shall again be required to comply with the terms of this Section 9 before disposing of the Offered Interest to any third party.

9.6 **Effect of Prohibited Transaction.** Any sale, Transfer, other disposition or other agreement made by Hemlo in violation of this Section 9 shall be null and void and of no force or effect whatsoever. However, nothing in this Agreement shall prevent the acquisition of control of Hemlo by any Person by way of a take-over bid or other comparable transaction, or the acquisition,

amalgamation, arrangement, merger or combination of Hemlo by, with or into any other Person, in each case. In such circumstances, no consent of Barrick will be required and such transaction shall not result in a violation of this Section 9.

9.7 **Hemlo West.** No disposition of all or any part of the Hemlo West Property (as identified on Schedule B) to the Biigtigong Nishnaabeg First Nation (or an entity controlled thereby) shall be subject to Barrick's right of first refusal set out in this Section 9 or any surrender of all or any part of such property to the Crown pursuant to a written agreement between Hemlo and the Biigtigong Nishnaabeg First Nation.

Otherwise, such communication will be deemed to have been given and made and to have been received on the next following Business Day. Any such communication sent by mail

will be deemed to have been given and made and to have been received on the fifth (5th) Business Day following the mailing thereof; provided, however, that no such communication will be mailed during any actual or apprehended disruption of postal services. Any such communication given or made in any other manner will be deemed to have been given or made and to have been received only upon actual receipt. Any Party may from time to time change its address under this Section 10.1 by notice to the other Party given in the manner provided by this Section 10.1. No Party shall prevent, hinder or delay or attempt to prevent, hinder or delay the service on that Party of a notice or other communication relating to this Agreement.

10.2 **Payments.** Any payment made under this Agreement from one Party to another may be made by certified cheque, electronic funds transfer, wire transfer or by personal delivery or overnight courier to the appropriate address set out in Section 10.1.

10.3 **Costs and Expenses.** Each Party shall be responsible for the payment of its own costs and expenses, including legal fees and disbursements, incurred by it in connection with the negotiation and execution of this Agreement and the Joint Venture Shareholders Agreement.

10.4 **Public Announcements.** Except to the extent otherwise required by Applicable Law or with the prior written consent of the other Party, neither Party shall make any public announcement regarding this Agreement, or the transactions contemplated by this Agreement. In the event that a Party is, or reasonably believes that it is, required to make a public announcement regarding this Agreement or the transactions contemplated by this Agreement, such Party shall promptly (and in any event prior to making any such public announcement) give the other Party reasonable opportunity to review and comment on any proposed public announcement and shall give reasonable consideration to the comments of the other Party thereon, unless such disclosure is required to meet timely disclosure obligations of such Parties or their Affiliates under Applicable Law in circumstances where prior consultation with the other Parties is not practicable, and a copy of such disclosure shall be provided to the other Parties at such time as it is made publicly available.

10.5 **Filing of Agreement.** Each Party agrees that if a Party or any of its Affiliates is required to file a copy of this Agreement in any public registry, filing system or depository in order to comply with Applicable Law, it shall notify the other Party of such requirement within two Business Days of the date of this Agreement, and the Parties shall consult with each other with respect to any proposed redactions to this Agreement in compliance with such Applicable Law before it is filed in any such registry, filing system or depository.

10.6 **Further Assurances.** Each Party shall from time to time promptly execute and deliver all further documents and take all further action reasonably necessary or desirable to give effect to the terms and intent of this Agreement.

10.7 **Time.** For every provision in this Agreement, time is of the essence in all respects.

10.8 **Successors and Assigns.** This Agreement will enure to the benefit of, and be binding on, the Parties and their respective successors and permitted assigns. No Party may assign, subcontract or transfer, whether absolutely, by way of security or otherwise, all or any part of its rights, duties or obligations under this Agreement without the prior written consent of the other Party.

10.9 **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties pertaining to the subject matter of this Agreement and supersedes the term sheet dated March 31, 2022 between Barrick and Hemlo and all prior agreements, understandings, negotiations and discussions, whether oral or written. There are no conditions, warranties, representations or other agreements between the Parties in connection with the subject matter of this Agreement (whether oral or written, express or implied, statutory or otherwise) except as specifically set out in this Agreement.

10.10 **Amendment and Waiver.** No amendment of this Agreement will be effective unless made in writing and signed by the Parties. A waiver of any default, breach or non-compliance under this Agreement is not effective unless in writing and signed by the Party to be bound by the waiver. No waiver will be inferred from or implied by any failure to act or delay in acting by a Party in respect of any default, breach or non-observance or by anything done or omitted to be done by the other Parties. The waiver by a Party of any default, breach or non-compliance under this Agreement will not operate as a waiver of that Party's rights under this Agreement in respect of any continuing or subsequent default, breach or non-observance (whether of the same or any other nature).

10.11 **Severability.** Any provision of this Agreement, which is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

10.12 **Attornment.** Each Party agrees (i) that any action or proceeding relating to this Agreement may (but need not) be brought in any court of competent jurisdiction in the Province of Ontario, and for that purpose now irrevocably and unconditionally attorns and submits to the jurisdiction of such Ontario court; (ii) that it irrevocably waives any right to, and will not, oppose any such Ontario action or proceeding on any jurisdictional basis, including *forum non conveniens*; and (iii) not to oppose the enforcement against it in any other jurisdiction of any Order duly obtained from an Ontario court as contemplated by this Section 10.12.

10.13 **Governing Law.** This Agreement will be governed by and construed in accordance with the Laws of the Province of Ontario and the Laws of Canada applicable in that Province and will be treated, in all respects, as an Ontario contract.

10.14 **Counterparts.** This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original and all of which taken together will be deemed to constitute one and the same instrument. The execution and delivery of this Agreement may be effected by electronic transmission (including PDF) and a signature transmitted by means of electronic transmission (including PDF) shall be as valid and effective as an original signature.
