TSX Venture Exchange

Dear Sirs/Mesdames:

Re: Independent Technical Report

We refer to our independent technical report entitled “Technical Report for Cadman Resources Inc. On the Golden Star, Baseline and Nugget Vein Gold Properties” dated May 13, 2011 (the “**43-101 Report**”) prepared for Cadman Resources Inc.

We have read the press release of the Corporation dated May 19, 2011, relating to the 43-101 Report (the “**Press Release**”) and confirm that it fairly and accurately represents the information in the 43-101 Report.

We consent to:

1. the filing of the 43-101 Report on SEDAR, with the TSX Venture Exchange and with the Canadian securities regulatory authorities;
2. being named in the Press Release; and
3. to the written disclosure of the 43-101 Report, as such disclosure from the 43-101 Report has been included in the Press Release.

Yours sincerely,

Northwest Mineral Development Services

“Richard Beard”

Richard Beard, P.Eng.
