

MANAGEMENT PROXY CIRCULAR

(unless otherwise noted, as at May 18, 2018)

This management proxy circular (“Information Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of Matica Enterprises Inc. (“Matica”) for use at the annual general and special meeting of shareholders (the “Matica Shareholders”) of Matica (the “Meeting”) to be held at 44 Victoria Street, Suite 1102, Toronto, Ontario, on Friday, June 29, 2018 at 2:00 p.m. (EDT) and at any adjournment(s) or postponement(s) thereof for the purposes set forth in the Notice of Meeting.

Forward-Looking Statements

Certain of the statements and information in this Information Circular constitute “forward-looking statements” or “forward-looking information” within the meaning of applicable securities legislation. In certain cases, forward-looking statements or information can be identified by the use of words such as “believe”, “intend”, “may”, “will”, “should”, “plans”, “anticipates”, “believes”, “potential”, “intends”, “expects” and other similar expressions. Forward-looking statements and information in this Information Circular relate to, among other things: the receipt of all necessary regulatory approvals and satisfaction of all other conditions in connection with the application for a license under the Access to Cannabis for Medical Purposes Regulations (“ACMPR”), and other statements that are not historical facts.

Key assumptions upon which forward-looking statements and information are based include that RoyalMax Biotechnologies Inc. will ultimately be licensed under the ACMPR. This assumption should be considered carefully. Readers are cautioned that the foregoing assumption is not exhaustive. Although Matica believes that the assumptions on which any forward-looking statements or information are made are reasonable, based on the information available to Matica on the date such statements are made, no assurances can be given as to whether these assumptions will prove to be correct.

Forward-looking statements or information are subject to known and unknown risks, uncertainties and other factors that could cause actual events or results to differ from those reflected in the forward-looking statements or information. Such risks, uncertainties and other factors include among others; the risk that the proposed transaction will not be completed if the requirements of the definitive agreement are not met or that the necessary approvals and/or exemptions are not obtained or some other condition to the closing of the proposed transaction is not satisfied; the risk that completing the proposed transaction could be delayed if Matica is not able to obtain the necessary approvals on the timelines planned; the risk of changes to assumptions relating to the parties completing the requirements of the definitive agreement, its structure, and the timing thereof, the timing of obtaining required approvals and satisfying closing conditions for the proposed transaction, the state of the economy in general and capital markets in particular, and the investor interest in the business and future prospects of Matica. In addition, if the proposed transaction is completed, there are significant risks associated with the medical marijuana sector and those described under the heading “Risk Factors” in this Information Circular. Should one or more of these risks, uncertainties or other factors materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in any forward-looking statements and information.

Readers are cautioned that the foregoing list of factors is not exhaustive of the factors that may affect forward-looking statements. Readers are also cautioned to consider these and other factors, uncertainties and potential events carefully and not put undue reliance on forward-looking statements. The forward-looking statements contained in this Information Circular are based upon what management currently believes to be reasonable assumptions. Actual results, performance, or achievements could differ materially from those expressed in, or implied by, these forward-looking statements and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what benefits will be derived therefrom. These forward-looking statements are made as of the date of this Information Circular and, other than as specifically required by law, Matica does not assume any obligation to update or revise any forward-looking statement to reflect events or circumstances after the date on which such statement is made, or to reflect the occurrence of unanticipated events, whether as a result of new information, future events or results, or otherwise.

Notice Regarding Information

Information in this Information Circular is given as at May 18, 2018 unless otherwise indicated and except for information contained in the documents incorporated herein by reference, which is given as at the respective dates stated therein.

No person is authorized to give any information or make any representation not contained in this Information Circular and, if given or made, such information or representation should not be relied upon as having been authorized. This Information Circular does not constitute an offer to sell, or a solicitation of an offer to purchase, any securities, or the solicitation of a proxy, by any person in any jurisdiction in which such an offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such an offer or solicitation of an offer or proxy solicitation. Neither delivery of this Information Circular nor any distribution of the securities referred to in this Information Circular will, under any circumstances, create an implication that there has been no change in the information set forth herein since the date of this Information Circular.

GENERAL INFORMATION CONCERNING THE MEETING AND VOTING

Time, Date and Place

The Meeting will be held at 44 Victoria Street, Suite 1102, Toronto, Ontario, on Friday, June 29, 2018 at 2:00 p.m. (EDT). The Matica Board has fixed the close of business on May 7, 2018 as the Record Date, being the date for the determination of the registered holders of Matica Shares entitled to receive notice of the Meeting.

Solicitation of Proxies

This Information Circular is provided in connection with the solicitation by the management of Matica of proxies to be used at the Meeting. The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of Matica.

Matica has arranged for intermediaries to forward the meeting materials to beneficial owners of the Matica Shares held of record by those intermediaries and Matica may reimburse the intermediaries for their reasonable fees and disbursements in that regard. Matica will bear all costs of this solicitation.

Appointment of Proxyholder

The individuals named in the accompanying form of proxy are officers and/or directors of Matica. **If you are a Securityholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the form of proxy accompanying this Information Circular, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the form of proxy accompanying this Information Circular or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the form of proxy accompanying this Information Circular will vote or withhold Matica Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Matica Shares will be voted accordingly. **In the absence of any instructions to the contrary, the Matica Shares represented by proxies received by management will be voted FOR the approval of the continuation of the existing stock option plan, among other things.**

The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) any matter or group of matters identified therein for which a choice is not specified;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting or any adjournments thereof.

At the date of this Information Circular, management of Matica knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any other matters do properly come before the Meeting, it is intended that the person appointed as proxy will vote on such other business in such manner as that person then considers to be proper.

Matica is not using the “notice-and-access” delivery procedures recently established under Canadian securities legislation.

Registered Matica Shareholders

Registered holders of Matica common shares may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered holders of Matica common shares electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to Matica’s transfer agent, Capital Transfer Agency Inc., by mail to 390 Bay Street, Suite 920, Toronto, ON M5H 2Y2 or by hand delivery at 390 Bay Street, Suite 920, Toronto, ON , or by fax to (416) 350-5008, in all cases ensuring that the form of proxy is received before 2:00 p.m. (EDT) on Wednesday June 27, 2018 or if the Meeting is adjourned or postponed, at least 48 business hours (where “business hours” means hours on days other than a Saturday, Sunday or any other holiday in British Columbia or Ontario) before the time on the date to which the Meeting is adjourned or postponed.

Beneficial Matica Shareholders

The following information is of significant importance to shareholders who do not hold Matica Shares in their own name. Beneficial Matica Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of Matica as the registered holders of Matica Shares) or as set out in the following disclosure.

If Matica Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Matica Shares will not be registered in the shareholder’s name on the records of Matica. Such Matica Shares will more likely be registered under the names of intermediaries. In the United States, the vast majority of such Matica Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depositary for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Intermediaries are required to seek voting instructions from Beneficial Matica Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

MATICA ENTERPRISES INC.

There are two kinds of Beneficial Matica Shareholders – those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

Matica is taking advantage of the provisions of NI 54-101 that permit it to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a voter information form (“VIF”) from Matica’s transfer agent, Capital Transfer Agency Inc. The VIF is to be completed and returned to Capital Transfer Agency Inc. as set out in the instructions provided on the VIF. Capital Transfer Agency Inc. will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of Matica. If you are a non-registered owner, and Matica or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf. By choosing to send these materials to you directly, Matica (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Objecting Beneficial Owners

Beneficial Matica Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Matica Shares are voted at the Meeting.

Matica does not intend to pay for intermediaries to deliver to OBOs the meeting materials and Form 54-101F7 Request for Voting Instructions Made by Intermediary. An OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered holders of Matica common shares. However, its purpose is limited to instructing the intermediary on how to vote your Matica common shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by Matica. The VIF will name the same persons as Matica’s proxy to represent your Matica common shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Matica Shareholder), other than any of the persons designated in the VIF, to represent your Matica common shares at the Meeting and that person might be you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Matica common shares to be represented at the Meeting and the appointment of any shareholder’s representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Matica common shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Matica common shares at the Meeting.**

Notice to Matica Securityholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and are being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the U.S. Exchange Act are not applicable to Matica or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Matica Securityholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

MATICA ENTERPRISES INC.

The enforcement by Matica Securityholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that Matica is existing under the Business Corporations Act, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Securityholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxy

In addition to revocation in any other manner permitted by law, a registered Matica Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered holder of Matica Shares or the authorized attorney thereof in writing, or, if the registered holder of Matica Shares is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Capital Transfer Agency Inc. at 390 Bay Street, Suite 920, Toronto, ON M5H 2Y2, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered holder's Matica Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

ANNUAL GENERAL MEETING MATTERS

Voting Securities and Principal Holders of Voting Securities

As at the date of the accompanying Notice of Meeting, Matica's authorized capital consists of an unlimited number of common shares of which 293,900,909 common shares are issued and outstanding. Each common share in the capital of Matica has the right to one vote.

Shareholders registered as at May 7, 2018, are entitled to attend and vote at the Meeting. Shareholders who wish to be represented by proxy at the Meeting must, to entitle the person appointed by the Proxy to attend and vote, deliver their Proxies at the place and within the time set forth in the notes to the Proxy.

To the knowledge of the directors and executive officers of Matica, as of the date of this Circular, no persons beneficially own, directly or indirectly, or exercise control or direction over, 10% or more of the issued and outstanding common shares of Matica.

Fix the Number of Directors to be Elected at the Meeting

Shareholders of Matica will be asked to consider and, if thought appropriate, to approve and adopt an ordinary resolution fixing the number of directors to be elected at the Meeting. In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by shareholders who vote in respect of the resolution.

At the Meeting, it will be proposed that Matica fix the number of directors to be elected at four.

Unless otherwise instructed, the named proxyholders will vote FOR the ordinary resolution fixing the number of directors to be elected at the Meeting at four.

MATICA ENTERPRISES INC.

The required insider reports were filed and the BCSC CTO was revoked August 16, 2010.

Individual Bankruptcies

Other than Mr. Charn Deol, no director or proposed director of Matica has, within the ten years prior to the date of this Circular, become bankrupt or made a proposal under any legislation relating to bankruptcy or insolvency, or been subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that individual. Mr. Charn Deol was discharged out of bankruptcy in 2013.

None of the proposed directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority, has entered into a settlement agreement with a securities regulatory authority or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would be likely to be considered important to a reasonable security holder making a decision about whether to vote for the proposed director.

Executive Compensation

Named Executive Officers

During the financial year ended December 31, 2017, Matica had two Named Executive Officers (“NEOs”) being, Boris Ziger, Chief Executive Officer (“CEO”), and George A. Brown, the Interim Chief Financial Officer (“CFO”) of Matica.

“Named Executive Officer” means: (a) each CEO, (b) each CFO, (c) each of the three most highly compensated executive officers of the company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000; and (d) each individual who would be a NEO under (c) above but for the fact that the individual was neither an executive officer of Matica, nor acting in a similar capacity, at the end of that financial year.

Compensation Discussion and Analysis

The Board’s compensation program is designed to provide competitive levels of compensation, a significant portion of which is dependent upon individual and corporate performance and contribution to increasing shareholder value. The Board recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive’s level of responsibility. In general, a NEO’s compensation is comprised of consulting payments and stock option grants. The objectives and reasons for this system of compensation are generally to allow Matica to remain competitive compared to its peers in attracting and retaining experienced personnel. All salaries and/or consulting fees are to be set on a basis of a review and comparison of compensation paid to executives at similar companies.

Share-Based and Option-Based Awards

Matica does not grant share-based awards. The Board is responsible for granting stock options to the NEOs. Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of Matica, but these rewards are highly dependent upon the volatile stock market, much of which is beyond the control of the NEOs. When new options are granted, the Board takes into account the previous grants of stock options, the number of stock options currently held, position, overall individual performance, anticipated contribution to Matica’s future success and the individual’s ability to influence corporate and business performance. The purpose of granting such stock options is to assist Matica in compensating, attracting, retaining and motivating the officers, directors and employees of Matica and to closely align the personal interest of such persons to the interest of the shareholders.

The exercise price of the stock options granted is determined by the previous closing market price at the time of grant, less any allowable discount.

Compensation Governance

The compensation of Matica’s directors and executive officers is set by the independent directors of the board after taking into account both the compensation paid to executives at similar sized companies and the contribution of each director and/or executive officer to the successful operation of Matica.

MATICA ENTERPRISES INC.

Note:

- (1) The fair value of option-based awards is determined by the Black-Scholes Option Pricing Model with assumptions for risk-free interest rates, dividend yields, volatility factors of the expected market price of Matica's common shares and expected life of the options. Matica has chosen the Black-Scholes methodology to calculate the grant date fair value of option-based awards as it is the methodology used in the Company financial statements.
- (2) Other compensation consists of the value of shares issued in lieu of salary to the CEO and Interim CFO for 2016 and 2017 compensation.

Narrative Discussion

There are currently no employment contracts in place for the Named Executive Officers.

Narrative Discussion

The following information is a brief description of Matica's existing stock option plan (the "**Stock Option Plan**") and is qualified in its entirety by the full text of the Stock Option Plan, which will be available for review at the Meeting.

Stock options granted under the Stock Option Plan are exercisable over periods of up to 5 years from the date of the grant as determined by the Board and are required to have an exercise price no less than the previous closing price of Matica's shares traded through the stock exchange on which Matica's shares are then trading, less any discount permitted by the stock exchange. The maximum number of common shares which may be issued pursuant to stock options previously granted and those granted under the Stock Option Plan will be 10% of the issued and outstanding common shares of Matica at the time of grant. In addition, the number of shares which may be reserved for issuance to any one insider may not exceed 10% of the issued shares on a yearly basis or not more than 2% of the issued shares on a yearly basis if granted to any one consultant or employee engaged in investor relations activities. Stock options are subject to vesting at the discretion of the Board.

Any stock options granted pursuant to the Stock Option Plan will terminate on the earlier of the expiry date of the grant or 90 days after the stock option holder ceases to act as a director, officer, employee or consultant of Matica. If such cessation is on account of retirement or death, the stock option will terminate on the earlier of the expiry date of the grant or twelve months after the termination of services. Any stock options granted to a stock option holder engaged primarily to provide investor relations activities will terminate on the earlier of the expiry date of the grant or 30 days after termination of services.

Pension Benefits

Matica does not have a pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement.

Termination and Change of Control Benefits

At the end of the most recently completed financial year, Matica had no compensatory plan, contract or arrangement where a NEO was entitled to receive more than \$100,000 from Matica (including periodic payments or instalments) to compensate such executive officer in the event of resignation, retirement or other termination of the NEO's employment with Matica, a change of control of Matica or its subsidiaries, or a change in responsibilities of the NEO following a change in control.

Director Compensation

Other than compensation paid to the NEOs, and as noted in disclosures that follow, \$1,500 of compensation per fiscal quarter was paid to directors in their capacity as directors of Matica or its subsidiaries, in their capacity as members of a committee of the Board or of a committee of the board of directors of its subsidiaries, or as consultants or experts, during Matica's most recently completed financial year.

Accordingly, at the Meeting, the shareholders will be asked to pass the following resolution:

"IT IS RESOLVED THAT UHY McGovern Hurley LLP, Chartered Accountants, be appointed as the auditors of Matica, and the board of Directors of Matica are hereby authorized to fix the remuneration of UHY McGovern Hurley LLP, Chartered Accountants."

Audit Committee

Matica is to have an audit committee comprised of not less than three directors, a majority of whom should be independent.

Audit Committee Charter

The text of the audit committee's charter is attached as Appendix "A" to this Circular.

Composition of Audit Committee and Independence

National Instrument 52-110 *Audit Committees*, ("**NI 52-110**") provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with Matica, which could, in the view of Matica's Board, reasonably interfere with the exercise of the member's independent judgment.

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by Matica's financial statements. All of the members of Matica's audit committee are financially literate as that term is defined. The following sets out the members of the audit committee and their education and experience that is relevant to the performance of his responsibilities as an audit committee member.

Matica's current audit committee consists of George Brown, Charn Deol, and Denis Bouchard. In the view of Management of Matica, Charn Deol and Denis Bouchard are "independent" as such term is defined in NI 52-110. George Brown, Charn Deol, and Denis Bouchard are "financially literate" as such terms are defined in NI 52-110.

Reliance on Certain Exemptions

- (a) the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110; or

The following table sets forth the fees paid by Matica and its subsidiaries to UHY McGovern Hurley LLP, Chartered Accountants, for services rendered in the last two fiscal years:

	<u>2017</u>	<u>2016</u>
	(\$)	(\$)

All other fees ⁽⁴⁾	400	750
Total	<u>\$22,900</u>	<u>\$40,750</u>

Notes:

- (1) "Audit fees" include fees necessary to perform the annual audit and quarterly reviews of Matica's consolidated financial statements; fees for review of tax provisions; accounting consultations on matters reflected in the financial statements; and, audit or other attest services required by legislation or regulation, such as comfort letters, consents, reviews of securities filings and statutory audits.
- (2) "Audited related fees" include services that are traditionally performed by the auditor such as employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews and audit or attest services not required by legislation or regulation.
- (3) "Tax fees" includes fees for all tax services other than those included in "Audit fees" and "Audit related fees". This category includes fees for tax compliance, tax planning and tax advice. Tax planning and tax advice includes assistance with tax audits and appeals, tax advice related to mergers and acquisitions, and requests for rulings or technical advice from tax authorities.
- (4) "All other fees" include all other non-audit services.

Exemption in Section 6.1

Matica is a "venture issuer" as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*).

Corporate Governance Disclosure

National Instrument 58-101, *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the "**Guidelines**") adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by Matica in adopting its corporate governance practices. Matica's approach to corporate governance is set out below.

Matica Board

Management is nominating four individuals to Matica's Board all of whom are current directors of Matica.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as "independent" directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect "material relationship" with Matica. The "material relationship" is defined as a relationship which could, in the view of Matica's Board, reasonably interfere with the exercise of a director's independent judgement. All of the current members of the Board are considered "independent" within the meaning of NI 52-110, except for Boris Ziger, who is Matica's Chief Executive Officer and George Brown, who is currently Interim Chief Financial Officer.

MATICA ENTERPRISES INC.

Directorships

The following directors of Matica are also directors of other reporting issuers:

- George A. Brown is a director of Terreno Resources Corp.
- Charn Deol is a director of Berkwood Resources Ltd., Makena Resources Inc., Saville Resources Inc., and United Lithium Corp.

Orientation and Continuing Education

Matica does not have an orientation or continuing education program for new directors.

Ethical Business Conduct

To date, the Board has not adopted a formal written Code of Business Conduct and Ethics. However, the current limited size of Matica's operations, and the small number of officers and consultants, allow the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As Matica grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination of Directors

The Board as a whole is responsible for recruiting and nominating new members to the Matica Board and planning for the succession of directors.

Compensation

The board reviews adequacy and form of compensation and compares it to other companies of similar size and stage of development. Directors' compensation is currently in the form of stock option grants.

Other Board Committees

At present time, the only standing committee is the Audit Committee. The written charter of the Audit Committee, as required by NI 52-110, is contained in Appendix "B" to this Circular. As Matica grows, and its operations and management structure become more complex, the Board expects it will constitute formal standing committees, such as a Corporate Governance Committee, a Compensation Committee and a Nominating Committee, and will ensure that such committees are governed by written charters and are composed of at least a majority of independent directors.

Assessments

The Matica Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of any committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Matica Board monitors the adequacy of information given to directors, communication between Board and Management and the strategic direction and processes of the Board and its committee(s).

The Matica Board believes its corporate governance practices are appropriate and effective for Matica, given its size and operations. Matica's corporate governance practices allow Matica to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.

CONTINUATION OF THE EXISTING STOCK OPTION PLAN

The Board of Directors is seeking shareholder approval for the continuation of the existing stock option plan (the “**Stock Option Plan**”), subject to regulatory approval, and as more particularly described below.

The existing Stock Option Plan was last approved by shareholders on June 30, 2017. There are currently stock options outstanding under the existing Stock Option Plan representing % of the current outstanding common shares of Matica. The Board of Directors has deemed it appropriate to update the approval of the Stock Option Plan. Matica is therefore seeking approval for the continuation of the existing Stock Option Plan. If the continuation of the Stock Option Plan is approved, options to purchase common shares will be available to be granted, which, when combined with outstanding options, will represent up to 10% of the outstanding common shares of Matica.

The following information is intended as a brief description of the Stock Option Plan. The full text of the Stock Option Plan was filed on SEDAR on August 28, 2014 attached as Appendix “C” to the Information Circular dated August 20, 2014. A copy may also be requested from the Company and will be made available at the meeting.

1. The maximum number of Matica common shares issuable under the Stock Option Plan, together with the number of Matica Shares issuable under outstanding options granted otherwise than under the Plan, shall not exceed 10% of the Matica Shares outstanding from time to time.
2. The Exercise Price shall be that price per share, as determined by the Board in its sole discretion as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, and shall not be less than the previous closing price of the Company’s Shares traded through the facilities of the Exchange prior to the grant of the Option, less any discount permitted by the Exchange, or such other price as may be required by the Exchange.
3. The Board will not grant options: (a) to any one person in any 12-month period which could, when exercised, result in the issuance of Matica Shares exceeding five percent (5%) of the issued and outstanding Matica Shares unless Matica has obtained the requisite disinterested shareholder approval to the grant.
4. If the option holder ceases to be a director of Matica or ceases to be employed by Matica (other than by reason of retirement or death), or ceases to be a consultant of Matica as the case may be, then the option granted will expire on no later than the 90th day following the date that the option holder ceases to be a director, ceases to be employed by Matica or ceases to be a consultant of Matica, subject to the terms and conditions set out in the Stock Option Plan.

At the Meeting, the shareholders will be asked to consider and, if deemed appropriate, to pass the following ordinary resolution, with or without variation (the “**Stock Option Plan Resolution**”):

BE IT RESOLVED, as an ordinary resolution of the shareholders of Matica, that:

1. **The continuation of the existing Stock Option Plan is authorized, approved and confirmed; and**
2. **Any one director or officer of Matica, signing alone, be authorized to execute and deliver all such documents and instruments and to do such further acts, as may be necessary to give full effect to these resolutions or as may be required to carry out the full intent and meaning thereof.**

An ordinary resolution is a resolution passed at the Meeting by a simple majority of the votes cast by shareholders voting common shares at the Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT EACH SHAREHOLDER VOTE “FOR” THE STOCK OPTION PLAN RESOLUTION. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying Proxy intend to vote the common shares represented by such Proxy, properly executed, FOR the Stock Option Plan Resolution.**
