

West Island Makes Cannabis 2.0 Application

Toronto, Ontario--(Newsfile Corp. - March 8, 2022) - **West Island Brands Inc. (CSE: WIB) (FSE: 39N0) (OTCQB: WIBFF) ("West Island" or the "Company")** is pleased to announce the Company's subsidiary, RoyalMax Biotechnology Canada Inc. D.B.A. West Island Culture ("West Island"), has completed and submitted the required materials to amend the Company's Health Canada license to enable the sale of cannabis extracts, including hashish, as per Cannabis 2.0. Once amended, West Island will be authorized upon receipt to process and sell Cannabis 2.0 products directly to provincial distributors and other authorized Canadian retail supply channels.

Further, West Island Culture has entered an agreement to market cannabis-based hashish and other concentrates with Oaziz Extracts Inc. ("Oaziz"). Oaziz is Montreal-based, Health Canada Licence Holder which specializes in the development, processing, and production of cannabis-based concentrates. West Island and Oaziz will cooperate to develop, produce, and commercialize strain specific cannabis extracts in Canada for sale through West Island's distribution network.

Oaziz CEO, Jorge Sousa, "The Oaziz's team his excited to be working with the WIB management team, this might be news to many today however it has been over a year that both teams have been exchanging and exploring ideas. Based on the principle of this agreement our focus will be to delight consumers in specific cannabis product segments."
