SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR ("CIRCULAR") IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF VETA RESOURCES INC. (the "**Corporation**") of proxies to be used at the annual and special meeting of shareholders of the Corporation to be held on Wednesday, September 30, 2020 at the hour of 10:00 a.m. (Eastern time) at Suite 401, 217 Queen Street West, Toronto, Ontario M5V 0R2, and at any adjournment or postponement thereof (the "**Meeting**") for the purposes set out in the enclosed notice of meeting (the "**Notice**"). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Corporation's proxy solicitation materials (the "**Meeting Materials**") to the beneficial owners of the common shares of the Corporation (the "**Common Shares**") held of record by such parties. The Corporation may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Corporation. The Corporation may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Corporation in favour of the matters set forth in the Notice.

COVID-19 GUIDANCE

In the context of the effort to mitigate potential risk to the health and safety associated with COVID-19 and in compliance with the orders and directives of the Government of Canada, the Province of Ontario and the City of Toronto, the shareholders are being discouraged from attending the Meeting in person. All shareholders are encouraged to vote on the matters before the Meeting by proxy in the manner set out herein.

APPOINTMENT AND REVOCATION OF PROXIES

A holder of Common Shares who appears on the records maintained by the Corporation's registrar and transfer agent as a registered holder of Common Shares (each a "**Registered Shareholder**") may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Corporation. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the Corporation's transfer agent and registrar, TSX Trust Company (the "**Transfer Agent**"), not later than 10:00 a.m. (Eastern time) on Monday, September 28, 2020 or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies may be deposited with the Transfer Agent using one of the following methods:

By Mail:	TSX Trust Company Suite 301, 100 Adelaide Street West, Toronto, Ontario M5H 4H1
Facsimile:	416-595-9593
By Internet:	www.voteproxyonline.com You will need to provide your 12 digit control number (located on the form of proxy accompanying this Circular)

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof at, or by transmitting by telephone or electronic means, a revocation signed, by electronic signature, to (i) the registered office of the Corporation, located at Suite 401, 217 Queen Street West, Toronto, Ontario M5V 0R2, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation, as a substantial number of shareholders of the Corporation do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a non-registered holder (each a "Non-Registered Holder") are registered either: (i) in the name of an intermediary (an "Intermediary") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIAs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) (a "Clearing Agency") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("OBOs") and those who do not object to their identity being made known to the issuers of the securities which they own ("NOBOs"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Corporation or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Corporation's OBOs can expect to be contacted by their Intermediary. The Corporation does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "VIF"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominees name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Corporation as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value. As of Monday, August 24, 2020 (the "**Meeting Record Date**"), there were a total of 23,186,320 Common Shares issued and outstanding. Each Common Share outstanding on the Meeting Record Date carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Meeting Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every shareholder and proxy holder will have one vote and, on a poll, every shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the Corporation's directors and executive officers, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares, other than as set forth below:

None of the proposed directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

3. APPOINTMENT OF AUDITORS

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF MCGOVERN HURLEY LLP, CHARTERED ACCOUNTANTS, AS AUDITORS OF THE CORPORATION TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. McGovern Hurley LLP, Chartered Accountants (formerly, McGovern, Hurley, Cunningham, LLP, Chartered Accountants), were first appointed as the auditors of the Corporation on November 27, 2014.

4. AMENDMENT TO ARTICLES – NAME CHANGE

The Company intends to change its name to such name as the Board, in its sole discretion, may determine and as may be acceptable to the Director appointed under the *Canada Business Corporation Act* (the "Name Change"). Management believes that the Name Change is in the best interests of the Company in order to reflect contemplated changes in the business activities of the Company.

At the Meeting, shareholders will be asked to consider and, if deemed advisable, to pass, with or without variation, a special resolution, the text of which is attached as exhibit A to the Notice (the "Name Change Resolution"), authorizing the amendment of the articles of incorporation of the Company to effect the Name Change.

In order to pass the Name Change Resolution, at least two thirds of the votes cast by the shareholders present at the Meeting in person or by proxy must be voted in favour of the Name Change Resolution. If the Name Change Resolution does not receive the requisite shareholder approval, the Company will continue under its present name.

The Board recommends that shareholders vote in favour of the Name Change Resolution to approve the Name Change as set out above.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE NAME CHANGE RESOLUTION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.

5. AMENDMENT TO ARTICLES - CONSOLIDATION

At the Meeting, shareholders are being asked to consider and, if deemed advisable, pass, with or without variation, a special resolution, the text of which is attached as exhibit B to the Notice (the "Consolidation Resolution"), which would authorize the Company to effect a consolidation of all of the issued and outstanding Common Shares on the basis of up to 10 pre-consolidation Common Shares, or such lesser number of pre-consolidation Common Shares as the directors of the Company in their discretion may determine, for one post-consolidation Common Share (the "Consolidation"). In the event that shareholders pass the Consolidation Resolution and the Board determines to consolidate on a maximum 10:1 basis, the presently issued and outstanding 23,186,320 Common Shares will be consolidated into approximately 2,318,632 Common Shares. If the Board determines to consolidate the Common Shares on a lesser basis, more Common Shares will remain outstanding following the Consolidation. Any fractional Common Shares arising from the Consolidation will be rounded down to the nearest whole Common Share. If the Consolidation would otherwise result in a shareholder holding a fraction of a Common Share, no fraction or fractional certificate will be issued and the shareholder will not receive a whole Common Share for each such fraction held. In all other respects, the post-consolidated Common Shares will have the same attributes as the pre-consolidation Common Shares.

The Company believes that the Consolidation will both enhance the marketability of the Company as an investment and better position the Company to raise the funds necessary for the continued development of its business and the growth of the Company.

In order to pass, the Consolidation Resolution must be approved by at least two thirds of the votes cast by the shareholders, present at the Meeting in person or represented by proxy. If the Consolidation Resolution does not receive the requisite shareholder approval, the Company will continue with its present share capital.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE CONSOLIDATION RESOLUTION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST THE CONSOLIDATION RESOLUTION.

Stock Options and Other Compensation Securities

No compensation securities were granted or issued to any Named Executive Officer or to any director of the Corporation during the most recently completed financial year of the Corporation for services provided or to be provided, directly or indirectly, to the Corporation or any of its subsidiaries.

No compensation securities were exercised by any Named Executive Officer or any director of the Corporation during the most recently completed financial year of the Corporation.

Stock Option Plan and other Incentive Plans

The Corporation has in place a "rolling" stock option plan (the "Stock Option Plan") which was approved by the shareholders on June 27, 2013.

The purpose of the Stock Option Plan is to, among other things, encourage Common Share ownership in the Corporation by directors, officers, employees and consultants of the Corporation and its affiliates and other designated persons. Stock options may be granted under the Stock Option Plan to directors, senior officers, employees and consultants of the Corporation and its subsidiaries and other designated persons as designated from time to time by the Board. The number of stock options which may be issued under the Stock Option Plan is limited to 10% of the number of Common Shares outstanding at the time of the grant of the stock options. As at the date hereof, 2,318,632 stock options may be reserved for issue pursuant to the Stock Option Plan, 1,550,000 stock options have been issued and 768,632 stock options are still available for issue. The maximum number of Common Shares which may be reserved for issuance to any one director, senior officer or employee under the Stock Option Plan is 5% of the Common Shares outstanding at the time of the grant (calculated on a non-diluted basis) and 2% with respect to any one consultant of the Corporation. Any Common Shares subject to a stock option which for any reason is cancelled or terminated prior to exercise will be available for a subsequent grant under the Stock Option Plan. As the Common Shares are not currently listed, the Corporation has granted stock options at a price equal to the price of the various private placements completed by the Corporation. In the event that the Common Shares become listed on a recognized Canadian stock exchange, the stock option price cannot be less than the closing price of the Common Shares on the day immediately preceding the day upon which the stock option is granted, less any discount permitted by the policies of the exchange on which the Common Shares are listed. Stock options granted under the Stock Option Plan may be exercised during a period not exceeding five years, subject to earlier termination upon the termination of the optionee's employment or upon the optionee ceasing to have a designated relationship with the Corporation, as applicable. The options are non-transferable. The Stock Option Plan contains provisions for adjustment in the number of Common Shares issuable thereunder in the event of a subdivision, consolidation, reclassification or change of the Common Shares, a merger or other relevant changes in the Corporation's capitalization. The Board may terminate the Stock Option Plan at any time or, subject to shareholder approval in certain circumstances, the Board may from time to time amend or revise the terms of the Stock Option Plan. The Stock Option Plan does not contain any provision for financial assistance by the Corporation in respect of stock options granted under the Stock Option Plan.

The Corporation has no equity compensation plans other than the Stock Option Plan.

Employment, Consulting and Management Agreements

The Corporation does not have in place any employment agreements between the Corporation or any subsidiary or affiliate thereof and its Named Executive Officers.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board, at the recommendation of the management of the Corporation, determines the compensation payable to the directors of the Corporation and reviews such compensation periodically throughout the year. For their role as directors of the Corporation, each director of the Corporation who is not a Named Executive Officer may, from time to time, be awarded stock options under the provisions of the Stock Option Plan. There are no other arrangements under which the directors of the Corporation who are not Named Executive Officers were compensated by the Corporation or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Corporation.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Corporation believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Corporation as a whole. The primary components of the Corporation's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Corporation's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Corporation and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Corporation's long term value; and
5. connect, if possible, the Corporation's employees into principles 1 through 4 above.

The Board is responsible for the Corporation's compensation policies and practices. The Board has the responsibility to review and make recommendations concerning the compensation of the directors of the Corporation and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan. The Board also reviews and approves the hiring of executive officers.

As of the date of this Circular, the Board had not, collectively, considered the implications of any risks associated with policies and practices regarding compensation of its directors or executive officers.

The Corporation does not prohibit its Named Executive Officers or directors from purchasing financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officers or directors.

Base Salary

The Compensation Committee and the Board approve the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Corporation's peer group is also accumulated from a number of external sources including independent consultants. The Corporation's policy for determining salary for executive officers is consistent with the administration of salaries for all other employees.

Annual Incentives

The Corporation is not currently awarding any annual incentives by way of cash bonuses. However, the Corporation, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Corporation in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Corporation that arise on a day to day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of

overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Corporation currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan.

Pension Disclosure

There are no pension plan benefits in place for the Named Executive Officers or the directors of the Corporation.

Termination and Change of Control Benefits

The Corporation does not have in place any pension or retirement plan. The Corporation has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a Named Executive Officer or director of the Corporation in connection with or related to the retirement, termination or resignation of such person. The Corporation has not provided any compensation to such persons as a result of a change of control of the Corporation, its subsidiaries or affiliates.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110

Since the commencement of the Corporation's most recently completed financial year, the Corporation has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Corporation's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Corporation, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit);
2. the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*) of NI 52-110 (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if a circumstance arises that affects the business or operations of the Corporation and a reasonable person would conclude that the circumstance can be best addressed by a member of the Audit Committee becoming an executive officer or employee of the Corporation);
3. the exemption in subsection 6.1.1(5) (*Events Outside Control of Member*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if an Audit Committee member becomes a control person of the Corporation or of an affiliate of the Corporation for reasons outside the member's reasonable control);

4. the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if a vacancy on the Audit Committee arises as a result of the death, incapacity or resignation of an Audit Committee member and the Board was required to fill the vacancy); or
5. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (Exemptions) of NI 52-110.

The Corporation is a "venture issuer" for the purposes of NI 52-110. Accordingly, the Corporation is relying upon the exemption in section 6.1 of NI 52-110 providing that the Corporation is exempt from the application of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter.

Audit Fees

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor of the Corporation for professional services rendered to the Corporation during the fiscal years ended December 31, 2019 and December 31, 2018:

	Audit Fees (\$)	Audit-Related Fees (\$)	Tax Fees (\$)	All Other Fees (\$)
Year ended December 31, 2019	23,500	nil	nil	nil
Year ended December 31, 2018	19,000	nil	2,000	nil

Audit Fees – aggregate fees billed for professional services rendered by the auditor for the audit of the Corporation's annual financial statements as well as services provided in connection with statutory and regulatory filings.

Audit-Related Fees – aggregate fees billed for professional services rendered by the auditor and were comprised primarily of audit procedures performed related to the review of quarterly financial statements and related documents.

Tax Fees – aggregate fees billed for tax compliance, tax advice and tax planning professional services. These services included reviewing tax returns and assisting in responses to government tax authorities.

All Other Fees – aggregate fees billed for professional services which included accounting advice.

REPORT ON GOVERNANCE

The Corporation believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the "Governance Guidelines") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Corporation's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Corporation at its current stage of development and therefore these guidelines have not been adopted. The Corporation will continue to review and implement corporate governance guidelines as the business of the Corporation progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Corporation's approach to governance and outlines the various procedures, policies and practices that the Corporation and the Board have implemented.

Board of Directors

The Board is currently composed of five directors. Mr. Stephen McIntyre will not stand for re-election at the Meeting, accordingly after the Meeting the Board will be composed of four directors. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* ("Form 58-101F2") requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Corporation by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, of the proposed director nominees, Mr. Jennings, the President and Chief Executive Officer of the Corporation and Mr. Michael Corey, the Vice President, Exploration of the Corporation are not considered to be "independent". The remaining two proposed director nominees are considered by the Board to be "independent" within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the Board has examined the circumstances of each director in relation to a number of factors.

Directorships

The following table sets forth the directors and proposed directors of the Corporation who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuer
Chris Irwin	Minnova Corp., Hornby Bay Minerals Exploration Ltd., Roscan Minerals Corporation, Deveron UAS Corp., Greencastle Resources Ltd., Intercontinental Gold and Metals Ltd., Blocplay Entertainment Inc, Drone Delivery Canada Corp., American Aires Inc., Valens GroWorks Corp. and Wolf's Den Capital Corp.
Albert Contardi	Argentum Silver Corp., Mega Uranium Ltd. and Pima Zinc Corp.

Orientation and Continuing Education

The Board does not have a formal orientation or education program for its members. The Board's continuing education is typically derived from correspondence with the Corporation's legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members have been nominated who are familiar with the Corporation and the nature of its business.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct, but does promote ethical business conduct through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having at least two of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board are reviewed by the entire Board.

Diversity of the Board and Senior Management

To date, the Corporation has not adopted a formal written diversity policy and has not established targets with respect to the appointment of individuals to the Board or senior management who are women, Indigenous peoples (First Nations, Inuit and Metis), persons with disabilities, members of visible minorities or otherwise self-represent as being within designated groups (as that term is defined in the *Employment Equity Act* (Canada)).

While the Corporation believes that nominations to the Board and appointments to senior management should be based on merit, the Corporation recognizes that diversity supports balanced debate and discussion which, in turn, enhances decision-making and the level of representation of women, Indigenous peoples, persons with disabilities and members of visible minorities is one factor taken into consideration during the search process for directors and members of the executive and senior management.

In assessing potential directors and members of the executive or senior management, the Corporation focuses on the skills, expertise, experience and independence which the Corporation requires to be effective. Due to the small size of the Board and the management team, and the stage of development of the Corporation's business, the Board believes that the qualifications and experience of proposed new directors and members of senior management should remain the primary consideration in the selection process. The Corporation will include diversity (including the level of representation of members of designated groups) as a factor in its future decision-making when identifying and nominating candidates for election or re-election to the Board and for senior management positions.

Other Board Committees

The Board has established an Audit Committee and a Compensation Committee.

Assessments

Currently the Board has not implemented a formal process for assessing directors.

OTHER MATTERS

The management of the Corporation knows of no other matters to come before the Meeting other than as set forth in the Notice. However, if other matters which are not known to management should properly come before the Meeting, the accompanying instrument of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.
