**OTC: TGIFF**

VANCOUVER, March 6, 2018 /CNW/ - Friday Night Inc. (the Company or Friday Night) (CSE: TGIF) (FWB: 1QF) (OTCQB: TGIFF) is pleased to announce the closing of its previously announced land purchase agreement.

The Company reports that it has closed on the purchase of an additional 2.78 acres of land which is contiguous to the current location that will host Alternative Medicine Association's ("AMA") new cultivation facility. AMA now owns 4.17 acres of land on a major thoroughfare in Las Vegas which includes the original plot of 1.39 acres that has already received a special use permit for cannabis cultivation and a building permit for its future, state-of-the-art 67,000 sq. ft. cultivation facility.

"The additional land will allow for future expansion of the cultivation facility as well as a new production facility when needed. It could also be used as the location for a retail dispensary license application if the Company decides to apply when that window opens again. This acquisition gives us a strategic advantage and flexibility for our long-term plans to meet the market demand as it grows," said Mark Zobrist, Managing Partner of Alternative Medicine Association.
