FRIDAY NIGHT INC. RECEIVES PERMIT FOR HEMP PROCESSING FACILITY

VANCOUVER, B.C., CANADA (July 24, 2018) – Friday Night Inc. (the Company or Friday Night) (CSE: TGIF) (FWB: 1QF) (OTCQB: TGIFF), and its subsidiary, Infused MFG., are pleased to announce the receipt of an ‘Industrial Hemp Handler Conditional Certificate’, allowing the Company to move forward with its proposed hemp processing facility (“CBD Isolate Lab”) in Las Vegas, Nevada.

The Company announced on June 6th that its newly-purchased production building would house a separate CBD Isolate Lab to process hemp biomass into CBD extracts, to be utilized in the production of full spectrum oils, distillates and isolates. The Industrial Hemp Handler Certificate was issued by the Nevada Department of Agriculture (NDA) Industrial Hemp program, conditional until final Fire Inspection and Health Authority documentation has been submitted before processing begins. Architectural plans are now being finalized for the building retrofit and rezoning applications have been submitted.

“Obtaining the Industrial Hemp Handler Certificate is an important milestone in the process of establishing the CBD Isolate Lab, which we expect to be operational this fall”, commented Mr. Chris Rebentisch, CEO of Infused MFG. “Wholesale hemp-derived CBD extracts is an exciting new business vertical with significant revenue potential.” Further updates on this project will be announced as available.
