

WPD Pharmaceuticals Provides Default Status Update

VANCOUVER, British Columbia, July 21, 2022 - **WPD Pharmaceuticals Inc.** (CSE: WBIO)(FSE: 8SV1) (the “**Company**” or “**WPD**”) a clinical-stage pharmaceutical company, is providing a default status report in accordance with the alternative information guidelines set out in National Policy 12-203 – *Management Cease Trade Orders* (“**NP 12-203**”).

On May 6, 2022, the Company announced (the “**Default Announcement**”) that it made an application to the British Columbia Securities Commission (the “**BCSC**”) to approve a temporary management cease trade order (“**MCTO**”) on the basis that it would be unable to file its annual financial statements, accompanying management’s discussion and analysis and required certifications for the year ended December 31, 2021 (the “**Annual Filings**”) on or before the prescribed filing deadline of May 2, 2022 as required by National Instrument 51-102, *Continuous Disclosure Obligations* and NI 52-109, *Certification of Disclosure in Issuer’s Annual and Interim Filings*, respectively. The application was approved by the BCSC on May 3, 2022 and the MCTO was issued by the BCSC on May 3, 2022. The MCTO prohibits trading in securities of the Company by certain insiders of the Company, whether direct or indirect. The Company anticipates that the Annual Filings will be filed on or before August 15, 2022, and its interim financial statements for the three-month period ended March 31, 2022 will be filed shortly after.

There have been no material changes to the information contained in the Default Announcement or any other changes required to be disclosed under NP 12-203.

The Company will continue to provide bi-weekly updates, as required by NP 12-203, until the Annual Filings have been filed. The Company confirms it will continue to satisfy the provisions of the alternative information guidelines set out in Sections 9 and 10 of NP 12-203 so long as it remains in default of the requirement to file the Annual Filings.

About WPD Pharmaceuticals

WPD is a biotechnology research and development company with a focus on oncology and virology, namely research and development of medicinal products involving biological compounds and small molecules. WPD has licensed in certain countries 9 novel drug candidates with 4 that are in clinical development stage. These drug candidates were researched at medical institutions, and WPD currently has ongoing collaborations with Wake Forest University and leading hospitals and academic centers in Poland.

WPD has entered into license agreements with Wake Forest University Health Sciences and sublicense agreements with Moleculin Biotech, Inc. and CNS Pharmaceuticals, Inc., respectively, each of which grant WPD an exclusive, royalty-bearing sublicense to certain technologies of the licensor. Such agreements provide WPD with certain research, development, manufacturing and sales rights, among other things. The sublicense territory from CNS Pharmaceuticals and

Moleculin Biotech includes about 29 countries in Europe and Asia, including Russia, depending on the compound.
