

Hillcrest Announces Closing of First Tranche of Non-Brokered Private Placement

Vancouver, British Columbia--(Newsfile Corp. - October 4, 2023) - Hillcrest Energy Technologies (CSE: HEAT) (OTCQB: HLRTF) (FSE: 7HI) ("**Hillcrest**" or the "**Company**") is pleased to announce that, further to its news release dated September 26, 2023, the Company has closed the first tranche of its non-brokered private placement in the amount of 4,350,000 units of the Company (the "**Units**") at a price of \$0.40 per Unit for gross proceeds of \$1,740,000 (the "**First Tranche**"). The total placement size, cumulative of all tranches, is anticipated to be a maximum of 10,500,000 Units for maximum gross proceeds of \$4,200,000 (the "**Private Placement**"). The Company intends to close the second tranche of the Private Placement in the near future.

Each Unit consists of one common share in the capital of the Company (a "**Common Share**") and one Common Share purchase warrant (a "**Warrant**"). Each Warrant entitles the holder thereof to acquire one Common Share at an exercise price of \$0.50 per Common Share for a period of 24 months from the date of issuance. However, the Warrants will be subject to an accelerated expiry upon 30 business days' notice from the Company in the event the Common Shares trade for ten (10) consecutive trading days any time after four (4) months from the date of issuance at a volume-weighted average price of at least \$0.60 on the Canadian Securities Exchange.

The Company intends to use the net proceeds from the Private Placement, including the First Tranche, for technology and product development, commercialization, and general working capital. All securities issued in connection with the Private Placement are subject to a four month and one day hold period in accordance with applicable securities laws.

The subscribers in the Private Placement included a director and officer of the Company (the "**Insider**") who subscribed for an aggregate of 101,500 Units. The issuance of Units to the Insider constitutes a "related party transaction" as defined in Multilateral Instrument 61-101 - *Protection of Minority Securityholders in Special Transactions* ("**MI 61-101**"). The Company is relying on the exemption from valuation requirement and minority approval pursuant to subsection 5.5(a) and 5.7(a) of MI 61-101, respectively, for the insider participation in the Private Placement, as the Units do not represent more than 25% of the Company's market capitalization, as determined in accordance with MI 61-101.

The securities of the Company referred to in this news release have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), or any state securities laws.
