

MANAGEMENT INFORMATION CIRCULAR

As at May 14, 2013
unless otherwise noted

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of CAZA GOLD CORP. (the “Company” or “Caza”), at the time and place and for the purposes set forth in the Notice of Meeting.

Note: The term "shareholder" as defined in the *Business Corporations Act* S.B.C. 2002, c.57 (the "Act"), except in section 385, means a person whose name is entered in a securities register of a company as a registered owner of a share of the company or, until such an entry is made for the company:

- (a) in the case of a company incorporated before the coming into force of the Act, a subscriber, or
- (b) in the case of a company incorporated under the Act, an incorporator.

It is expected that the solicitation will be primarily by mail. Proxies may also be solicited personally or by telephone by directors, officers or employees of the Company at a nominal cost. The cost of this solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying Form of Proxy are nominees of the Company's management. **A shareholder desiring to appoint some other person (who need not be a shareholder) to represent him at the Annual General Meeting (the “Meeting”) may do so either by:**

STRIKING OUT THE PRINTED NAMES AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY; OR
BY COMPLETING ANOTHER PROPER FORM OF PROXY.

The completed proxy must be deposited at the office of Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, Toronto, Ontario M5J 2Y1 not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time fixed for the Meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing by the shareholder or by his attorney in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the office of Computershare Trust Company, Proxy Department, or to the registered office of the Company, #1040 – 999 West Hastings Street, Vancouver, B.C. V6C 2W2, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or to the Chairman of the Meeting or any adjournment thereof, or

in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF PROXIES

If the instructions as to voting indicated in the proxy are certain, the shares represented by the proxy will be voted on any poll and where a choice with respect to any matter to be acted upon has been specified in the proxy, the shares will be voted on any poll in accordance with the specifications so made. IF A CHOICE IS NOT SO SPECIFIED, IT IS INTENDED THAT THE PERSON DESIGNATED BY MANAGEMENT IN THE ACCOMPANYING FORM OF PROXY WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED ON THE FORM OF PROXY AND FOR THE NOMINEES OF MANAGEMENT FOR DIRECTORS AND AUDITOR.

The form of proxy accompanying this Information Circular confers discretionary authority upon the named proxyholder with respect to amendments or variations to the matters identified in the accompanying Notice of Meeting and with respect to any other matters, which may properly come before the Meeting. As of the date of this Information Circular, the management of the Company knows of no such amendment or variation or matters to come before the Meeting other than those referred to in the accompanying Notice of Meeting.

NON-REGISTERED HOLDERS

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the shares they own are not registered in their own names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. More particularly, a person is not a Registered Shareholder in respect of Shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees of administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)), of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “OBOs”.

In accordance with the requirements of National Policy 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer*, of the Canadian Securities Administrators, the Company has elected to send the notice of meeting, this information circular and proxy (collectively the “Meeting Materials”) directly to the NOBOs, and indirectly through Intermediaries to the OBOs.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them.

Meeting Materials sent to Non-Registered Holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “VIF”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it a Non-Registered Holder

is able to instruct the Registered Shareholder how to vote on behalf of the Non-Registered Shareholder. VIFs, whether provided by Caza or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her nominee the right to attend and vote at the Meeting. **Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

NOTICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold Shares registered in their own names. These shareholders (“Beneficial Shareholders”) should note that only proxies deposited by persons whose names appear on the register of shareholders of the Company (“Registered Shareholders”) can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those shares will not be registered in the name of the shareholder on the Company’s Central Securities Register. Such shares will, more likely, be registered under the name of the shareholder’s broker or its nominee. In Canada, the vast majority of such Shares are registered under the name of CDS & Co., which acts as a nominee for many Canadian brokerage firms. Shares held by brokers for their clients can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting the Shares for their clients. The Company does not know for whose benefit the Shares registered in the name of CDS & Co. are held.

Applicable regulatory policy requires intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures, and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by a broker is identical to the form of proxy provided to Registered Shareholders. However, its purpose is limited to instructing the broker/nominee how to vote on behalf of the Beneficial Shareholder. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“Broadridge”). Broadridge typically provides Beneficial Shareholders with their own form of proxy, and asks Beneficial Shareholders to return the proxy forms to Broadridge or to vote their Shares by telephone. A Beneficial Shareholder receiving such a proxy from Broadridge cannot use that proxy to vote his or her shares directly at the Meeting. Accordingly, it is strongly recommended that Beneficial Shareholders return their completed proxies, or record their votes by telephone with Broadridge, well in advance of the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere herein, none of the following persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the appointment of auditors:

- (a) any director or executive officer of the Company at any time since the commencement of the Company’s last completed financial year;

- (b) any proposed nominee for election as a director of the Company; and
- (c) any associate or affiliate of any of the foregoing persons.

These documents have also been mailed to those of the Company's shareholders who have requested them. The Financial Statements have also been filed on SEDAR and may be found at www.sedar.com.

Financial information is provided in the Company's comparative financial statements and MD&A for its most recently completed financial year.

APPOINTMENT AND REMUNERATION OF AUDITOR

The management of the Company will recommend to the Meeting to appoint Smythe Ratcliffe LLP, Chartered Accountants, of 7th floor, Marine Building, 355 Burrard Street, Vancouver, B.C. V6C 2G8 as auditor of the Company to hold office until the close of the next Annual General Meeting of shareholders. The directors of the Company fixed **May 8, 2013** as the record date for the determination of the shareholders entitled to vote at the Annual General Meeting.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Approval of Employee Incentive Stock Option Plan

The Exchange requires all TSX Tier 2 listed companies to have a stock option plan in place that has been approved by the shareholders of the Company. The terms of any stock option plan and incentive stock options granted by the Company are in accordance with the rules and policies of the Exchange, including the number of common shares under option, the exercise price and expiry date of such options, and any amendments thereto. The Company fully disclosed the terms of its initially adopted Employee Incentive Stock Option Plan (the "**Plan**"), in its Prospectus, effective dated October 21, 2010. The Plan is a rolling 10% stock option plan and was adopted on May 14, 2009.

As it is a requirement of the Exchange that rolling stock option plans must receive shareholder approval yearly at the Company's Annual General Meeting, shareholder approval to the Company's Plan, is sought yearly at the Company's Annual General Meeting and is once again being sought at the Company's Annual General Meeting to be held on June 12, 2013. The Company made minor amendments to the Plan in 2011 and a copy of the Plan, as amended, was attached as Schedule "C" to the Company's 2011 Management Information Circular.

At the Meeting, the shareholders will be asked to consider, and the directors, believing it to be in the best interests of the Company, recommend the shareholders approve, a resolution whereunder the Company allocate and reserve 10% of the issued Common Shares of the Company from time to time for use in its current Plan (the "Plan"). The Plan complies with the rules set forth for such plans by the Exchange. The Plan provides for the issuance of options to "Directors", "Employees", "Consultants" and "Management Company Employees" of the Company to purchase common shares of the Company. Any stock options which are issuable under the Plan would be issued at the discretion of the Board of Directors and would be exercisable during a period not exceeding ten years. The exercise price will not be lower than the "Discounted Market Price" of the Shares on the Exchange at the time of grant. In the context of the Plan, "Discounted Market Price" means the last closing price of the Company's shares on the day immediately preceding the date on which the directors grant and publicly announce the options, less the applicable discount, and will not otherwise be less than \$0.10 per share. Disinterested shareholder approval will be obtained for any reduction in the exercise price of options granted to persons who are insiders of the Company at the time of such proposed amendment.

The objective of the Plan is, as before, to provide for and encourage ownership of common shares of the Company by its directors, officers, key employees and selected consultants so that such persons may increase their stake in the Company and benefit from increases in the value of the common shares, in order to align the interests of such persons with those of shareholders. The Plan is designed to be competitive with the benefit programs of other companies in the natural resource industry. It is the

view of management that the Plan is a significant incentive for the directors, officers and key employees to continue and to increase their efforts in promoting the Company's operations to the mutual benefit of both the Company and such individuals.

A copy of the Plan was attached as Schedule "C" to the Company's 2011 Management Information Circular and is available for viewing on SEDAR at www.sedar.ca. Reference should be made thereto for a complete statement of the terms and conditions of the Plan. No changes will be made to the Plan at the upcoming Annual General Meeting. Shareholder approval is being sought at the upcoming meeting as it is a requirement of the TSX Venture Exchange that rolling stock option plans must receive shareholder approval yearly at the Company's Annual General Meeting.

The text of an ordinary resolution, in substantially the form as set out below, will be placed before the shareholders of the Company at the Company's Annual General Meeting to be held June 12, 2013:

"A. The Company's stock option plan, (the "Plan") be and is hereby approved, ratified and confirmed;

B. the Board of Directors are granted the power and authority to make certain amendments to the Plan or any option without shareholder approval, including: amendments of a "housekeeping" nature; a change to the vesting provisions of an option; accelerating the expiry date of an option; amending the definitions contained within the Plan; amending or modifying the mechanics of the exercise of options (except with respect to the requirement that full payment be received for the exercise of options); amendments that are necessary to comply with the provisions of applicable laws or the rules, regulations and policies of the Exchange; or any more senior exchange upon which the Company may be listed, amendments relating to the administration of the Plan; amendments that are necessary to suspend or terminate the Plan; and any other amendment, whether fundamental or otherwise, not requiring shareholder approval as may be allowed by the Exchange or any more senior exchange upon which the Company may be listed under their applicable rules, regulations and policies."

In the event of a negative vote by the shareholders with respect to the approval of the Plan, management reserves the right to submit such resolution pertaining to the incentive stock option plan to the next general meeting of the shareholders.

Reference is made to the section captioned "Election of Directors" for further details with respect to the present positions of the Company's directors and the number of shares held in the Company.

It is not known that any other matters will come before the Meeting other than as set forth above and in the Notice of Meeting accompanying this Information Circular, but if such should occur the persons named in the accompanying Form of Proxy intend to vote on them in accordance with their best judgement, exercising discretionary authority with respect to amendments or variations of matters identified in the Notice of Meeting and other matters which may properly come before the Meeting or any adjournment thereof.

Approval Of Advance Notice Policy

Background

The board of directors of the Company present to the shareholders of the Company for approval an advance notice policy (the “**Advance Notice Policy**”), a copy of which is attached to this Information Circular as **Schedule C**. **In order for the Advance Notice Policy to come in to effect, the Advance Notice Policy, as set forth more fully below, must be ratified and approved at the Meeting by the shareholders, then approved by the board of directors after further deliberation and then submitted to the Exchange further to its policies and requirements. This Advance Notice Policy is not currently in effect and will therefore *not* apply to this years Annual General Meeting.**

Purpose of the Advance Notice Policy

The directors of the Company are committed to: (i) facilitating an orderly and efficient annual general or, where the need arises, special meeting, process; (ii) ensuring that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (iii) allowing shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation.

The purpose of the Advance Notice Policy is to provide shareholders, directors and management of the Company with a clear framework for nominating directors. The Advance Notice Policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual or special meeting of shareholders.

Terms of the Advance Notice Policy

The following information is intended as a brief description of the Advance Notice Policy and is qualified in its entirety by the full text of the Advance Notice Policy, a copy of which is attached as Schedule A.

The terms of the Advance Notice Policy are summarized below:

The Advance Notice Policy provides that advance notice to the Company must be made in circumstances where nominations of persons for election to the board of directors are made by shareholders of the Company other than pursuant to: (i) a "proposal" made in accordance with the *Business Corporations Act* (British Columbia) (the “Act”); or (ii) a requisition of the shareholders made in accordance the Act.

Among other things, the Advance Notice Policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the secretary of the Company prior to any annual or special meeting of shareholders and sets forth the specific information that a shareholder must include in the written notice to the secretary of the Company for an effective nomination to occur. No person will be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Policy.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 nor more than 65 days prior to the date of the annual meeting; provided, however, that in the

event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders (which is not also an annual meeting), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The board of directors of the Company may, in its sole discretion, waive any requirement of the Advance Notice Policy. Amendments are allowed to be made by the Board to adopt such laws, regulations, forms, rules or policies as required or recommended or allowed by securities regulatory agencies or stock exchanges, or as otherwise determined by the Board to meet or exceed industry standards.

Confirmation and Approval of Advance Notice Policy by Shareholders

If the Advance Notice Policy is approved at the Meeting, in order to come in to effect, the Advance Notice Policy must then be approved by the board of directors after further deliberation and then submitted to the Exchange further to its policies and requirements. Thereafter, the Advance Notice Policy will be subject to an annual review by the board of directors of the Company, and will be updated to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges, or so as to meet industry standards.

If the Advance Notice Policy is not approved at the Meeting, the board of directors retains the right to adopt such a policy and then resubmit it for approval at the next upcoming Annual General Meeting, or an earlier shareholder meeting.

At the Meeting, the shareholders will be asked to approve the following by ordinary resolution (the “**Advance Notice Policy Resolution**”):

“BE IT RESOLVED, as an ordinary resolution of the Shareholders of the Company, that:

1. The Company’s Advance Notice Policy (the “Advance Notice Policy”) as set forth in the Information Circular dated May 14, 2013 be and is hereby ratified, confirmed and approved;
2. The board of directors of the Company be authorized in its absolute discretion to adopt and approve the Advance Notice Policy and administer the same, apply for all necessary regulatory or Exchange approvals, and amend or modify the Advance Notice Policy in accordance with its terms and conditions to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges, so as to meet industry standards, or as otherwise determined to be in the best interests of the Company and its shareholders; and
3. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his or her opinion may be necessary or desirable to give effect to the foregoing resolutions.

The Company's board of directors recommends a vote "FOR" the approval of the Advance Notice Policy Resolution. In the absence of a contrary instruction, the persons designated by management of the Company in the enclosed form of proxy intend to vote FOR the approval of the Advance Notice Policy Resolution.

Board meetings are generally held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with the Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. In addition, the Company has adopted a whistle blower policy, which is set out in its Charter of the Audit Committee which is attached as Schedule "B" hereto.

Nomination of Directors

As disclosed elsewhere herein, the Company became a reporting issuer, as a result of a Plan of Arrangement with Canarc Resource Corp. and initially was comprised of two directors. Based on the results of the annual evaluation, as well as on any other matters the Committee shall deem relevant, the Committee shall make such recommendations to the Board of Directors regarding board processes and other items deemed appropriate to improve or ensure the effective functioning of the Board of Directors as the Committee shall from time to time deem advisable or appropriate; and (11) Performing any other activities consistent with the Nominating Committee Charter, the Company's Articles and governing law as the Committee or the Board of Directors deem appropriate.

Due to the size of the Company's board of directors and the stage of development of the Company, no formal policy has been established to monitor the effectiveness of the directors, the Board and its committee.

AUDIT COMMITTEE

Under National Instrument 52-110 – Audit Committees (“NI 52-110”) reporting issuers in those jurisdictions which have adopted NI 52-110 are required to provide disclosure with respect to its audit committee including the text of the audit committee's charter, composition of the committee, and the fees paid to the external auditor. The Company became a reporting issuer on the effective date of a Plan of Arrangement with Canarc Resource Corp., namely on June 24, 2008, in the provinces of British Columbia, Alberta, Saskatchewan, Ontario and Nova Scotia. Accordingly, the Company provides the following disclosure with respect to its audit committee:

Audit Committee Charter

The Company adopted an Audit Committee Charter, a copy of which is attached hereto as Schedule “B”. The Company's audit committee is governed by the attached Audit Committee Charter.

Composition of Audit Committee

The Company's current audit committee is comprised of three directors, as set forth below:

Bradford Cooke	Independent ⁽¹⁾	Financially literate ⁽²⁾
Philip Yee	Not Independent ⁽¹⁾	Financially literate ⁽²⁾
Anthony Hawkshaw	Independent ⁽¹⁾	Financially literate ⁽²⁾

- (1) A member of an audit committee is independent if the member has no direct or indirect material relationship with the Company, which could, in the view of the Board of Directors, reasonably interfere with the exercise of a member's independent judgment. The Company's Audit Committee meets the requirements of the TSX Venture Exchange.
- (2) An individual is financially literate if he has the ability to read and understand a set of financial statements that present a breadth of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

The Company, being a “Venture Issuer” per NI 52-110, is relying on the exemption available to Venture Issuers contained in Section 6.1 of NI 52-110 *Audit Committees*. This exemption allows Venture Issuers to be in compliance with NI 52-110 notwithstanding the fact that not all members of the Audit Committee are “independent”. In addition, Section 6.1 exempts Venture Issuers from the

requirement to include in an Annual Information Form (“AIF”) the disclosure relating to its Audit Committee as Venture Issuers are not required to file an AIF. Instead, the Company has included the disclosure which would be provided in an AIF, i.e. disclosure regarding its Audit Committee Charter and audit committee composition in this Management Information Circular and has attached its Audit Committee Charter hereto as Schedule “B”.

Relevant Education and Experience

The relevant education and/or experience of each member of the Audit Committee is as follows:

Audit Committee Oversight

At no time since the commencement of the Company’s most recently completed financial year, has a recommendation of the audit committee to nominate or compensate an external auditor not been adopted by the board of directors.

At no time since the commencement of the Company’s most recently completed financial year has the Company relied on either of the exemptions contained in section 2.4, *De Minimis Non-audit Services*, or section 8, *Exemptions* of NI 52-110. Section 2.4 provides an exemption from the

requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Company's Board of Directors and, where applicable, by the audit committee, on a case-by-case basis.

EXECUTIVE COMPENSATION

GENERAL PROVISIONS

“Named Executive Officer” (“NEO”) means each of the following individuals:

- (a) a Chief Executive Officer (“CEO”);
- (b) a Chief Financial Officer (“CFO”);
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at December 31, 2012.

The following disclosure sets out the compensation that the Board intended to pay, make payable, award, grant give or otherwise provide to each NEO and director for the financial year ended December 31, 2012.

COMPENSATION DISCUSSION AND ANALYSIS

The Company was incorporated on November 15, 2007 and became a reporting issuer on June 24, 2008 as a result of a Plan of Arrangement. The Company’s Board of Directors is comprised of five directors and five senior officers. The shares of the Company were listed on the TSX Venture Exchange effective November 22, 2010. The Company has established an Audit Committee, a Compensation Committee, a Nominating Committee and a Corporate Disclosure Policy Committee. The composition of the various committees and the functions of the various committees is disclosed elsewhere herein. The Board of directors and its committees are responsible for establishing and monitoring the Company’s long range plans and programs for attracting, retaining, developing and motivating employees. The Board reviews recommendations from the Nominating Committee for the appointment of persons to senior executive positions, considers terms of employment including succession planning. The Compensation Committee considers matters of compensation. The Company adopted an incentive stock option plan on May 14, 2009, following the receipt of shareholder approval to the plan at the Company’s 2009 Annual General Meeting.

The Company’s compensation policies and programs are designed to be competitive with similar junior mining exploration companies and to recognize and reward executive performance consistent with the success of the Company’s business. The significant objectives, elements and formula for compensation to be awarded to, earned by, paid to, or payable to NEOs for the year ended December 31, 2012, were to:

- (i) Attract and retain experienced and talented executive officers;
- (ii) Inspire excellence in the performance of executive officers; and
- (iii) Align shareholder and executive officer interests.

The significant elements of compensation awarded to the NEOs are as follows:

Cash Salary:

The NEOs are paid a salary in order to ensure that the compensation package offered by the company is in line with that offered by other companies in our industry, and as an immediate means of rewarding the

NEO for efforts expended on behalf of the company. The salary to be paid to a particular NEO is determined by comparison to others in the industry. Payment of a cash salary fits within the objective of the compensation program since it rewards the NEO for performance of his or her duties and responsibilities. The payment of such salary may impact on other elements of the compensation package to a particular NEO in that a higher annual salary may result in a lower potential annual bonus.

For 2010, 2011 and 2012, salaries which were incurred by the Company for Messrs. Bradford Cooke and Philip Yee were allocated from companies with a certain common director and such allocations were on a cost recovery basis.

Summary Compensation Table

From January 1, 2012 to December 31, 2012, the Company had two Named Executive Officers (for the purposes of applicable securities legislation) (“NEOs”), namely, Gregory Myers (President and Chief Executive Officer) and Philip Yee (Vice-President, Finance, and Chief Financial Officer).
