

Caza Gold Announces Change to the Board of Directors

Vancouver, Canada – December 19, 2013 – Greg Myers, CEO and President of Caza Gold Corp. (the “Company”) (CZY: TSX-V, CZ6: FSE and CZGDF: OTCQX), advises that Bradford Cooke has stepped down as Chairman of the Board and has submitted his resignation as a Director of the Company. The Company thanks Bradford for his services and wish him the best with his other commitments.

Caza Gold Corp. is a gold and copper exploration company focused on discovering new deposits in Nicaragua. The Company controls the highly prospective but under-explored claims in the high sulfidation gold trend of Nicaragua and a copper-gold-iron porphyry system to the north of the El Limon mine. Caza Gold Corp is dedicated to discovering gold, defining deposits, and developing value.

CAUTIONARY DISCLAIMER – FORWARD LOOKING STATEMENTS

This news release includes certain statements and information that may contain forward-looking information within the meaning of applicable Canadian securities laws or forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995. All statements in this news release, other than statements of historical facts, including statements regarding future estimates, plans, objectives, assumptions or expectations of future performance, the likelihood of commercial mining and financing requirements and the ability to fund future exploration and development are forward-looking statements and contain forward-looking information. Generally, forward-looking information can be identified by the use of forward-looking terminology such as “intends” or “anticipates”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would” or “occur”. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company does not undertake to update any forward-looking statements or forward-looking information that are incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbour.
