

# Protium Clean Energy Corp. Stakes Additional Ground in Firstbrook

Toronto, Ontario--(Newsfile Corp. - December 12, 2024) - *Protium Clean Energy Corp.* (CSE: GRUV) (FSE: G071), a leading resource company focused on clean energy and sustainable resource development, is pleased to announce the acquisition of an additional 24 single-cell mining claims.

The Claims are contiguous with the Company's, previously staked, 103-claim group announced on October 9<sup>th</sup>, 2024, and are 100% held by Protium Clean Energy Corp. The acquisition brings the company's holdings in Firstbrook Township to a total of over 2,600 hectares. Firstbrook Township hosts documented occurrences of copper, lead, cobalt, silver and kimberlite.

"We are excited to announce the first property addition resulting from our satellite survey. This achievement validates our strategy of utilizing the technology to identify and develop further targets," said Marc Branson, CEO of Protium Clean Energy Corp.

## About Protium Clean Energy Corp.

Protium Clean Energy Corp. is a junior exploration and development company focused on identifying, acquiring, and exploring prospective minerals in Canada's extensive natural resources portfolio. We focus on exploring and developing our 100% owned Nakina Lithium and Firstbrook Hydrogen properties in Ontario, located in Northern Canada, and identifying and pursuing further opportunities by region using various satellite surveys. This allows Protium Clean Energy Corp. to evaluate large tracts of land quickly and cost-effectively to delineate targets for natural gasses and critical minerals required for the modern world.
