BAMA GOLD RELINQUISHES MANALO-MANSAYA OPTION

Vancouver, British Columbia, September 30, 2013 – Bama Gold Corp. (TSX Venture: BMA) (the “Company”) announces that the Company has relinquished its option to the Manalo-Mansaya properties.

Bama president Karl Kottmeier commented “The Bama board has decided that the company is no longer able to maintain and explore the Manalo-Mansaya properties and the properties will be returned to the Optionor. The challenges posed by the year-long political and military issues in Mali, the resulting personnel limitations imposed by a higher security risk in-country and the current state of the capital markets for potential financiers have forced the Company to re-evaluate its specific focus and make this difficult decision.”

**ON BEHALF OF THE BOARD OF DIRECTORS OF
