## **MANAGEMENT INFORMATION CIRCULAR**

As at September 17, 2018  
(except as otherwise indicated)

**This Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of Chemistree Technology Inc. (the “Company” or “Chemistree”) for use at the 2018 annual general meeting (the “Meeting”) of its shareholders to be held on October 15, 2018 at the offices of Blake, Cassels & Graydon LLP, located at Suite 2600, Three Bentall Centre, 595 Burrard Street, Vancouver, British Columbia, for the purposes set forth in the accompanying notice of the Meeting (the “Notice”).**

In this Circular, references to the “Company”, “we” and “our” refer to Chemistree Technology Inc., “Common Shares” means common shares without par value in the capital of the Company, and “Shareholders” means the holders of Common Shares. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

### **BACKGROUND TO THE MEETING**

The last annual general meeting of the Shareholders of the Company was held on December 21, 2015. On September 12, 2018, the Company applied for an order from the Supreme Court of British Columbia to authorize the Company to combine the 2016 and 2017 annual general meetings of the Shareholders of the Company with its 2018 annual general meeting of the Shareholders.

### **GENERAL PROXY INFORMATION**

#### **Solicitation of Proxies**

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and who have advised that they wish to receive such materials.

#### **Appointment of Proxyholders**

The individuals named in the accompanying form of proxy (the “Proxy”) as proxyholders are officers of the Company and have been appointed by management. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

#### **Voting by Proxyholder**

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

**In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the management's nominees for directors and auditors identified in the Proxy.**

### **Registered Shareholders**

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. A registered shareholder may submit a proxy using one of the following methods:

- (a) date and sign the Proxy and return it to the Company's transfer agent, Computershare Investor Services, Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, or from outside North America at (416) 263-9524, or by mail to 8<sup>th</sup> Floor, 100 University Avenue, Toronto, Ontario, Canada M5J 2Y1 or by hand delivery at 3<sup>rd</sup> Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9;
- (b) use a touch-tone phone to transmit voting choices to the toll free number given in the Proxy. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the Proxy for the toll free number, the holder's account number and the proxy access number; or
- (c) log on to Computershare's website at [www.investorvote.com](http://www.investorvote.com). Registered shareholders must follow the instructions set out on the website and refer to the Proxy for the holder's account number and the proxy access number.

Whatever method a registered shareholder chooses to submit their Proxy, they must ensure that the Proxy is received by no later than 10:00 a.m. (Vancouver time) October 11, 2018 or at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof.

### **Beneficial Shareholders**

**The following information is of significant importance to shareholders who do not hold Common Shares in their own name.** Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's intermediaries. In Canada, the majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the

issuers of the securities they own knowing who they are (called “**NOBOs**” for Non-Objecting Beneficial Owners).

The Company is relying upon the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* that permit it to deliver proxy-related materials directly to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (“**VIF**”) from our transfer agent, Computershare. The VIF is to be completed and returned to Computershare as set out in the instructions provided on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the Common Shares of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting. We have elected to pay for intermediaries to distribute these materials to Beneficial Shareholders who are OBOs under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company; however, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a VIF in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

#### **Notice to Shareholders in the United States**

The solicitation of proxies may involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (“**BCA**”), as amended, certain of its directors and its executive officers are residents of Canada and a part of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by

a United States court.

### **Revocation of Proxies**

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a Proxy may revoke it by:

- (d) executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a Company, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Computershare or at the address of the principal office of the Company at 810-609 Granville Street, Vancouver, British Columbia, V7Y 1H4, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (e) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has, except as disclosed herein, any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting.

### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The board of directors (the "**Board**") of the Company has fixed September 10, 2018 as the record date (the "**Record Date**") for determination of shareholders entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

As of the Record Date, there were 34,222,589 Common Shares without par value issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares. The Company has no outstanding restricted securities, or securities that are directly or indirectly convertible into or exercisable or exchangeable for restricted securities or securities that will, when issued, result in an existing class of outstanding securities being considered restricted securities.

To the knowledge of the directors and executive officers of the Company, there are no persons or corporations that beneficially owned, directly or indirectly, or exercised control or direction over, Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company as at the Record Date.

## VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

National Policy 58-201 – *Corporate Governance Guidelines* (the “**Guidelines**”) addresses matters such as the constitution of and the functions to be performed by the Board. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* requires that the Company disclose its approach to corporate governance with reference to the Guidelines. The Board is committed to ensuring that the Company has an effective corporate governance system, which adds value and assists the Company in achieving its objectives.

The Company's approach to corporate governance is set forth below.

### **Mandate of the Board**

The Board assumes responsibility for the stewardship of the Company and the enhancement of shareholder value. The Board is responsible for:

- (a) ensuring that management develops and implements a strategic plan that takes into account market realities and regulatory compliance;
- (b) upholding a comprehensive policy for communications with shareholders and the public at large;
- (c) developing and formalizing the responsibilities for each member of the Board, including the responsibilities of the Chairman vis-à-vis corporate objectives;
- (d) ensuring that the risk management of Chemistree is prudently addressed; and
- (e) overseeing succession planning for management.

The frequency of meetings of the Board and the nature of agenda items may change from year to year depending upon the activities of Chemistree. However, the Board meets at least semi-annually and at each meeting there is a review of the business of Chemistree.

The Board of the Company facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board being held to obtain an update on significant corporate activities and plans, both with and without members of the Company's management being in attendance.

### **Composition of the Board**

The Board is currently composed of five directors, three of whom qualify as independent directors. For this purpose, a director is independent if he or she has no direct or indirect "material relationship" with Chemistree. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. An individual who has been an employee or executive officer of the Company within the last three years is considered to have a material relationship with the Company.

### **Directorships**

Currently, the following nominated directors serve on the following boards of directors of other reporting issuers (or the equivalent in a foreign jurisdiction):

<b>Director</b>	<b>Reporting Issuer Board Membership</b>
Karl Kottmeier	Avanti Energy Inc.
Douglas Ford	Avanti Energy Inc. North American Nickel Inc.

### **Orientation and Education**

While the Company does not have formal orientation and training programs, orientation of new Board members is conducted by informal meetings with members of the Board, briefings by management, and the provision of copies of or access to the Company's documents.

The Company has not adopted formal policies respecting continuing education for Board members. However, Board members are encouraged to communicate with the Company's management, legal counsel, external auditors and consultants to keep themselves current on industry trends and developments and changes in legislation (with management's assistance), and to attend related industry seminars and to visit the Company's operations. Board

members have full access to the Company's records.

### **Ethical Business Conduct**

The Board will from time to time discuss and emphasize the importance of matters relating to conflicts of interest, protection and proper use of corporate assets and opportunities, confidentiality of corporate information, compliance with laws and the reporting of any illegal or unethical behaviour.

The Board relies upon the selection of directors, officers, employees and consultants whom it considers as meeting the highest ethical standards to promote a culture of ethical business conduct. The Board has not adopted a written code of conduct.

The Board itself must comply with the conflict of interest provisions of applicable Canadian corporate law, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

### **Nomination of Directors**

The Company does not have a stand-alone nomination committee. The Board is responsible for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs of the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the industry are consulted for possible Board candidates.

### **Compensation**

Compensation matters are currently determined by the entire Board. The Board is responsible for reviewing the compensation plans and severance arrangements for management, to ensure they are commensurate with comparable companies. The Board will ensure that Chemistree has a plan for the continuity of its officers and a compensation plan that is motivational and competitive.

### **Assessments**

The Board and each individual director are regularly assessed regarding their effectiveness and contribution. The assessment considers and takes into account:

- in the case of the Board, its mandate and charter; and
- in the case of an individual director, the applicable position description(s), if any, as well as the competencies and skills each individual director is expected to possess.

## **EXECUTIVE COMPENSATION**

## External Management Companies

Except as set out herein and as further described below, there are no management functions of the Company which are to any substantial degree performed by a person or company other than the Directors or senior officers of the Company.

Both Mr. Kottmeier and Mr. Ford dedicate approximately 25% of their time to the Company and are contracted service providers to the Company through the PEMC Agreement. Since 2006, Mr. Kottmeier and Mr. Ford have

been principals of PEMC, a corporation that provides corporate administration and finance services to private and public companies. Neither has entered into non-competition or non-disclosure agreement with the Company.

In accordance with the terms of the PEMC Agreement, the Company currently pays a monthly management fee of \$20,000, plus taxes and reimbursement of certain reasonable out-of-pocket expenses. The services provided by PEMC include the provision of the services of the following officers and employees: president, chief financial officer, accountant, administrator and receptionist. Pursuant to the PEMC Agreement, a fixed amount of the monthly management fee is allocated to each position. The PEMC Agreement may be terminated by either party on six months' notice. In the event there is a "change of effective control" of the Company, PEMC has the right to terminate the PEMC Agreement within 60 days thereof and, in such event, the Company shall pay PEMC a severance payment equal to twenty-four (24) months' management fees (\$480,000). For purposes of the PEMC Agreement, "change of effective control" of the Company shall be deemed to have occurred when voting shares of the Company are acquired by any one person or group of persons acting in concert, through one transaction or a series of transactions, which when added to the number of voting shares previously owned by such person or group of persons acting in concert, would equal at least twenty percent (20%) of the total issued voting shares of the Company from time to time.

### **Stock Option Plan**

During the year ended June 30, 2009, the Company adopted a rolling stock option plan (the "**Stock Option Plan**"). The purpose of the Stock Option Plan is to give directors, senior officers, employees, management company employees and consultants of the Company (collectively, the "**Eligible Persons**"), the opportunity to participate in the success of the Company by granting to such Eligible Persons options, exercisable over periods of up to five years, as determined by the board of directors of the Company, to buy shares of the Company at a price equal to the Market Price prevailing on the date the option is granted less applicable discount, if any, permitted by the policies of the CSE and approved by the Board. The maximum number of Shares which may be issuable pursuant to options granted under the Stock Option Plan shall be that number equal to 10% of the Company's issued share capital from time to time.

Please refer to the heading entitled "*Securities Authorized for Issuance Under Equity Compensation Plans – Stock Option Plan*" below.

### **Employment, Consulting and Management Agreements**

Except as set out herein and as further described below, there are no other agreements under which compensation was provided for employment, consulting or management services during the most recently completed financial year.

On August 1, 2008, the Company entered into the PEMC Agreement for management services. PEMC is controlled by Karl Kottmeier and Douglas Ford, each of whom is a director and/or officer of the Company. For a summary of the PEMC Agreement, see "*Executive Compensation – External Management Companies*" above.

### **Non-NEO Directors**

During the Company's most recently completed financial year, there were no fixed fees or per meeting fees under which the non-NEO directors of the Company were compensated for serving as directors of the Company. The Company may review non-NEO director compensation from time to time and either grant options pursuant to the Stock Option Plan to compensate non-NEO directors for their services or may in the future adopt an annual retainer and/or per meeting fee for non-NEO directors, based upon the Company's development and financial resources.

### **Oversight and Description of Directors and Named Executive Officer Compensation**

At this time, the Company does not have a formal compensation program. All compensation matters are dealt with by the entire Board, including compensation of the Board itself. All members of the Board are experienced participants in business or finance and have sat on the board of directors of other companies, charities or business associations, in addition to the Board of the Company. The Board reviews on an annual basis the cash compensation,

performance and overall compensation package of each executive officer. Given the Company's current size and stage of development, it has not to date engaged in formal benchmarking practices or engaged an independent compensation consultant; rather, the compensation is determined in the discretion of the Board after considering the factors described below.

The compensation to the Company's NEOs for the fiscal year ended June 30, 2018 was comprised of cash salaries. Factors that are taken into consideration when making compensation decisions include:

- the financial resources available or expected to be available to the Company;
- the current market and economic environment;
- comparative compensations levels for companies of the Company's size in the industry;
- the capabilities of individual contributors to the Company's success;
- the reasonable compensation expectations of the individual contributor; and
- relative equity with other Company contributors.

Incentive stock options are granted pursuant to the Company's Stock Option Plan which is designed to encourage share ownership on the part of the Company's management, directors, employees and consultants. The Board believes that the stock option plan aligns the interests of the Company's personnel with shareholders by linking compensation to the longer term performance of the Company's shares. The granting of incentive stock options is an important component of executive compensation as it allows the Company to reward each executive officer's efforts to increase shareholder value without requiring the use of the Company's cash reserves.

The objectives of the Company's NEO compensation program are to: (a) attract, motivate and retain high-caliber NEOs; (b) align the interests of the NEOs with those of the Company's shareholders; and (c) incentivize the NEOs to continuously improve operations and execute on corporate strategy. The NEO compensation program is, therefore, designed to reward the NEOs for increasing shareholder value, and improving operations and executing on corporate strategy.

The philosophy used by the Board in determining compensation is that the compensation should (i) reflect the Company's current state of development, (ii) reflect the Company's performance, (iii) reflect individual performance, (iv) align the interests of executives with those of the shareholders of the Company, (v) assist the Company in retaining key individuals, and (vi) reflect the Company's overall financial status.

#### **Pension Plan Benefits**

No pension or retirement benefit plans or deferred compensation plans have been instituted by the Company and none are proposed at this time.

#### **SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS**

The Company's Option Plan was initially approved by the Board during the fiscal year ended June 30, 2009 and most recently re-approved by the Shareholders of the Company on December 21, 2015. The Option Plan has been adopted by the Board to assist in attracting, retaining and motivating directors, officers, employees and consultants and to closely align their personal interests with those of the Company's shareholders by providing them with Options to purchase Common Shares.

#### **Equity Compensation Plan Information**

The following table sets out equity compensation plan information as at the date of this Information Circular:

<b>Plan Category</b>	<b>Number of securities to be issued upon exercise of outstanding options (a)</b>	<b>Weighted-average exercise price of outstanding options, warrants and rights (b)</b>	<b>Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)</b>
Equity compensation plans approved by security holders	1,350,000	\$0.20	2,072,259
Equity compensation plans not approved by security holders	Nil	Nil	Nil
<b>Total</b>	<b>1,350,000</b>	<b>\$0.20</b>	<b>2,072,259</b>

### **Stock Option Plan**

Pursuant to the Stock Option Plan, the Board may from time to time grant options to Eligible Persons of the Company and its subsidiaries in consideration of them providing their services to the Company or a subsidiary. The number of shares subject to each option is determined by the Board within the guidelines established by the Stock Option Plan. The options enable the Eligible Persons to purchase shares of the Company at a price fixed pursuant to such guidelines. The options are exercisable by the Eligible Persons giving the Company notice and payment of the exercise price for the number of shares to be acquired.

The Plan authorizes the Board to grant stock options to the Eligible Persons on the following main terms:

1. The number of shares subject to issuance pursuant to any outstanding equity compensation plans, in the aggregate, cannot exceed 10% of the Company's issued shares on a non-diluted basis.
2. Any share subject to an option granted under the Stock Option Plan that was subsequently cancelled or terminated without having been exercised in accordance with the terms of the Stock Option Plan, will again be available for issuance pursuant to the exercise of options granted under the Stock Option Plan.
3. The number of shares reserved for issuance under the Stock Option Plan and all of the Company's other previously established or proposed share compensation arrangements in any 12-month period:
  - (a) to any one Eligible Person, shall not exceed 5% of the total number of issued and outstanding shares on a non-diluted basis;
  - (b) to Insiders as a group and to any one Insider in any one-year period shall not exceed 10% of the total number of issued and outstanding shares on the grant date on a non-diluted basis;
  - (c) to any one Consultant shall not exceed 2% in the aggregate of the total number of issued and outstanding shares on the grant date on a non-diluted basis; and
  - (d) all Eligible Persons who undertake Investor Relations Activities shall not exceed 2% in the aggregate of the total number of issued and outstanding shares on the grant date on a non-diluted basis, which Options are to be vested in stages over a one-year period and no more than one-quarter (1/4) of such Options may be vested in any three (3) month period.]
4. The exercise price of the options cannot be set at less than the closing trading price of the Company's shares less the applicable discount market price, if any, on the grant date for grants to any Eligible Person.
5. The expiry date for each Option shall be set by the Board at the time of issue of the Option and shall not be for more than five years after the grant date.
6. Options shall be granted as fully vested on the grant date, and may be exercised to purchase any number of Shares up to the number of unissued Option Shares at any time after the grant date.
7. The options may only be exercised by the Eligible Person for so long as the Eligible Person is a director, officer or employee of, or consultant to, the Company or any subsidiary or is an employee of the

Company's management Company and within a period thereafter not exceeding the earlier of:

- (a) the original expiry date;
- (b) 90 days after ceasing to be a director, officer or employee of, or consultant to, the Company due to early retirement, to termination by the Company other than for cause, or to voluntary resignation; and
- (c) if the Eligible Person dies or becomes disabled, within the earlier of 365 days from the Eligible Person's death or disability and the expiry date.

If the Eligible Person is terminated 'for cause' the options will terminate concurrently.

- 8. The options are not assignable.
- 9. The Company may take such steps as are considered necessary or appropriate for the withholding and/or remittance of any taxes which the Company is required by any law or regulation of any governmental authority whatsoever to withhold and/or remit (at the highest marginal income tax rate unless a lower marginal income tax rate is demonstrated by the Eligible Person to the satisfaction of the Company) in connection with any option or option exercise.

Any amendments to the Option Plan or outstanding stock options by the Board are subject to the approval of the Exchange and, if required by the Exchange, of the shareholders of the Company.
