Enertopia Announces Canadian Medical Marihuana Update

Vancouver, BC—Enertopia Corporation (ENRT) on the OTCBB and (TOP) on the CNSX (the "Company" or "Enertopia") is pleased to announce that the private Canadian medical marihuana producer has submitted all the required paperwork for a site visit by Health Canada.

“Enertopia is very excited that the upgrades to the production facility have been completed, which brings our private producer an important step closer to receiving the LP (Licensed Producer) under the new MMRP (Medical Marihuana Regulations Purposes) program,” stated President/CEO Robert McAllister

"The Canadian government predicts a \$1.3 billion industry in 10 years, and industry experts believe estimates could be closer to \$2.6 billion by 2016. From our perspective, Enertopia is uniquely positioned to prosper in this rapidly growing business opportunity by being a publically traded company in both the USA and Canada with our headquarters in British Columbia, Canada," stated further President/CEO Robert McAllister.

Enertopia looks forward to providing its shareholders and the public further updates as soon as news becomes available. Enertopia continues to focus and work very hard to increase its shareholders value. An updated presentation has been posted at our website www.enertopia.com
