Enertopia Corporation Included in The Marijuana Index

Leading Cannabis Related Index to Continually Supply Market Info and Analysis for Enertopia Corporation

VANCOUVER, BC – Enertopia Corporation (ENRT-OTCBB) (TOP-CSE) (the "Company" or "Enertopia") announced today that it has been selected by The Marijuana Index (www.marijuanaindex.com) for inclusion in its MJIC Reporting Company Index.

The Marijuana Index is the leading equity tracking index featuring public companies involved in the legalized marijuana, cannabis and hemp sector. The Marijuana Index provides the most robust data set in the MMJ industry with a perpetually expanding assemblage of information available to brokers, analysts, investors and media.

For more information regarding Enertopia and its standing in The Marijuana Index please visit www.marijuanaindex.com.

"We are pleased to have Enertopia included in The Marijuana Index where our corporate story can be followed by a larger number of parties interested in our industry," said President / CEO Robert McAllister of Enertopia. "As more companies enter this dynamic industry it is both a privilege and an opportunity to be tracked as a leading public company in the legal cannabis industry. This will allow our shareholders access to real-time industry data and an expansive set of tools to better follow our company and industry developments."

"We view the inclusion of Enertopia in the Index as an important step in providing further legitimacy to public company legal cannabis operations," stated Frank Marino, President of MJIC, Inc. "Investors in this quickly growing industry deserve and appreciate as much information as possible and we intend to continue to supply data and market intelligence for Enertopia in perpetuity."

About The MJIC Marijuana Index

The MJIC Marijuana Index is the first and only Marijuana Sector Benchmark Index Series, measuring the combined performance of globally listed marijuana stocks. The Index series is calculated by using (Equal-Weight), providing a fair and balanced benchmark calculation methodology, for diverse stocks covered. The index provides existing and prospective investors with a targeted and centralized view of these pioneering securities which are positioned within a multi-billion dollar growth industry. Information and articles are shared from around the web on the business of marijuana as it unfolds throughout the United States and the world. The mission of

The Marijuana Index is to become the centralized hub of communication between marijuana, cannabis, and hemp companies and the investment marketplace following the industry.

The Marijuana Index is the leading benchmark for tracking U.S. listed marijuana stocks as the first marijuana equity index of its kind.
