Press Release #201705

FOR IMMEDIATE RELEASE

February 16, 2017

Company Update

Vancouver, BC—Enertopia Corporation (ENRT) on the OTCQB and (TOP) on the CSE (the "Company" or "Enertopia") announces that it is unaware of any Material Change in the Company's operations.

At the request of IIROC, Enertopia wishes to confirm that the Company's management is unaware of any material change in the Company's operations that would account for the recent increase in market activity.

"Enertopia" is exploring a portfolio of three prospective lithium projects in Nevada and reviewing other mineral projects, while concurrently working with water purification technology partner GWT using patent pending technology that is believed able to recover Lithium from brine solutions.

Neither CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release may contain assumptions, estimates, and other forward-looking statements regarding future events. Such forward-looking statements involve inherent risks and uncertainties and are subject to factors, many of which are beyond the Company's control that may cause actual results or performance to differ materially from those currently anticipated in such statements.
