

Press Release #201716

FOR IMMEDIATE RELEASE

July 31, 2017

Enertopia Announces Change of CFO and New Director

Vancouver, BC—Enertopia Corporation (ENRT–OTCQB) (TOP–CSE) (the "Company" or "Enertopia") provides the following update. Ms. Bal Bhullar is resigning as CFO and Director of Enertopia effective July 31, 2017. Bal has been CFO of Enertopia for over 9 and half years. Bal will stay on as a consultant and we look forward to her continued support during the transition period. Robert McAllister will be named as interim CFO for what is expected to be a short period of time as the Company evaluates several candidates, and positions itself for long-term growth.

“Firstly, I wish to thank Ms. Bal Bhullar for her dedicated work for the last nine and half years. Bal is dedicating her time on her new natural supplement company and Enertopia wishes her nothing but the best as she moves her business forward.

“I would like to take this opportunity thank Robert McAllister and Enertopia for their continued support during my time with them. I have started my new business venture, KISMET Nutrients where I will be devoting much of my time and energy into. I wish the great team at Enertopia much success as they continue with their strategic plan in Lithium Technology,” stated Bal Bhullar.

Secondly, I am happy to announce the board addition of Kristian Ross who has had a successful career in mineral exploration, development and production spanning the past four decades. Having known Kristian personally for over 20yrs I know his meticulous attention to details in project development will be a big asset to Enertopia moving forward.” Stated President Robert McAllister.

The Company expects to have a complete update on its exploration program shortly.

About Enertopia

Enertopia is concurrently working with water purification technology partner GWT using patent pending technology that is believed able to recover Lithium from brine solutions. The companies are currently in the planning phase for a much larger and expanded phase two of bench tests with the goal of achieving battery grade Lithium Carbonate. This is expected to result in the buildout of a pilot plant that will be based on positive results.

Enertopia’s shares are quoted in Canada with symbol TOP and in the United States with symbol ENRT. For additional information, please visit www.enertopia.com or call Robert McAllister, the President at 1.250.765.6412
