

Enertopia Corporation Provides March 2024 Technology and Patent Update

Kelowna, British Columbia--(Newsfile Corp. - March 21, 2024) - **Enertopia Corporation** (OTCQB: ENRT) and (CSE: ENRT) ("Enertopia" or the "Company") a company focused on building shareholder value through a combination of our Nevada lithium claims, intellectual property, & pending patents in the green technology space, is very pleased to provide the following lithium project update.

The Company is providing the following technology updates:

17/751,305 (Heat Recovery System), we have provided our third response to the United States Patent Trademark Office (USPTO) and await their further comments.

17/888,320 (Water Producing System for a Liquid Transfer Mat), we are awaiting comments from the USPTO on our second response letter to the USPTO.

17/979/696 (Energy Management System), we have received first comments from the USPTO on this non provisional patent that is used by CapNtrack. We expect to have our first response back to the USPTO before the end of May.

The Company continues to make great progress on our Hydrogen technology, and will provide updates as allowed. We currently expect to file a non provisional patent on this technology before mid year 2024.

"The Enertopia team of consultants looks forward to continuing to move ahead on our developing Lithium and technology assets," stated President Robert McAllister.
