

Enertopia Provides Patent Updates

Kelowna, British Columbia--(Newsfile Corp. - October 23, 2024) - **Enertopia Corporation** (OTCQB: ENRT) (CSE: ENRT) ("Enertopia" or the "Company") a company focused on building shareholder value through a combination of our Nevada lithium claims, intellectual property, & pending patents in the green technology space, is very pleased to provide the following updates.

Patent pending technology updates:

17/979,696 (Energy Management System), we have provided our updated response to the United States Patent Trademark Office (USPTO) and have been notified our pending patent is at the publications stage of the patenting process. We now expect the patent to be granted in due course.

17/888,320 (Water Producing System for a Liquid Transfer Mat), we have provided our updated response to the United States Patent Trademark Office (USPTO) and have been notified our pending patent claim allowances have been allowed and the next step in the patent process is underway.

17/751,305 (Heat Recovery System), we have provided our updated response to the United States Patent Trademark Office (USPTO) and await their further comments.

"We expect to hear back from the USPTO in the coming months on patent approvals and we look forward to the next steps of solving real world problems," stated President Robert McAllister.
