Forward-Looking Statements

Certain information provided in this press release constitutes forward-looking statements and information within the meaning of applicable securities laws. Forward-looking information typically contains statements with words such as "anticipate", "believe", "forecast", expect", "plan", "intend", "estimate", "propose", "project", or similar words suggesting future outcomes. The Company cautions readers and prospective investors in the Company's securities not to place undue reliance on forward-looking information as, by its nature, it is based on current expectations regarding future events that involve a number of assumptions, inherent risks and uncertainties, which could cause actual results to differ materially from those anticipated by the Company.

The forward-looking information included herein is expressly qualified in its entirety by this cautionary statement. The forward-looking information included herein is made as of the date hereof and the Company assumes no obligation to update or revise any forward-looking information to reflect new events or circumstances, except as required by law.

Neither the TSX Venture Exchange ("Exchange"), nor its Regulation Services Provider (as that term is defined in the policies of the Exchange) accepts responsibility for the adequacy or accuracy of this release. No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein.
