INFORMATION CIRCULAR

October 24, 2012

INTRODUCTION

This Information Circular accompanies the Notice of Annual General and Special Meeting of Shareholders (the “**Notice**”) and is furnished to the shareholders (the “**Shareholders**”) holding common shares (the “**Common Shares**”) in the capital of Pan American Lithium Corp. (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the Shareholders to be held at 10:00 a.m. (Tucson time) on Friday, November 30, 2012 at the offices of the Company, located at 3040 N. Campbell Avenue, Suite 110, Tucson, Arizona USA, or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is October 24, 2012. Unless otherwise indicated, all dollar amounts referred to herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, regular officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining, from the principals of such persons, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Information Circular and related proxy materials to their clients, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies by management of the Company. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Common Share that such Shareholder holds on October 24, 2012 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A Shareholder has the right to appoint a person or corporation (who need not be a Shareholder) to attend and act for or on behalf of that Shareholder at the Meeting, other than the Designated Persons named in the enclosed form of proxy.

To exercise this right, the Shareholder may do so by striking out the printed names of the Designated Persons and inserting the name of such other person and, if desired, an alternate to such person, in the blank space provided in the form of proxy.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Computershare Investor Services Inc. (the “**Transfer Agent**”), at its offices located at 510 Burrard Street, 3rd Floor, Vancouver, BC V6C 3B9 at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer, or attorney-in-fact, for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, should accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at anytime, before it is exercised, by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Common Shares represented will be voted or withheld from the vote on that matter accordingly. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the Designated Persons named in the form of proxy. It is intended that the Designated Persons will vote the Common Shares represented by the proxy in favour of each matter identified in the proxy, including the vote for the election of the nominees to the Company's Board of Directors (the "Board"), for the appointment of the auditors, and for the Company's 20% fixed stock option plan.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for the determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

NON-REGISTERED HOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders are "non-registered" Shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. More particularly, a person is not a registered Shareholder in respect of Common Shares which are held on behalf of that person (the "**Non-Registered Holder**") but which are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators or self-administered RRSP's, RRIF's, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. ("**CDS**")) of which the Intermediary is a participant. In accordance with the requirements as set out in National Instrument 54-101 of the Canadian Securities Administrators ("**NI 54-101**"), the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of Proxy (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Transfer Agent as provided above; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of a one page pre-printed form, the proxy authorization will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar-code and other

information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered. Typically, the Intermediary will require the Non-Registered Holder to submit their proxy authorization form before the Company's proxy deadline to allow the Intermediary time to submit their proxy to the Company.

There are two kinds of beneficial owners – those who object to their names being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to NI 54-101, issuers can obtain a list of their NOBOs from Intermediaries for distribution of proxy-related materials directly to NOBOs.

These security holder materials are being sent, directly or indirectly, to both registered and non-registered owners of the Common Shares. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

All references to Shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value. Each Common Share carries the right to one vote at the Meeting.

To the knowledge of the Company's directors and executive officers, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares of the Company, other than as set forth below:

Corporate Cease Trade Orders

Other than disclosed herein, to the best of management's knowledge, no proposed director of the Company is, or within the ten (10) years before the date of this Information Circular has been, a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

While Andrew Brodkey was CEO and a director of Pacific Copper Corp., that company received a cease trade order (a "CTO") from the British Columbia Securities Commission ("BCSC") dated October 28, 2008 under Section 164 of the B.C. *Securities Act*, for a failure to file technical reports for its material copper oxide properties and for website disclosure which improperly set forth mineral resource estimates at several of its properties. On May 8, 2009, the BCSC revoked its CTO against Pacific Copper Corp. In order to comply with BCSC standards, Pacific Copper Corp. obtained technical reports under Canadian Securities Administrators' National Instrument 43-101 *Standards of Disclosure for Mineral Projects* ("NI 43-101") with respect to each of its material copper oxide properties, amended its annual report for the fiscal year ended October 31, 2008 to indicate that it considers such properties to be material, and provided additional disclosure, including a clarifying news release.

While Andrew Brodkey was a director of Pacific Copper Corp., that company received a CTO from the BCSC dated October 11, 2012 under Section 164 of the B.C. *Securities Act*, for a failure to file interim financial statements and Management's Discussion and Analysis for periods ending July 31, 2012.

While Andrew Brodkey was CEO and a director of Zoro Mining Corp., that company received a CTO from the BCSC dated December 11, 2009 for, *inter alia*, a failure to file technical reports for several of its material properties. On July 21, 2010, the BCSC revoked its CTO against Zoro Mining Corp. In order to comply with BCSC standards, Zoro Mining Corp. obtained technical reports under NI 43-101 with respect to three of its material properties. In addition, the company filed an amended Annual Information Form on Form 10-K/A for the Company's fiscal year ended April 30, 2009 on SEDAR in order to revise certain disclosure regarding the newly filed project technical reports.

Bankruptcies

To the best of management's knowledge, no proposed director of the Company has, within 10 years before the date of this Information Circular, been a director or officer of any company that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets.

To the best of management's knowledge, no proposed director of the Company has, within 10 years before the date of this Information Circular, has made a proposal under any legislation relating to bankruptcy or

insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

STATEMENT OF EXECUTIVE COMPENSATION

General

For the purpose of this Information Circular:

“**CEO**” of the Company means each individual who acted as chief executive officer of the Company or acted in a similar capacity for any part of the most recently completed financial year;

“**CFO**” of the Company means each individual who acted as chief financial officer of the Company or acted in a similar capacity for any part of the most recently completed financial year; and

“**Named Executive Officers**” or “**NEO**” means:

- (a) a CEO,
- (b) a CFO,
- (c) each of the Company’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year and whose total compensation was, individually, more than \$150,000 as determined in accordance with applicable securities laws, and
- (d) any individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity at the end of the most recently completed financial year.

Compensation Discussion and Analysis

The overall objective of the Company’s compensation strategy is to offer medium-term and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest calibre and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the chief executive officer, if any, in this regard. As opposed to base salary or fixed contribution plans, the Company emphasizes medium-term and long-term incentive compensation components, such as the stock options granted which have expiry dates in 2015 and 2020, respectively. The Company intends to further evaluate and develop these compensation components. The objectives of the Company’s compensation policies and procedures are to align the interests of the Company’s employees with the interests of the Company’s shareholders. Therefore, a significant portion of the total compensation is based upon overall corporate performance. The Company relies on Board discussion without a formal agenda for objectives, criteria and analysis when determining executive compensation. There are no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

The Company does not have in place a Compensation and Nominating Committee. All tasks related to developing and monitoring the Company’s approach to the compensation of officers of the Company and to developing and monitoring the Company’s approach to the nomination of directors to the Board are performed by the members of the Board. The compensation of the NEOs and the Company’s employees are reviewed, recommended and approved by the Board.

The Company directly, or indirectly through companies managed by NEOs, pays management fees to NEOs. The Company also chooses to grant stock options to NEOs and directors to satisfy the long-term compensation

component. The Board may consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant. The Board considers that the payment of such discretionary annual cash bonuses satisfies the medium term compensation component. In the future, the Board may also consider the grant of options to purchase common shares of the Company with longer future vesting dates to satisfy the long term compensation component.

The Company has not retained a compensation consultant or advisor to assist the Board in determining compensation for any of the Company's directors or officers. Given the Company's current stage of development, the Company has not considered the implications of the risks associated with the Company's compensation practices. The Company has also not adopted any policies with respect to whether NEOs and directors are permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Risk Management Disclosure

The Board of Directors has reviewed the elements of compensation of the Company to identify any risks arising from the Company's compensation policies and practices that could reasonably be expected to have a material adverse effect on the Company as well as the practices used to mitigate any such risks. The Board of Directors concluded that the compensation program and policies of the Company did not encourage its executives to take inappropriate or excessive risks. This assessment was based on a number of considerations, including, without limitation, the following: (i) the Company's compensation policies and practices are generally uniform throughout the organization; (ii) in exercising its discretion under its compensation policies the Board of Directors reviews individual and corporate performance taking into account the long-term interests of the Company; and (iii) the results of annual assessments of executives' goals, objectives and performance are reviewed and considered in awarding compensation.

Restrictions on Purchase of Financial Instruments

Although the Company has not adopted a formal policy forbidding an NEO or director from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director, the Company is not aware of any NEO or director having entered into this type of transaction.

Share-Based and Option-Based Awards

In accordance with Policy 4.4 of the TSX Venture Exchange (the "**Exchange**"), the Company currently has a rolling stock option plan (the "**Current Plan**"). The Current Plan complies with the requirements of Exchange Policy 4.4 for Tier 2 issuers. Under the Current Plan, a maximum of 10% of the issued and outstanding Common Shares are proposed to be reserved at any time for issuance on the exercise of stock options. The Company intends to seek Shareholder approval at the Meeting to approve a new stock option plan (the "**2012 Plan**"). The 2012 Plan will replace the Current Plan. The 2012 Plan is a fixed stock option plan, whereby the aggregate number of shares reserved for issuance under the 2012 Plan shall not exceed 20% of the issued and outstanding Common Shares on the date of the Meeting.

The purpose of the stock option plan is to enhance the long-term stockholder value of the Company by offering opportunities to directors, key employees, officers, independent contractors and consultants of the Company to acquire and maintain stock ownership in the Company in order to give these persons the opportunity to participate in the Company's growth and success, and to encourage them to remain in the service of the Company.

The size of stock option grants to NEOs is dependent on each officer’s level of responsibility, authority and importance to the Company and the degree to which such officer’s long-term contribution to the Company will be key to its long-term success. The Board also evaluates the number of options an officer has been granted, the exercise price of the options and the term remaining on those options when considering further grants. Options are usually priced at the closing trading price of the Company’s shares on the business day immediately preceding the date of the grant. For information on the 2012 Plan, see “Particulars of Matters to be Acted Upon – Approval of 2012 Stock Option Plan”.

Compensation Governance

The Board has not adopted any specific policies or practices to determine the compensation for the Company’s directors and officers, other than as disclosed above. Given the Company’s current stage of development, the Company has not established a compensation committee.

The Audit Committee is authorized by the Board to review the performance of the Company's external auditors and approve in advance provision of services other than auditing and to consider the independence of the external auditors, including a review of the range of services provided in the context of all consulting services bought by the Company.

External Auditor Service Fees

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. This disclosure is presented below.

The Board is comprised of four (4) directors consisting of Andrew Brodkey, Dr. David Terry, Dr. Ronald Richman and Dr. Sungwon Lee. The Board has no formal procedures designed to facilitate the exercise of independent supervision over management, relying instead on the integrity of the individual members of its management team to act in the best interests of the Company.

Board meetings are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, no director or executive officer of the Company, who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, executive officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Common Shares or other securities of the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors, the appointment of auditors or the approval of the Plan.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of 2012 Stock Option Plan

The Company currently has its Current Plan in place. The Current Plan is a "rolling" stock option plan, whereby the aggregate number of shares reserved for issuance under the Current Plan, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted. As of the date of this Information Circular, 5,375,000 options are outstanding under the Current Plan.

On October 25, 2012, the Board resolved to recommend to the Shareholders the approval of the 2012 Plan. The 2012 Plan is a fixed stock option plan, whereby the aggregate number of shares reserved for issuance under the 2012 Plan, including any other plan or agreement of the Company (including the Current Plan), shall not exceed 20% of the issued and outstanding Common Shares on the date of the Meeting. The purpose of the stock option plan is to enhance the long-term stockholder value of the Company by offering opportunities to directors, key employees, officers, independent contractors and consultants of the Company to acquire and maintain stock ownership in the Company in order to give these persons the opportunity to participate in the Company's growth and success, and to encourage them to remain in the service of the Company.

Options granted under the 2012 Plan may vest immediately, with the exception of options granted to investor relations consultants, which options must vest over a twelve month period, with 1/4 of such options vesting every three months.

The purpose of the 2012 Plan is to encourage ownership of Common Shares by persons who are directors, senior officers and key employees of, as well as consultants and employees of management companies providing services to, the Company and/or its subsidiaries. Given the competitive environment in which the Company operates its business, the 2012 Plan assists the Company and its subsidiaries in attracting and retaining valued directors, senior officers, employees, consultants and management company employees.

Options granted under the 2012 Plan may be exercisable for a period of up to ten years, and may vest at such times as determined at the time of grant and as required by the Exchange. All Options granted to persons

providing investor relations services to the Company are subject to those vesting requirements as required by the Exchange. The exercise price must be paid in full on any exercise of options.

If an optionee ceases to hold his position with the Company for any reason other than death, his options may be exercised within the earlier of the expiry date and 90 days after such position ends otherwise, but only to the extent the optionee was entitled to exercise the option at the date of such cessation. In the event of the death of an optionee, their options shall vest and may be exercised within the earlier of the expiry date and one (1) year after their death. Options granted pursuant to the 2012 Plan may not be transferred or assigned.

The 2012 Plan is subject to such approvals of the Shareholders of the Company and the Exchange or other applicable stock exchanges as may be required from time to time by the terms of the 2012 Plan and the rules of the Exchange or other applicable stock exchanges. At the Meeting, Shareholders will be asked to ratify, confirm and approve the 2012 Plan. A copy of the 2012 Plan is attached to this Information Circular as Schedule "A".

The Exchange requires shareholder approval of any stock option plan that, together with all of a company's other previously established stock option plans or grants, could result at any time in the number of listed shares reserved for issuance under stock options exceeding 10% of the issued shares. The Exchange also requires that a company must obtain disinterested shareholder approval of stock options if, among other things, a stock option plan, together with all of a company's previously established or proposed stock option grants, could result at any time in:

- (a) the number of shares reserved for issuance under stock options granted to insiders exceeding 10% of the issued shares;
- (b) the grant to insiders, within a 12 month period, of a number of options exceeding 10% of the issued shares; or
- (c) the issuance to any one optionee, within a 12 month period, of a number of shares exceeding 5% of the issued shares.

In such cases, a stock option plan must be approved by a majority of the votes cast by all shareholders at a general meeting, excluding votes attaching to shares beneficially owned by (i) insiders to whom options may be issued under the stock option plan; and (ii) associates of insiders to whom options may be issued under the stock option plan. The people who are allowed to vote are referred to as "Disinterested Shareholders". The term "insider" is defined in the *Securities Act* (British Columbia) and includes, among other persons, directors and senior officers of a company and its subsidiaries and shareholders owning more than 10% of the voting securities of a company.

As the 2012 Plan, together with all of the Company's previously established or proposed stock option grants, could result in the circumstances described in paragraphs (a) and (b) above, the Company must obtain the approval of its Disinterested Shareholders for the adoption of the 2012 Plan. For the purpose of the vote at the Meeting, all of the directors and officers of the Company and its subsidiaries and their associates will be considered insiders, such that they and their associates may not vote on the matter.

Accordingly, Disinterested Shareholders will be asked to consider and, if thought appropriate, to pass, with or without amendment, an ordinary resolution (the "**2012 Plan Resolution**") set out below. In order to be effective, the 2012 Plan Resolution must be approved by a majority of the votes cast in person or by proxy in respect thereof by the Disinterested Shareholders and approved by the Exchange.

"BE IT RESOLVED, as an ordinary resolution of the Disinterested Shareholders of the Company, that:

1. The proposed 2012 Stock Option Plan (the “**2012 Plan**”), attached as Schedule “A” to the Company’s Information Circular dated October 24, 2012 be and is hereby ratified, confirmed and approved; and
2. Any director or officer of the Company is hereby authorized and directed to execute or cause to be executed, under corporate seal of the Company or otherwise, and to deliver or cause to be delivered, all such documents, and do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in connection with the foregoing.”

It is the intention of the Designated Persons named in the enclosed form of proxy, if not expressly directed otherwise in such form of proxy, to vote such proxy FOR the ordinary resolution of the Disinterested Shareholders to approve the 2012 Plan Resolution.

Management of the Company recommends that Shareholders vote in favour of the 2012 Plan Resolution.

PAN AMERICAN LITHIUM CORP.

STOCK OPTION PLAN

November 30, 2012

2. PURPOSE

The purpose of the Stock Option Plan (the "**Plan**") of Pan American Lithium Corp., a body corporate incorporated under the *Business Corporations Act* (British Columbia) (the "**Company**"), is to advance the interests of the Company by encouraging the directors, officers, employees and consultants of the Company to acquire shares in the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of their affairs.

3. ADMINISTRATION AND GRANTING OF OPTIONS

The Plan shall be administered by the Board of Directors of the Company or, if appointed, by a special committee of directors appointed from time to time by the Board of Directors of the Company, subject to approval by the Board of Directors of the Company (such committee or, if no such committee is appointed, the Board of Directors of the Company, is hereinafter referred to as the "**Committee**") pursuant to rules of procedure fixed by the Board of Directors.

The Committee may from time to time designate bona fide directors, officers, employees or consultants of the Company (the "**Participants**") to whom options to purchase common shares of the Company (each, an "**Option**") may be granted and the number of common shares to be optioned to each, provided that the total number of common shares to be optioned shall not exceed the number provided in Clauses 3 and 4 hereof. The Company represents that Participants who are granted Options will be bona fide directors, officers, employees or consultants of the Company at the time of grant.

4. SHARES SUBJECT TO PLAN

Subject to adjustment as provided in Clause 13 hereof, the maximum number of shares that may be issued upon the exercise of all Options granted under the Plan and on the exercise of outstanding Options previously granted by the Company shall not exceed ♦. The aggregate number of shares to be delivered upon the exercise of all Options granted under the Plan shall not exceed the maximum number of shares permitted under the rules of any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction. If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased shares subject thereto shall again be available for the purpose of this Plan.

5. NUMBER OF OPTIONED SHARES

The number of shares subject to an Option to be granted to a Participant, other than a Consultant (as defined in the policies of the TSX Venture Exchange (the "**Exchange**")) and/or an Employee (as defined in the policies of the Exchange) conducting Investor Relations Activities (as defined in the policies of the Exchange), shall be determined by the Committee, but no Participant, where the Company is listed on any stock exchange, shall be granted an Option which exceeds the maximum number of shares permitted under any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction, which maximum number of shares is presently an amount equal to 5% of the issued and outstanding shares of the Company (on a non-diluted basis) in any 12 month

period, calculated at the date an Option is granted, unless the Company has received the approval of its disinterested shareholders.

The maximum number of shares subject to an Option granted to a Participant who is a Consultant is presently limited to an amount equal to 2% of the issued and outstanding shares of the Company (on a non-diluted basis) in any 12 month period, calculated at the date an Option is granted.

The number of options granted to all persons in aggregate who are employed to perform Investor Relations Activities is presently limited to an amount equal to 2% of the issued and outstanding shares of the Company (on a non-diluted basis) in any 12 month period, calculated at the date an Option is granted. All Options granted to Consultants conducting Investor Relations Activities must vest in stages over a 12 month period with no more than 1/4 of the Options vesting in any 3 month period.

Other than the foregoing, the Committee, subject to the policies of the Exchange, may determine and impose terms upon which each Option shall become vested.

6. MAINTENANCE OF SUFFICIENT CAPITAL

The Company shall at times during the term of the Plan reserve and keep available such numbers of shares as will be sufficient to satisfy the requirements of the Plan.

7. PARTICIPATION

The Committee shall determine to whom Options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such Options shall be granted and the number of shares to be subject to each Option. An individual who has been granted an Option may, if the individual is otherwise eligible, and if permitted by any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction, be granted an additional Option or Options if the Committee shall so determine.

8. EXERCISE PRICE

The exercise price of the shares covered by each Option shall be determined by the Committee. The exercise price shall not be less than the price permitted by any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction. Currently, the minimum exercise price as determined by the Exchange is not less than the Discounted Market Price (as defined by the Exchange).

9. DURATION OF OPERATION

Each Option and all rights thereunder shall be expressed to expire on the date set out in the option agreements and shall be subject to earlier termination as provided in Clauses 11 and 12.

10. OPTION PERIOD, CONSIDERATION AND PAYMENT

- (a) The option period (the “**Option Period**”) shall be a period of time fixed by the Committee, not to exceed the maximum period permitted by any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction, which maximum period is presently ten (10) years from the date the Option is granted, provided that the Option Period shall be reduced with respect to any Option as provided in Clauses 11 and 12 covering cessation as a director, officer, employee or consultant of the Company or death of the Participant.

- (b) Except as set forth in Clauses 11 and 12, no Option may be exercised unless the Participant is, at the time of such exercise, a director, officer, employee or consultant of the Company.
- (c) The exercise of any Option will be contingent upon receipt by the Company at its head office of a written notice of exercise, specifying the number of shares with respect to which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such shares with respect to which the Option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any shares subject to an Option under this Plan unless and until the certificates for such shares are issued to such persons under the terms of the Plan.

11. Hold Period

Share certificates issued on exercise of an Option shall be legended in all cases as may be required by applicable securities laws and the rules of the Exchange.

12. CEASING TO BE A DIRECTOR, OFFICER, EMPLOYEE OR CONSULTANT

If a Participant shall cease to be a director, officer, employee or consultant, as the case may be, of the Company for any reason (other than death), he may, but only within 90 days, or such other period as is determined by the Board of Directors of the Company, or the Committee, as applicable and as is permitted by any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction, after his ceasing to be a director, officer, employee or consultant, exercise his Option to the extent that he was entitled to exercise it at the date of such cessation provided that, in the case of a Participant who is engaged in Investor Relations Activity (as that term is defined in the policies of the Exchange) on behalf of the Company, this 90 day period referenced herein shall be shortened to 30 days, or such other period as is determined by the Board of Directors of the Company, or the Committee, as applicable and as is permitted by any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction.

Nothing contained in the Plan, nor in any Option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, employee or consultant of the Company or of any affiliate.

13. DEATH OF A PARTICIPANT

In the event of the death of a Participant, the Option previously granted to him shall be exercisable only within the 12 months after such death and then only:

- (a) by the person or persons to whom the Participant's rights under the Option shall pass by the Participant's will or the laws of descent and distribution; and
- (b) if and to the extent that he was entitled to exercise the Option at the date of his death.

14. ADJUSTMENTS

Appropriate and proportional adjustments in the exercise price of the Options and in the number of Options granted or to be granted may be made by the Committee in its discretion to give effect to adjustments in the number of common shares of the Company resulting from subdivisions, consolidations or reclassification of the common shares of the Company, the payment of stock dividends by the Company or other relevant changes in the capital of the Company.

15. TRANSFERABILITY

All benefits, rights and Options accruing to the Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein. During the lifetime of a Participant any benefits, rights and Options may only be exercised by the Participant.

16. AMENDMENT AND TERMINATION OF PLAN

The Committee may, at any time, suspend or terminate the Plan. The Board of Directors may, subject to such approvals as may be required under the rules of any stock exchange or which the common shares are then listed or other regulatory body having jurisdiction, also at any time amend or revise the terms of the Plan, provided that no such amendment or revision shall alter the terms of any Options theretofore granted under the Plan.

17. NECESSARY APPROVALS

The ability of the Options to be exercised and the obligation of the Company to issue and deliver shares in accordance with the Plan is subject to any approvals which may be required from the shareholders of the Company, any regulatory authority or stock exchange having jurisdiction over the securities of the Company. So long as it remains a policy of the TSX Venture Exchange, the Company will obtain disinterested shareholder approval for:

- (a) any reduction in the exercise price of the Option if the Participant is an insider of the Company at the time of the proposed amendment;
- (b) the grant to any Participant, if the Participant is an insider of the Company at the time of the grant, within a 12 month period, of a number of options exceeding 10% of the issued shares;
- (c) the issuance to any one Participant, if the Participant is an insider of the Company at the time of the grant, of a number of shares exceeding 10% of the issued shares; or
- (d) the grant of Options if the Plan, together with all of the Company's previously established and outstanding stock option plans or grants, could result at any time in the grant to insiders of the Company, within a 12 month period, of a number of Options exceeding 10% of the issued shares.

If any shares cannot be issued to the Participant for whatever reason, the obligation of the Company to issue such shares shall terminate and any Option exercise price paid to the Company will be returned to the Participant.

18. PRIOR PLANS

The Plan shall entirely replace and supersede any prior share option plan, adopted by the Board of Directors of the Company or its predecessor company, PROVIDED that the Plan does not affect any Options granted under any prior share option plan.

19. EFFECTIVE DATE OF PLAN

The Plan has been adopted by the Board of Directors and shall become effective upon the date hereof. The Plan may remain subject to the approval of any stock exchange on which the shares of the Company is or are to be listed or other regulatory body having jurisdiction and approval of the shareholders and, if and when so approved, the grant of Options under the Plan shall become effective.
