Item 1.01 Entry into a Material Definitive Agreement

On October 16, 2018, Rise Gold Corp. ("Rise Gold" or the "Company") entered into an agreement with Meridian Jerritt Canyon Corp. (the "Acquiror"), a wholly-owned subsidiary of Yamana Gold Inc., pursuant to which the Acquiror has completed a strategic initial investment in the Company (described in Item 3.02 below) of C\$1.75 million through the purchase of 17,500,000 Units. The Acquiror has the right, for as long as it owns 5% or more of the Company's outstanding shares, to participate in any future equity financings of Rise Gold in order to maintain its percentage equity interest or to increase its equity ownership up to 19.9% of the issued and outstanding shares the Company. In addition, the Acquiror will be permitted to nominate one individual to the board of directors of Rise Gold and to appoint two members to Rise Gold's advisory committee. The Company has also granted the Acquiror an exclusive right of first offer and first refusal for a period of six months following the closing of the financing, in respect of any proposed transfer or sale by Rise Gold of any interest, including a joint venture interest, in all or any part of the Idaho-Maryland Gold Project, on terms and conditions to be agreed upon by the parties.

Item 3.02 Unregistered Sales of Securities

The Company announced on October 16, 2018, the intention to raise up to C\$2.5 million through the issuance of up to 25,000,000 units (each a "Unit") at a price of C\$0.10 per Unit, with each Unit comprising one share of common stock (a "Share") and one-half of one share purchase warrant (the "Offering"). Each whole warrant (a "Warrant") entitles the holder to acquire one Share at an exercise price of C\$0.13 until October 16, 2020.

As described in Item 1.01 above, on October 16, 2018, the Company completed a strategic initial investment in the Offering through the issuance of 17,500,000 Units to the Acquiror for gross proceeds of C\$1.75 million. The Company offered and sold the Units in reliance on the exemption from registration provided by Section 4(a)(2) of the United States Securities Act of 1933, as amended (the "U.S. Securities Act") and Rule 506(b) of Regulation D thereunder, based on the Acquiror's investment intent and status as an "accredited investor," as defined in Rule 501(a) of Regulation D, and the absence of any general solicitation or general advertising.

In conjunction with the Acquiror's investment, the Company issued 875,000 share purchase warrants as a finder's fee (the "Finder's Warrants") to Southern Arc Minerals Inc., an insider of the Company. Each Finder's Warrant entitles the holder to acquire one share of common stock at an exercise price of C\$0.13 until October 16, 2020. The Company issued the Finder's Warrants in reliance on the exclusion from registration provided by Rule 903 of Regulation S under the U.S. Securities Act because the recipient of the Finder's Warrants was outside of the United States and the Company did not engage in any "directed selling efforts," as defined in Rule 902 of Regulation S.

In connection with the financing, Rise Gold has granted the Acquiror a right to participate in any future equity financings of Rise Gold to maintain and increase its equity ownership up to 19.9% of the issued and outstanding shares the Company. In addition, the Acquiror will be permitted to nominate one individual to the board of directors of Rise Gold and to appoint two members to Rise Gold's advisory committee. The Company will file a material report. A material change report was not filed more than 21 days prior to closing as contemplated by the related party transaction requirements under MI 61-101 as the insider participation was only recently confirmed.

While the Acquiror currently has no plans or intentions with respect to the Rise Gold securities, depending on market conditions, general economic and industry conditions, trading prices of Rise Gold's securities, Rise Gold's business, financial condition and prospects and/or other relevant factors, the Acquiror may develop such plans or intentions in the future and, at such time, may from time to time acquire additional securities, dispose of some or all of the existing or additional securities or may continue to hold the Rise Gold shares, Warrants or other securities of Rise Gold.
