(CSE: RISE, OTCQB: RYES) (the “**Company**”) announces that it intends to raise up to C\$1.75 million through the issuance of up to 25,000,000 units (each a “Unit”) at a price of C\$0.07 per Unit, with each Unit comprising one share of common stock (a “Share”) and one-half of one share purchase warrant (the “Private Placement”). Each whole warrant (a “Warrant”) entitles the holder to acquire one Share at an exercise price of C\$0.10 for a period of three years from the date of issuance.

The Offering will be conducted pursuant to available prospectus exemptions including sales to accredited investors, family members, close friends and business associates of directors and officers of the Corporation, to purchasers who have obtained suitability advice from a registered investment dealer pursuant to the exemption set out in BC Instrument 45-536 (Exemption from prospectus requirement for certain distributions through an investment dealer) (the “Investment Dealer Exemption”) and to existing shareholders of the Corporation pursuant to the exemption set out in British Columbia Securities Commission BC Instrument 45-534 (Exemption from prospectus requirement for certain trades to existing security holders) (the “Existing Shareholder Exemption”).

Assuming the Offering is fully subscribed, the Corporation plans to allocate the gross proceeds of the Offering to: (i) engineering and permitting on its Idaho-Maryland Gold Project (C\$1,300,000) and (ii) general working capital (C\$450,000).

If the Offering is not fully subscribed, the Corporation will apply the proceeds to the above uses in priority and in such proportions as the Board of Directors and management of the Corporation determine is in the best interests of the Corporation.
