Benjamin W. Mossman was a director and officer of Banks Island Gold Ltd. (“**Banks**”), a company formerly listed on the TSX Venture Exchange that traded under the symbol “BOZ”, during the time it assigned itself into bankruptcy on January 7, 2016. Banks appointed D. Manning & Associates as trustee in the bankruptcy proceedings. Subsequent to the bankruptcy, FTI Consulting of Vancouver, BC, was appointed as receiver by a major secured creditor. The trustee subsequently applied to be discharged from its role as trustee, which was granted on April 4, 2018. To the best of Mr. Mossman’s knowledge, the secured creditor has taken possession of the property as of this date. To date, Banks remains undischarged from the bankruptcy proceedings.

Mr. Mossman, Banks, and two other former employees of Banks, were subject to summary conviction proceedings commenced in August 2016 for alleged violations of the British Columbia provincial *Environmental Management Act* (the “**EMA**”), the Provincial Water Act, and the federal Fisheries Act. The charges are related to the active mining operations conducted by Banks at and on Banks Island, BC during the period from 2014 to 2016. The court found Mr. Mossman not guilty and acquitted him of all, but two, charges under the EMA and Fisheries Act. For those two minor offences, the court imposed a \$15,000 global fine against Mr. Mossman. All charges were dropped against one former employee and against Banks, and the court dismissed all charges against the other former employee.

Subsequent to the decision, the Crown filed an appeal regarding certain of the original determinations as they relate to Mr. Mossman. The summary conviction appeal was heard by the BC Supreme Court in May 2019. Mr. Mossman and the remaining employee cross-appealed the two convictions held against them. In February 2020, the court issued its decision and ordered a new trial in the matter for Mr. Mossman and the former employee. The two convictions and Mr. Mossman’s \$15,000 fine relating to the incident were also set aside by the court. Counsel for Mr. Mossman sought leave to appeal the BC Supreme Court decision to the BC Court of Appeal, which was dismissed as part of the order for a new trial. The Supreme Court of Canada recently dismissed Mr. Mossman’s application to appeal the order for a new trial. The new trial commenced in 2022 and is currently forecasted to be completed sometime in 2023.

In a second trial, the Crown charged Mr. Mossman with obstruction of justice related to the investigation of the underlying charges laid under the EMA and the other provincial and federal environmental regulations. The court acquitted him of that charge on March 6, 2019. No appeal of the acquittal was filed by the Crown.

None of the Corporation’s directors or executive officers has been involved in any transactions with the Corporation or any of its directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Management Agreements

On April 19, 2017, the Corporation entered into an executive employment agreement with Mr. Mossman, which was amended on April 16, 2018 (the “**Executive Employment Agreement**”). The Executive Employment Agreement which commenced on May 1, 2017 provides for an annual salary of \$135,000 per year. The Executive Employment Agreement also provides that Mr. Mossman will, subject to the terms of the stock option plan and stock exchange policies, be granted options from time to time to maintain his right to purchase 5% of the Corporation’s issued and outstanding Common Stock. Mr. Mossman currently holds options to acquire 1,638,500 shares of Common Stock pursuant to the terms of the Executive Employment Agreement.

The Executive Employment Agreement includes compensation provisions for Mr. Mossman if there is a change of control, he is terminated without just cause, he resigns under circumstances contemplated in the Employment Agreement or he dies while in the Corporation's employment. If there is a change of control and Mr. Mossman is terminated within one (1) year of the date of a change of control or if Mr. Mossman terminates his employment with us upon the occurrence of certain events, including a material adverse and fundamental change in his overall authority and responsibilities, Mr. Mossman will be entitled to a lump sum amount equal to three (3) years of Mr. Mossman's then applicable annual salary. If Mr. Mossman is otherwise terminated without just cause, Mr. Mossman will be entitled to an amount equal to three (3) months of Mr. Mossman's then applicable annual salary and will also be entitled to maintain in effect, until the earliest of the expiration of 18 months from the date of termination and the death of Mr. Mossman, participation in certain of the Corporation's benefit plans and stock option plans. If Mr. Mossman dies while employed by the Corporation, Mr. Mossman's estate, subject to compliance with stock exchange requirements, the stock option plan, and the terms of the Executive Employment Agreement, will be entitled to continue Mr. Mossman's participation in the Corporation's stock option plan.

Pursuant to a consulting services agreement dated April 17, 2018, as amended December 13, 2018 (the "**JPA Agreement**") with J. Audit Committee Financial Expert

Murray G. Flanigan is an "audit committee financial expert" within the meaning of Item 401(h)(1) of Regulation S-K. In general, an "audit committee financial expert" is an individual member of the audit committee who (a) understands generally accepted accounting principles and financial statements, (b) is able to assess the general application of such principles in connection with the accounting for estimates, reserves and accruals, (c) has experience preparing, auditing, analyzing or evaluating financial statements comparable to the breadth and complexity of issues that can reasonably be expected to be raised by a company's financial statements, (d) understands internal controls over financial reporting, and (e) understands audit committee functions. The Corporation has determined that Mr. Flanigan is an independent director as defined in Nasdaq Listing Rule 5605(a)(2).

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board has furnished the following report relating to its oversight of the accounting and financial reporting of Rise and the audit of Rise's financial statements for the fiscal year ended July 31, 2022. The report is not deemed to be "soliciting material" or "filed" with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Exchange Act, and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing under the Securities Act, or the Exchange Act, except to the extent that the Corporation specifically incorporates it by reference into any such filing.

The Audit Committee oversees the financial reporting process on behalf of the Board. Management has the primary responsibility for the financial reporting process, principles and internal controls as well as preparation of the Corporation's financial statements. The members of the Audit Committee are Murray G. Flanigan, Chairman, Thomas I. Vehrs and John G. Proust. John G. Proust is not an independent director as defined by the applicable Nasdaq and SEC rules with respect to audit committees. Murray G. Flanigan and Thomas I. Vehrs are independent directors as defined by the applicable Nasdaq and SEC rules.

In fulfilling its responsibilities, the Audit Committee appointed independent auditors Davidson & Company LLP, for the fiscal year ended July 31, 2022. The Audit Committee reviewed and discussed with the independent auditors the overall scope and specific plans for their audit. The Audit Committee also reviewed and discussed with the independent auditors and with management the Corporation's audited financial statements and the adequacy of its internal controls. The Audit Committee met with the independent auditors, without management present, to discuss the results of the Corporation's independent auditor's audits, their evaluations of the Corporation's internal controls and the overall quality of the Corporation's financial reporting.

The Audit Committee monitored the independence and performance of the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed by Public Company Accounting Oversight Board (“PCAOB”) Auditing Standard No. 16—Communications with Audit Committees. The Corporation’s independent auditors have provided the Audit Committee with the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent auditors’ communications with the Audit Committee concerning independence, and the Audit Committee has discussed with the independent auditors the independent auditors’ independence. Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Corporation’s Annual Report on Form 10-K for the fiscal year ended July 31, 2022, for filing with the SEC.

Compensation Committee

At present, the Corporation’s board of directors (the “**Board**”) as a whole determines the compensation of the Corporation’s Chief Executive Officer and Chief Financial Officer and does so with reference to industry standards and the financial situation of the Corporation. The Board has the sole responsibility for determining the compensation of the directors of the Corporation.

Given the Corporation’s size, limited operating history and lack of revenues, the Board does not plan to form a compensation committee to monitor and review the salary and benefits of the executive officers of the Corporation at the present time. The Board will carry out these functions until such time as it deems the formation of a compensation committee is warranted.

Code of Ethics

During the Corporation’s financial year ended July 31, 2008, the Board adopted a written Code of Ethics within the meaning of Item 406(b) of Regulation S-K under the Securities Act, a copy of which has been filed on EDGAR as an exhibit to the Corporation’s annual reports on Form 10-K. The Code of Ethics obligates the Corporation’s directors, officers and employees to disclose potential conflicts of interest and prohibits those persons from engaging in such transactions without the Corporation’s consent.

The Board is also required to comply with the conflict of interest provisions of relevant corporate and securities laws and regulations in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest.

Board Leadership Structure and Role in Risk Oversight

The Board of Directors as a whole is responsible for risk oversight. Executive officers address and discuss with the Board the Corporation’s risks and the manner in which the Corporation manages or mitigates such risks. While the Board has the ultimate responsibility for risk oversight, the Board works in conjunction with the Audit Committee on certain aspects of its risk oversight responsibilities. In particular, the Audit Committee focuses on financial reporting risks and related controls and procedures. The Corporation does not currently have a compensation committee or a nominating committee, so the full Board evaluates the risks associated with compensation philosophy and programs and strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with the Corporation’s strategies and objectives, and it oversees risks associated with the Corporation’s Code of Ethics.

Director Independence

Because the Corporation’s common stock is not currently listed on a national securities exchange, it currently uses the definition in Nasdaq Listing Rule 5605(a)(2) for determining director independence, which provides that an “independent director” is a person other than an executive officer or employee of the company or any other individual

having a relationship which, in the opinion of the company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Nasdaq listing rules provide that a director cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of the company;
- the director or a family member of the director accepted any compensation from the company in excess of \$120,000 during any period of 12 consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);
- a family member of the director is, or at any time during the past three years was, an executive officer of the company;
- the director or a family member of the director is a partner in, controlling stockholder of, or an executive officer of an entity to which the company made, or from which the company received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenue for that year or \$200,000, whichever is greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of the company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the company's outside auditor, or at any time during the past three years was a partner or employee of the company's outside auditor, and who worked on the company's audit.

The Corporation has determined that Thomas I. Vehrs, Murray G. Flanigan and Lawrence W. Leopard meet this definition of independence.

Attendance of Directors at Meetings

Five (5) meetings of the Board and four (4) meetings of the Audit Committee were held during the year ended July 31, 2022. Each director attended, either in person or by electronic means, over 75% of the aggregate number of Board meetings and, if applicable, Audit Committee meetings held.

The Corporation does not have a policy regarding attendance of directors at stockholder meetings. Of those who were directors at the time, all of the directors attended the Corporation's last annual general meeting held on June 30, 2021 either in person or by electronic means.

Shareholder Communications with the Board

The Corporation's stockholders may communicate with the Board, including non-executive directors or officers, by sending written communications addressed to such person or persons in care of Rise Gold Corp., Attention: Secretary, Suite 650 – 669 Howe Street, Vancouver, British Columbia V6C 0B4. All communications will be compiled by the Secretary and submitted to the addressee. If the Board modifies this process, the revised process will be posted on the Corporation's website.

Mr. Mossman’s offer to surrender the Cancelled Options was made subject to the condition that once the Corporation’s authorized capital was increased, or sufficient authorized capital otherwise became available, the Corporation would grant Mr. Mossman new stock options to replace the Cancelled Options at a price and upon terms to be determined in accordance with, and subject to, applicable securities and stock exchange requirements. DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in the Corporation’s proxy statement and for consideration at the Corporation’s next annual general meeting. To be eligible for inclusion in the proxy statement for the Corporation’s 2024 annual general meeting (the “**2024 Meeting**”), a stockholder proposal must be received by the Corporation no later than October 3, 2023 (i.e., 120 days before the date in 2024 on which the Meeting in 2023 was held) and must otherwise comply with Rule 14a-8. If the date of the 2024 Meeting is called for a date that is not within 30 days before or after the anniversary date of the Meeting, then the stockholder must submit any such proposal not later than the close of business of the 10th day following the earlier of (i) the day on which the notice of the Meeting was mailed or (ii) public disclosure of the date of such meeting is first made. While the Board will consider stockholder proposals, the Corporation reserves the right to omit from its proxy statement any stockholder proposal that the Corporation is not required to include under applicable law, including Rule 14a-8.

Any stockholder wishing to deliver such proposals may send their communications to the Rise Gold Corp., Attention: Secretary, Suite 650 – 669 Howe Street, Vancouver, British Columbia, V6C 0B4. It is recommended that stockholders submitting proposals use certified mail, return receipt requested, to provide proof of timely receipt.

With respect to any proposal that a stockholder seeks to present at the 2024 Meeting that is not submitted for inclusion in the Corporation’s proxy materials pursuant to Rule 14a-8, the proxy solicited by the Board for that meeting will

confer discretionary voting authority to vote on such proposal to the extent permitted under Rule 14a-4 under the Exchange Act.

The presiding officer of the 2024 Meeting reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements, including conditions set forth in the Corporation's bylaws, applicable state law and conditions established by the SEC.

INFORMATION CIRCULAR

December 26, 2022

INTRODUCTION

This information circular (this “**Information Circular**”) accompanies the notice of annual general meeting of stockholders (the “**Notice**”) of Rise Gold Corp. (the “**Corporation**”) and is being furnished to the holders of common stock (each, a “**Share**”) of the Corporation in connection with the solicitation by the management of the Corporation of proxies to be voted at the annual general meeting (the “**Meeting**”) of the stockholders to be held at 10:00 a.m. (Vancouver time) on Tuesday, January 31, 2023 at Suite 650 – 669 Howe Street, Vancouver, British Columbia, V6C 0B4 or at any adjournment or postponement thereof.

In this Information Circular, unless otherwise indicated, all dollar amounts are expressed in United States dollars and all references to \$ are to United States dollars.

SOLICITATION OF PROXIES

The solicitation will be made by mail and may also be supplemented by telephone or other personal contact to be made without special compensation by directors, officers and employees of the Corporation. The Corporation will bear the cost of this solicitation. The Corporation will not reimburse stockholders, nominees or agents for the cost incurred in obtaining authorization from their principals to execute forms of proxy, except that the Corporation has requested brokers and nominees who hold stock in their respective names to furnish this Information Circular and related proxy material to their customers, and the Corporation will reimburse such brokers and nominees for their related out-of-pocket expenses.

APPOINTMENT AND REVOCATION OF PROXY

Registered Stockholders

Registered stockholders may vote their Shares by attending the Meeting in person or by proxy. Registered stockholders should deliver their completed proxies to Capital Transfer Agency Inc.,

390 Bay Street, Suite 920, Toronto, ON M5H 2Y2 (by mail, telephone or Internet according to the instructions on the proxy), not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, otherwise they will not be entitled to vote at the Meeting by proxy. The persons named in the accompanying proxy (the “**Designated Persons**”) are directors and officers of the Corporation and are proxyholders nominated by management. **A stockholder has the right to appoint a person other than the Designated Persons named in the proxy to represent them at the Meeting. To exercise this right, a stockholder must insert the name of its nominee in the blank space provided. A person appointed as a proxyholder need not be a stockholder of the Corporation.**

A registered stockholder may revoke a proxy by:

- (a) signing a proxy with a later date and delivering it at the place and within the time noted above;
- (b) signing and dating a written notice of revocation (in the same manner as the proxy is required to be executed, as set out in the notes to the proxy) and delivering it to the Corporation at the address set forth above at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (c) in any other manner provided by law.

Beneficial Stockholders

The information set forth in this section is of significant importance to many stockholders, as many stockholders do not hold their Shares in their own name. Stockholders holding their Shares through banks, trust companies, securities dealers or brokers, trustees or administrators of RRSPs, RRIFs, RESPs and similar plans or other persons (any one of which is herein referred to as an “**Intermediary**”) or otherwise not in their own name (such stockholders herein referred to as “**Beneficial Stockholders**”) should note that only proxies deposited by stockholders appearing on the records maintained by the Corporation’s transfer agent as registered stockholders will be recognized and allowed to vote at the Meeting. If a stockholder’s Shares are listed in an account statement provided to the stockholder by a broker, in all likelihood those Shares are not registered in the stockholder’s name and that stockholder is a Beneficial Stockholder. Such Shares are most likely registered in the name of the stockholder’s broker or an agent of that broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities (which acts as nominee for many Canadian brokerage firms), and in the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks). Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted at the Meeting at the direction of the Beneficial Stockholder. **Beneficial Stockholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate party well in advance of the Meeting.**

Applicable regulatory policies require Intermediaries to seek voting instructions from Beneficial Stockholders in advance of stockholders' meetings. In accordance with the requirements of National Instrument 54-101, the Corporation will distribute the Meeting materials to Intermediaries and clearing agencies for onward distribution to non-registered holders. The Corporation does not intend to pay Intermediaries to forward the Meeting materials if the non-registered holders have provided instructions to their Intermediary that they object to the Intermediary disclosing ownership information about the non-registered holders. In this case, such non-registered holder will not receive the Meeting materials if the Intermediary does not assume the cost of delivery. Each Intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Stockholders in order to ensure that their Shares are voted at the Meeting.

Intermediaries are required to forward the Meeting materials to non-registered holders unless a non-registered holder has waived the right to receive Meeting materials. Generally, non-registered holders who have not waived the right to receive Meeting materials will be sent a voting instruction form which must be completed, signed and returned by the non-registered holder in accordance with the Intermediary's directions on the voting instruction form. Intermediaries often use service companies to forward the Meeting materials to non-registered holders. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Stockholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of common shares at the Meeting. **A Beneficial Stockholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such Shares are voted.**

In some cases, Beneficial Stockholders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of common shares beneficially owned by the Beneficial Stockholder but which is otherwise not completed. This form of proxy does not need to be signed by the Beneficial Stockholder, but, to be used at the Meeting, needs to be properly completed and deposited with Capital Transfer Agency Inc.

The purpose of these procedures is to permit Beneficial Stockholders to direct the voting of the Shares which they beneficially own. Beneficial Stockholders should follow the procedures set out on the voting instruction form or form of proxy they receive. Should a Beneficial Stockholder who receives one of the above forms wish to attend and vote at the Meeting in person (or have someone else attend and vote on their behalf), the Beneficial Stockholder should strike out the names of the persons named in the form and insert the Beneficial Stockholder's (or such other person's) name in the blank space provided. In either case, Beneficial Stockholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the stockholder on any ballot that may be called for and if the stockholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN A PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

If any amendments or variations to such matters, or any other matters, are properly brought before the Meeting, the proxyholder, if a nominee of management, will exercise its discretion and vote on such matters in accordance with its best judgment. At the time of printing this Information Circular, management of the Corporation is not aware that any amendments or variations to existing matters or new matters are to be presented for action at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, the Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of each of the following persons in any matter to be acted upon at the Meeting other than the interest of the current directors nominated for re-election to the board of directors:

- (a) each person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation's last financial year;
- (b) each proposed nominee for election as a director of the Corporation; and
- (c) each associate or affiliate of any of the foregoing.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of 400,000,000 Shares, \$0.0001 par value. As of the record date, determined by the Corporation's board of directors (the "**Board**") to be the close of business on December 26, 2022 (the "**Record Date**"), a total of 32,787,798 Shares were issued and outstanding. All Shares are of the same class and each carries the right to one vote. Only those stockholders of record on the Record Date are entitled to attend and vote at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, the following persons or companies beneficially own, or control or direct, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation:

Name	No. of Common Shares Owned	Percentage of Class ⁽¹⁾
Lawrence W. Lepard	3,748,031	11.43%

⁽¹⁾ The percentage is determined based on the number of the Corporation's outstanding common shares as of the Record Date.

ELECTION OF DIRECTORS

The directors of the Corporation hold office until the next annual meeting of the stockholders or until their successors are elected and qualified, and from this point on will be elected annually. Management of the Corporation proposes to nominate the persons listed below for election as directors of the Corporation to serve until their successors are elected and qualified. In the absence of instructions to the contrary, proxies given pursuant to the solicitation by management of the Corporation will be voted for the nominees listed in this Information Circular. Management does not contemplate that any of the nominees will --be unable to serve as a director. If any vacancies occur in the slate of nominees listed below before the Meeting, management will exercise discretion to vote the proxy for the election of any other person or persons as directors.

The following table sets out the names of the nominees for election as directors, the offices they hold within the Corporation, their occupations, the length of time they have served as directors of the Corporation, and the number of shares of the Corporation and its subsidiaries which each beneficially owns, directly or indirectly, or over which control or direction is exercised as of the date of this Information Circular:

- (i) was the subject:
 - (A) of a cease trade order;
 - (B) an order similar to a cease trade order; or
 - (C) an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days, that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer, or
- (ii) was subject to:
 - (A) a cease trade order;
 - (B) an order similar to a cease trade order; or
 - (C) an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days, that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer;

Benjamin W. Mossman was a director and officer of Banks Island Gold Ltd. (“**Banks**”), a company formerly listed on the TSX Venture Exchange that traded under the symbol “BOZ”, during the time it assigned itself into bankruptcy on January 7, 2016. Banks appointed D. Manning & Associates as trustee in the bankruptcy proceedings. Subsequent to the bankruptcy, FTI Consulting

of Vancouver, BC, was appointed as receiver by a major secured creditor. The trustee subsequently applied to be discharged from its role as trustee, which was granted on April 4, 2018. To the best of Mr. Mossman's knowledge, the secured creditor has taken possession of the property as of this date. To date, Banks remains undischarged from the bankruptcy proceedings.

Mr. Mossman, Banks, and two other former employees of Banks, were subject to summary conviction proceedings commenced in August 2016 for alleged violations of the British Columbia provincial Environmental Management Act (the "EMA"), the Provincial Water Act, and the federal Fisheries Act. The charges are related to the active mining operations conducted by Banks at and on Banks Island, BC during the period from 2014 to 2016. The court found Mr. Mossman not guilty and acquitted him of all, but two, charges under the EMA and Fisheries Act. For those two minor offences, the court imposed a \$15,000 global fine against Mr. Mossman. All charges were dropped against one former employee and against Banks, and the court dismissed all charges against the other former employee.

Subsequent to the decision, the Crown filed an appeal regarding certain of the original determinations as they relate to Mr. Mossman. The summary conviction appeal was heard by the BC Supreme Court in May 2019. Mr. Mossman and the remaining employee cross-appealed the two convictions held against them. In February 2020, the court issued its decision and ordered a new trial in the matter for Mr. Mossman and the former employee. The two convictions and Mr. Mossman's \$15,000 fine relating to the incident were also set aside by the court. Counsel for Mr. Mossman sought leave to appeal the BC Supreme Court decision to the BC Court of Appeal, which was dismissed as part of the order for a new trial. The Supreme Court of Canada recently dismissed Mr. Mossman's application to appeal the order for a new trial. The new trial commenced in 2022 and is currently forecasted to be completed sometime in 2023.

In a second trial, the Crown charged Mr. Mossman with obstruction of justice related to the investigation of the underlying charges laid under the EMA and the other provincial and federal environmental regulations. The court acquitted him of that charge on March 6, 2019. No appeal of the acquittal was filed by the Crown.

Employment, Consulting and Management Agreements

On April 19, 2017, the Corporation entered into an executive employment agreement with Mr. Mossman, which was amended on April 16, 2018 (the “**Executive Employment Agreement**”). Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Corporation’s current size and stage of development. All tasks related to developing and monitoring the Corporation’s approach to the compensation of NEOs and directors are performed by the members of the Board. The compensation of NEOs, directors and the Corporation’s employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or

criteria. NEOs that are also directors of the Corporation are involved in discussions relating to compensation, but disclose their interest in, and abstain from voting on, decisions relating to their respective compensation.

The overall objective of the Corporation's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Corporation has in place programs to attract, retain and develop management of the highest calibre, and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Corporation currently has a short term compensation component in place, which includes the accrual and/or payment of management fees to certain NEOs, and a long-term compensation component in place, which may include the grant of stock options under the Plan. The Corporation intends to further develop these compensation components. Although it has not to date, the Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Corporation and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium term compensation component.

The objectives of the Corporation's compensation policies and procedures are to align the interests of the Corporation's employees with the interests of the stockholders. Therefore, a significant portion of total compensation granted by the Corporation, being the grant of stock options, is based upon overall corporate performance. The Corporation relies on Board discussion without formal objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

Pension Plan Benefits

The Corporation does not have any pension plans that provide for payments or benefits to NEOs or directors at, following, or in connection with retirement, including any defined benefits plan or any defined contribution plan. The Corporation does not have a deferred compensation plan with respect to any NEO or director.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the stockholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with day-to-day management of the Corporation.

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) the Corporation is required to disclose its corporate governance practices, as summarized below. The Board will monitor such practices on an ongoing basis and when necessary implement such additional practices as it deems appropriate.

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which are both in the interest of its stockholders and contribute to effective and efficient decision making.

Board of Directors

The Board presently has five directors: Benjamin W. Mossman, Thomas I. Vehrs, John G. Proust, Murray G. Flanigan and Lawrence W. Lepard. Thomas I. Vehrs, Murray G. Flanigan and Lawrence W. Lepard are independent. Benjamin W. Mossman is not independent as he is the CEO of the Corporation. John G. Proust is not independent as J. Proust & Associates Inc., a company owned by Mr. Proust, provides consulting services to the Corporation.

The definition of independence used by the Corporation is that used in Nasdaq Listing Rule 5605(a)(2), which provides that an “independent director” is a person other than an executive officer or employee of the Corporation or any other individual having a relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Nasdaq listing rules provide that a director of a company cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of the company;
- the director or a family member of the director accepted any compensation from the company in excess of \$120,000 during any period of 12 consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);
- a family member of the director is, or at any time during the past three years was, an executive officer of the company;
- the director or a family member of the director is a partner in, controlling stockholder of, or an executive officer of an entity to which the company made, or from which the company received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient’s consolidated gross revenue for that year or \$200,000, whichever is greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of the company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the company’s outside auditor, or at any time during the past three years was a partner or employee of the company’s outside auditor, and who worked on the company’s audit.

The Board believes that the principal objective of the Corporation is to generate economic returns with the goal of maximizing stockholder value, and that this is to be accomplished by the Board through its stewardship of the Corporation. In fulfilling its stewardship function, the Board’s responsibilities include strategic planning, appointing and overseeing management, succession planning, risk identification and overseeing financial and corporate issues. Directors are involved in the supervision of management.

The Corporation has not developed written position descriptions for the CEO and the CFO. Pursuant to Chapter 78 of the Nevada Revised Statutes, directors must declare any interest in a material contract or transaction or a proposed material contract or transaction.

Orientation and Continuing Education

Each new director of the Corporation is briefed about the nature of the Corporation's business, its corporate strategy and current issues within the Corporation. New directors will be encouraged to review the Corporation's public disclosure records as filed on the System for Electronic Document Analysis and Retrieval (SEDAR) in Canada at www.sedar.com and as filed on the Electronic Data Gathering, Analysis and Retrieval (EDGAR) system in the United States at www.sec.gov. Directors are also provided with access to management to better understand the operations of the Corporation, and to the Corporation's legal counsel to discuss their legal obligations as directors of the Corporation.

Ethical Business Conduct

During the Corporation's financial year ended July 31, 2008, the Board adopted a written Code of Ethics within the meaning of Item 406(b) of Regulation S-K under the United States Securities Act of 1933, as amended. The Code of Ethics, a copy of which has been filed on SEDAR, obligates the Corporation's directors, officers and employees to disclose potential conflicts of interest and prohibits those persons from engaging in such transactions without the Corporation's consent.

The Board is also required to comply with the conflict of interest provisions of relevant corporate and securities legislation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest.

Nomination of Directors

The Corporation does not have a formal process or committee for proposing new nominees for election to the Board. Management is in contact with individuals involved in the mineral exploration sector, and in the event that the Corporation requires any new directors, such individuals will be brought to the attention of the Board. The Corporation will conduct reference

and background checks on suitable candidates. New nominees generally must have a track record in business management, areas of strategic interest to the Corporation, the ability to devote the time required to carry out the obligations and responsibilities of a director and a willingness to serve in that capacity.

Compensation

At present, the Board as a whole determines the compensation of the CEO and CFO of the Corporation and does so with reference to industry standards and the financial situation of the Corporation. The Board has the sole responsibility for determining the compensation of the directors of the Corporation. The Corporation currently pays directors' fees to its directors who are not also NEOs for their services. Given the Corporation's size, limited operating history and lack of revenues, the Board does not plan to form a compensation committee to monitor and review the salary and benefits of the executive officers of the Corporation at the present time. The Board will carry out these functions until such time as it deems the formation of a compensation committee is warranted.

Other Board Committees

The Board has not established any committees other than the audit committee (the "**Audit Committee**").

Assessments

Neither the Corporation nor the Board has developed a formal review system to assess the performance of the directors or the Board as a whole. The contributions of individual directors are monitored by other members of the Board on an informal basis through observation.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

General

The Audit Committee is a standing committee of the Board, the primary function of which is to assist the Board in fulfilling its financial oversight responsibilities, which will include monitoring the quality and integrity of the Corporation's financial statements and the independence and performance of the Corporation's external auditor, acting as a liaison between the Board and the Corporation's external auditor, reviewing the financial information that will be publicly disclosed and reviewing all audit processes and the systems of internal controls management and the Board have established.

Audit Committee Charter

The Board has adopted an Audit Committee Charter, which sets out the Audit Committee's mandate, organization, powers and responsibilities. The Audit Committee Charter is attached as Schedule "A" to this Information Circular.

Composition

As at the date of this Information Circular, the Audit Committee is comprised of three directors: Thomas I. Vehrs, John G. Proust, and Murray G. Flanigan.

National Instrument 52-110 *Audit Committees* (“**NI 52-110**”) provides that a member of an audit committee is “independent” if the member has no direct or indirect material relationship with a company, which could, in the view of that company’s board of directors, reasonably interfere with the exercise of the member’s independent judgment. Two of the members of the presently constituted Audit Committee, namely Thomas I. Vehrs and Murray G. Flanigan, meet the definition of independence provided in NI 52-110.

Relevant Education and Experience

NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements. All of the members of the Audit Committee are financially literate.

Thomas I. Vehrs has been associated with Canadian junior mining companies for over twenty years, having served both in officer and director positions. His statistical work as a geologist and his years of financial statement review in his capacity as an officer and director of various companies give him the experience and insight needed to discharge his duties as an Audit Committee member.

John G. Proust has held senior positions and served on the boards of many private and TSX-V/CSE listed companies, including those in the mining industry. This experience has provided Mr. Proust with an understanding of the accounting principles used by the Corporation to prepare its financial statements and to analyze or evaluate the Corporation’s financial statements. Mr. Proust has served on audit committees for public companies of which he is and has been a director.

Murray G. Flanigan is a management consultant providing financial advisory services to a number of public and private oil and gas, mining and technology companies in North America and abroad. Mr. Flanigan is a Chartered Professional Accountant and a Chartered Financial Analyst with expertise in corporate finance, mergers and acquisitions, international taxation, risk management, banking, treasury, corporate restructuring and accounting, and has served as chief financial officer for various public and private companies. Mr. Flanigan also serves on the audit committee of other reporting issuers.

Audit Committee Oversight

Since the commencement of the Corporation’s most recently completed financial year, the Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Corporation's most recently completed financial year, the Corporation has not relied on the exemptions in Sections 2.4, 6.1.1(4), 6.1.1(5), or 6.1.1(6) or Part 8 of NI 52-110. Section 2.4 (*De Minimis Non-audit Services*) provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the financial year in which the non-audit services were provided. Sections 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*), 6.1.1(5) (*Events Outside Control of Member*) and 6.1.1(6) (*Death, Incapacity or Resignation*) provide exemptions from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation. Part 8 (*Exemptions*) permits a company to apply to a securities regulatory authority or regulator for an exemption from the requirements of National Instrument 52-110 in whole or in part.

Pre-Approval Policies and Procedures

The Audit Committee Charter provides that the Audit Committee will pre-approve all non-audit services to be provided by the Corporation's external auditor.
