IN THE UNITED STATES.**

Toronto, Ontario – March 10, 2014 - Eurotin Inc. (TSX Venture Exchange: TIN) (“Eurotin” or the “Company”), is pleased to announce that the Company has completed a private placement for gross proceeds of \$835,000 through the issuance of 16,700,000 common shares at a price of \$0.05 per share.

In connection with the private placement, the Company has paid to PowerOne Capital Markets Limited a cash commission of \$27,600 and issued warrants to purchase up to 1,002,000 common shares at a price of \$0.05 per common share for a period of two years.

Certain subscribers to the private placement were non-arm’s length parties. The securities issued under the private placement will be subject to a hold period expiring on July 7, 2014.

The Company may complete additional placements for cash at \$0.05 over the next several weeks. In addition, the Company intends to complete debt conversion with certain creditors of the Company whereby certain payables of the Company will be converted into common shares at a deemed issue price of \$0.05 per common share. The Company anticipates that up to approximately \$700,000 of debt will be converted into common shares, the majority of which will be issued to the drilling company which completed the Company’s drill program on its Oropesa property in 2013.

The Company intends to use the net proceeds from the Offering to continue development of the Oropesa tin project and for general working capital purposes.
