

# Eurotin Announces Transfer of Oropesa Property to Elementos Limited

Toronto, Ontario--(Newsfile Corp. - December 24, 2019) - Eurotin Inc. (TSXV: TIN) ("**Eurotin**" or the "**Company**") announces that it has completed the transfer to Elementos Limited ("**Elementos**") (ASX: ELT) of 100% of the issued and outstanding securities in Minas De Estano De Espana S.L.U. ("**MESPA**"), a wholly owned subsidiary of Eurotin and the holder of Eurotin's Oropesa tin project in Spain ("**Oropesa**").

As previously announced in a press release dated January 4, 2019, the Company completed a plan of arrangement (the "**Plan**") with Elementos pursuant to which Eurotin agreed to transfer to Elementos 100% of the issued and outstanding securities in MESPA. In consideration for that, Elementos issued one billion convertible redeemable preference shares (the "**CRPS**") which were distributed pro-rata to Eurotin's shareholders as described in Eurotin's management information circular dated November 5, 2018 a copy of which is available under the Company's profile at [www.sedar.com](http://www.sedar.com).

Holders of common shares of Eurotin as of December 31, 2018 received their pro-rata portion of the CRPS resulting in the issuance of 9.368442207560235 CRPS for every common share of Eurotin held by a Eurotin shareholder.

It was originally intended that the CRPS would automatically convert into ordinary shares of Elementos following completion of the transfer of MESPA to Elementos. However, given the amount of time that has elapsed since completion of the Plan and that the parties are still awaiting satisfactory confirmation that the Regional Mining Authority (the "**RMA**") of Andalucia, Spain does not object to the transfer of MESPA to Elementos, the parties have agreed to complete the transfer of the shares of MESPA subject to the subsequent receipt of said satisfactory confirmation from the RMA on or before January 4, 2020. The parties believe that this step of actually transferring the MESPA shares to Elementos, albeit subject to the subsequent receipt of the requisite confirmation of non-objection to the transfer from the RMA, will assist in the procurement of said confirmation. Upon receipt of such confirmation, the CRPS shall automatically convert into ordinary shares of Elementos.
