**MANAGEMENT'S DISCUSSION AND ANALYSIS OF THE CONSOLIDATED
FINANCIAL CONDITION AND RESULTS OF OPERATIONS**

For the Three and Nine Months Ended December 31, 2020

Eurotin Inc.

Introduction

The following interim Management Discussion & Analysis (“interim **MD&A**”) of the financial condition and results of the operations of Eurotin Inc. (the “**Company**” or “**Eurotin**”) has been prepared to provide material updates to the business operations, liquidity and capital resources of the Corporation since its last management discussion & analysis, being the Management Discussion & Analysis (“**Annual MD&A**”) for the fiscal year ended March 31, 2020. This Interim MD&A does not provide a general update to the Annual MD&A, or reflect any non-material events since the date of the Annual MD&A.

This Interim MD&A has been prepared in compliance with the requirements of section 2.2.1 of Form 51-102F1, in accordance with National Instrument 51-102 – Continuous Disclosure Obligations. This discussion should be read in conjunction with the Annual MD&A, the audited annual consolidated financial statements of the Company for the years ended March 31, 2020 and March 31, 2019 (“**FY 2020**” and “**FY 2019**”, respectively) and the unaudited condensed interim consolidated financial statements for the three and nine months ended December 31, 2020 (“**Q3 2021**”), together with the notes thereto. Results are reported in Canadian dollars, unless otherwise noted. In the opinion of management, all adjustments (which consist only of normal recurring adjustments) considered necessary for a fair presentation have been included. The results for the three and nine months ended December 31, 2020 are not necessarily indicative of the results that may be expected for any future period. Information contained herein is presented as of February 25, 2021 unless otherwise indicated.

The unaudited condensed interim consolidated financial statements for Q3 2021, have been prepared using accounting policies consistent with International Financial Reporting Standards (“**IFRS**”) as issued by the International Accounting Standards Board and interpretations of the IFRS Interpretations Committee. The unaudited condensed interim consolidated financial statements have been prepared in accordance with International Standard 34, Interim Financial Reporting.

For the purposes of preparing this Interim MD&A, management, in conjunction with the Board of Directors, considers the materiality of information. Information is considered material if: (i) such information results in, or would reasonably be expected to result in, a significant change in the market price or value of Eurotin’s common shares; or (ii) there is a substantial likelihood that a reasonable investor would consider it important in making an investment decision; or (iii) it would significantly alter the total mix of information available to investors. Management, in conjunction with the Board of Directors, evaluates materiality with reference to all relevant circumstances, including potential market sensitivity.

Further information about the Company and its operations is available on SEDAR at www.sedar.com.

Caution Regarding Forward-Looking Statements

This Interim MD&A contains certain forward-looking information and forward-looking statements, as defined in applicable securities laws (collectively referred to herein as “forward-looking statements”). These statements relate to future events or the Company’s future performance. All statements other than statements of historical fact are forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of words such as “plans”, “expects”, “is expected”, “budget”, “scheduled”, “estimates”, “continues”, “forecasts”, “projects”, “predicts”, “intends”, “anticipates” or “believes”, or variations of, or the negatives of, such words and phrases, or state that certain actions, events or results “may”, “could”, “would”, “should”, “might” or “will” be taken, occur or be achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in such forward-looking statements. The forward-looking statements in this Interim MD&A speak only as of the date of this Interim MD&A or as of the date specified in such statement. Dollar amounts in this MD&A are in Canadian Dollars unless otherwise indicated.

Forward-looking statements	Assumptions	Risk factors
For fiscal year ending March 31, 2021 (“FY 2021”), the Company will continue to pursue strategic alternatives.	The Company has anticipated all material costs; the operating activities of the Company for FY 2021, and the costs associated therewith, will be consistent with Eurotin's current expectations.	Unforeseen costs to the Company will arise; any particular operating and evaluating costs may increase or decrease from the date of the estimation; changes in economic conditions.
The Company will be required to raise additional funds in order to meet its ongoing operating expenses and complete its planned evaluation activities and strategic alternatives for FY 2021.	The operating and evaluating activities of the Company for FY 2021 and the costs associated therewith will be consistent with Eurotin's current expectations; debt and equity markets and exchange rates and other applicable economic conditions are favourable to Eurotin.	Changes in debt and equity markets; timing and availability of external financing on acceptable terms; increases in costs; environmental compliance and changes in environmental and other local legislation and regulation; interest rate and exchange rate fluctuations; changes in economic conditions.

Eurotin Inc.

Sensitivity analysis of financial instruments.	Based on management's knowledge and experience of the financial markets, the Company believes that there would be no material changes to its results for FY 2021 as a result of a change in the foreign currency exchange rates or interest rates. The Company will continue to pursue strategic alternatives. The Company is looking to acquire further financing through a right offering or private placement and continues to operate as prudently as possible with an emphasis on cost containment.

Off-Balance-Sheet Arrangements

As of the date of this filing, the Company does not have any off-balance-sheet arrangements that have, or are reasonably likely to have, a current or future effect on the results of operations or financial condition of the Company, including, and without limitation, such considerations as liquidity and capital resources.

Financial assets

Financial assets not measured at fair value through profit or loss or fair value through other comprehensive income are measured at amortized cost using the effective interest method, less any impairment losses, with interest expense recognized on an effective yield basis. Assets in this category include cash and cash equivalents and amounts receivable and other assets. As of December 31, 2020, the Company's financial assets were \$1,369 compared with \$2,700 as of March 31, 2020.

Other financial liabilities

Other financial liabilities are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost using the effective interest method, with interest expense recognized on an effective yield basis. Any gains or losses arising from the realization of other financial liabilities are included in the profit (loss) statement. Liabilities in this category include amounts payable and other liabilities. As of December 31, 2020, the Company's financial liabilities were \$1,612,049 compared with \$1,376,692 as of March 31, 2020.

Eurotin Inc.

Commitments and contingencies

The Company's activities are subject to various laws and regulations, including foreign tax laws including tax laws on value added tax and laws and regulations governing the protection of the environment. These laws and regulations are continually changing and generally becoming more restrictive. The Company believes its operations are materially in compliance with all applicable laws and regulations. The Company has made, and expects to make in the future, expenditures to comply with such laws and regulations.

As of December 31, 2020, the Company has \$Nil commitments and contingencies.

Discussion of Operations

Three months ended December 31, 2020 ("**Q3 2021**") compared with the three months ended December 31, 2019 ("**Q3 2020**").

Eurotin's total loss for Q3 2021 was \$91,461 with basic and diluted loss per share of \$0.00. This compares with a gain for Q3 2020 of \$299,294 with basic and diluted loss per share of \$0.00 in Q3 2020.

The net loss increased by \$390,755 principally because:

During Q3 2020 the Company loss \$861,882 in his discontinued operations compared with \$Nil in Q2 2021.

During Q3 2020 the Company gain \$1,216,077 on sale of a Mineral Property compared with \$Nil in Q3 2021.

Nine months ended December 31, 2020 ("**YTD 2021**") compared with the nine months ended December 31, 2019 ("**YTD 2020**").

Eurotin's total loss for YTD 2021 was \$262,756 with basic and diluted loss per share of \$0.00. This compares with a net loss for YTD 2020 of \$1,148,547 with basic and diluted loss per share of \$0.01 in YTD 2020.

The net loss increased by \$885,791 principally because:

During YTD 2020 the Company loss \$2,079,313 in his discontinued operations compared with \$Nil in YTD 2021.

During YTD 2020 the Company gain \$1,216,077 on sale of a Mineral Property compared with \$Nil in YTD 2021.

Eurotin Inc.

Liquidity and Financial Position

Cash used in operating activities was \$262,756 for YTD 2021 compared to \$389,339 in YTD 2020. Operating activities were affected for the changes in non-cash working capital balances.

As of December 31, 2020, Eurotin had \$1,369 in cash and cash equivalents (March 31, 2020 - \$2,700).

Cash provided for financing activities during YTD 2021 was \$226,271 net from advances from a related party for shares to be issued compared with \$100,000 in YTD 2020 from advances from a related party for shares to be issued.

The Company has no operating revenues and therefore must utilize its funds obtained from the equity financing and other financing transactions to maintain its capacity to meet ongoing exploration and operating activities.

The Company's interim unaudited consolidated financial statements for the three and nine months ended December 31, 2020 have been presented on the basis that the Company will continue as a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of the business.

As of December 31, 2020, the Company had 106,741,332 common shares issued and outstanding. There were no warrants or stock options outstanding.

As of December 31, 2020, the Company maintains \$1,149,500 in advances from a related party. Those advances are included in amounts payable and other liabilities. The Company's credit and interest rate risk remains minimal. Accounts payable and accrued liabilities are short-term and non-interest bearing.

The Company's current and future uses of cash are principally in two areas; namely, funding of its general and administrative expenditures and funding of its evaluating activities. Management assesses its planned expenditures based on the Company's working capital resources, the scope of work required to advance exploration on its projects and the overall condition of the financial markets.

The Company's working capital is in a deficit of \$1,601,422 on December 31, 2020, this includes the related party advance of \$1,149,500 from a major shareholder of the Company committed to the long-term financial health of the Company, therefore, in reality the working capital position is in a deficit of \$451,922. The Company will be required to raise additional capital in order to meet its ongoing evaluation activities.

Disclosure of Internal Controls

Management has established processes to provide them sufficient knowledge to support representations that they have exercised reasonable diligence that (i) the audited consolidated financial statements do not contain any untrue statement of material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it is made, as of the date of and for the periods presented by consolidated financial statements; and (ii) the audited consolidated financial statements fairly present in all material respects the financial condition, results of operations and cash flows of the Company, as of the date of and for the periods presented.

In contrast to the certificate required for non-venture issuers under National Instrument 52-109 Certification of Disclosure in Issuers' Annual and Interim Filings ("NI 52-109"), this Venture Issuer Basic Certificate does not include representations relating to the establishment and maintenance of disclosure controls and procedures ("DC&P") and internal control over financial reporting ("ICFR"), as defined in NI-

Eurotin Inc.

52-109. In particular, the certifying officers filing this certificate are not making any representations relating to the establishment and maintenance of:

- i) controls and other procedures designed to provide reasonable assurance that information required to be disclosed by the issuer in its annual filings, interim filings or other reports filed or submitted under securities legislation is recorded, processed, summarized and reported within the time periods specified in securities legislation; and
- ii) a process to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with the issuer's GAAP (IFRS).

The issuer's certifying officers are responsible for ensuring that processes are in place to provide them with sufficient knowledge to support the representations they are making in this certificate. Investors should be aware that inherent limitations on the ability of certifying officers of a venture issuer to design and implement on a cost-effective basis DC&P and ICFR as defined in NI 52-109 may result in additional risks to the quality, reliability, transparency and timeliness of interim and annual filings and other reports provided under securities legislation.

Risks Factors Relating to the Company's Business and Industry

Due to the nature of the Company's business, the Company may be subject to significant risks. Readers should carefully consider all such risks, including those set out in the discussion below.

The Company's actual evaluation and operating results may be very different from those expected as of the date of this MD&A.

The following is a description of the principal risk factors that will affect Eurotin.

COVID-19 Pandemic.

Since January 1, 2020, the spread of COVID-19 has severely impacted many local economies around the globe. In many countries, including Canada, organizations and businesses are being forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to organizations worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions. Management believes COVID-19 has had no material impact on the Company.
