

Red Metal Resources Closes First Tranche of Financing

Vancouver, British Columbia--(Newsfile Corp. - November 25, 2024) - **RED METAL RESOURCES LTD. (CSE: RMES) (OTC Pink: RMESF) (FSE: I660) ("Red Metal" or the "Company")** is pleased to announce that it has completed the first tranche of the non-brokered private placement (the "Offering") described in its news release of October 31, 2024.

In connection with the closing of the first tranche of the Offering, the Company issued an aggregate of 3,000,000 flow-through units (the "FT Units") at a price of CDN\$0.10 per Unit for gross proceeds of CDN\$300,000. Each FT Unit consists of one flow-through common share in the capital of the Company (a "FT Share") and one-half of one non-transferable Common share purchase warrant (each whole Common share purchase warrant, a "Warrant"). Each whole Warrant is exercisable to acquire one Common Share at an exercise price of CDN\$0.12 per Common Share until May 22, 2026, which is 18 months from the date of issuance.

In connection with the closing of the first tranche of the Offering, the Company has also issued an aggregate of 915,000 non-flow-through units (the "NFT Units") at a price of CDN\$0.08 per NFT Unit for gross proceeds of CDN\$73,200. Each NFT Unit consists of one common share in the capital of the Company (a "Common Share") and one-half of one non-transferable Common share purchase warrant (each whole Common share purchase warrant, a "Warrant"). Each whole Warrant is exercisable to acquire one Common Share at an exercise price of CDN\$0.12 per Common Share until May 22, 2026 which is 18 months from the date of issuance.

The Company paid an aggregate finder's fees of CDN\$30,000 and issued 300,000 Share purchase warrants (the "Finder's Warrants") in connection with subscriptions from subscribers introduced to the Offering by Castlewood Capital Corporation. Each Finder's Warrant is exercisable to acquire one Common Share in the capital of the Company at an exercise price of CDN\$0.12 per Common Share until May 22, 2026, which is 18 months from the date of issuance.

The securities issued under the Offering, and any Shares that may be issuable on exercise of any such securities, will be subject to a statutory hold period expiring four months and one day from the date of issuance of such securities.

The Company intends to raise up to \$540,000 issuing an aggregate of up to 6,750,000 NFT Units at a price of \$0.08 per non-flow-through unit. The Company intends to use the proceeds from the sale of the NFT Units to finance general working capital requirements and exploration on its Chilean Carrizal Property. The proceeds from the sale of FT Units will be used for the exploration of the Company's newly acquired properties in the Quebec region and any further projects acquired in the area, which will qualify as "Canadian exploration expenses" as defined in subsection 66.1(6) of the Income Tax Act and "flow-through mining expenditures" as defined in subsection 127(9) of the Income Tax Act. The Offering is subject to certain conditions, including, but not limited to, the receipt of all necessary approvals, including the approval of the Canadian Securities Exchange. The Offering is being made by way of private placement in Canada and such other jurisdictions as the Company may determine. The Company intends to renounce the Qualifying Expenditures to subscribers of FT Units for the calendar year ended December 31, 2024, and to incur the necessary Qualifying Expenditures on or before December 31, 2025, in accordance with regulatory requirements.

All securities to be issued under the Offering will be subject to a four-month-and-one-day hold period in accordance with applicable Canadian securities laws.
