

DEPLOY TECHNOLOGIES INC. DEPLOY FILES PROVISIONAL PATENT APPLICATION

Vancouver, BC, Canada, May 13, 2011 - Deploy Technologies Inc. (OTC: DPLY), announced today that the company has filed a Provisional Application for Patent with the United States Patent and Trademark Office.

With the filing of the Provisional Patent Application the company is now ready to sell its Fleet Data Management and Weigh System without risking priority rights to the intellectual property. The company will now enter Phase III – Trials of the Fleet Data Management and Weigh System.

David Eppert, Chief Executive Officer of Deploy, stated: “Now that we have secured intellectual property priority rights for our product through the filing of the provisional patent application, we can release our product for trials.”
