

DEPLOY TECHNOLOGIES INC.

Deploy to Expand Scope of Business

Vancouver, BC, Canada, June 14, 2015 - Deploy Technologies Inc. (CNSX: DEP) (OTC: DPLY) is pleased to announce that it has been entertaining further business venture opportunities both within and outside the field of technology.

During the past few years, Deploy has developed and patented its *InstaWeigh™* technology and management believes that diversification at this time will help the Company increase shareholder value and grow revenue more rapidly.

“In the coming months, Deploy intends to provide its sales team with several exciting and innovative new products.”, commented David Eppert, the Company’s Chief Executive Officer. “These new innovations will enable the company to penetrate new markets and increase revenue growth.”

ABOUT DEPLOY TECHNOLOGIES INC.

Deploy Technologies Inc. has developed a comprehensive suite of products focused on Fleet Data Management & Weigh Systems solutions. The core of the Company’s technology is based on the monitoring, storage and processing of hydraulic pressures data streams which are then used to address a wide range of applications including weight and loading calculations and warning systems for safety assurance initiatives.

Company reporting information can be found on the Company’s website (www.deploy.ca), CSE (www.thecse.com) and SEDAR (www.sedar.com), as well as on OTC Markets (www.otcmarkets.com).
